Hearts on a String Kris Radish,2010-05-25 Bestselling author Kris Radish delves deeply into the emotions of five very different women who are thrown together by chance—only to discover that they have more in common than they ever could have imagined. Holly Blandeen has always cherished the story her grandmother told her about the thread that connects all women, tying them forever in sisterhood. It's a beautiful idea, but with all the curveballs life has thrown her way, Holly has often felt isolated, different from other women. That starts to change when she meets four strangers in an airport and they agree to share a luxury hotel suite because a powerful spring storm is barreling across the country, stranding travelers from California to Florida. What begins as a spur-of-the-moment decision becomes an unlikely, unexpected, and sometimes reluctant exercise in female bonding, as these five exceptional women—each at a crossroads—swap stories, share secrets, and seek answers to the questions they've been asking about life, love, and the path to true happiness. A storm may have grounded them for the moment, but after this wild adventure in which anything can and does happen, they'll never have to fly solo again.

Years later, when Julia's great-granddaughter, Kelly, discovers some hidden tape recordings in her famous great-grandmother's dresser and learns the real truth about Julia's year, a year that changed the course of history, she must decide what to do with her grandmother's incredible legacy. The Billionaire's Game Ansela Corsino,2022-01-27 Aspiring screenwriter Ines Andrada is eager to pursue her dreams and quit her job as the overworked and unappreciated assistant to a famous film star. But when she takes her movie script to a respected producer, she ends up in bed with her boss's insanely hot ex-boyfriend. Despite his billions and a reputation as a ladies' man, Mason Kilborne doesn't have much luck in relationships. So the last thing he needs is to be sent an escort as a thank-you gift by a business partner. The very attractive, (surprisingly) geeky blonde who shows up at his door is hard to resist, but she may not be all she pretends to be. Ines doesn't know what's worse — Mason mistaking her for an escort or accusing her of blackmail. One thing's for sure: if her boss ever finds out, Ines will be kicked out of show business permanently. It doesn't help that Mason keeps showing up at work, on the movie set — and in her wildly inappropriate fantasies. _____ This edition contains a 4-part epilogue.
