Black Is a Rainbow Color Angela Joy, 2020-01-14 A child reflects on the meaning of being Black in this moving and powerful anthem about a people, a culture, a history, and a legacy that lives on. Red is a rainbow color. Green sits next to blue. Yellow, orange, violet, indigo, They are rainbow colors, too, but My color is black . . . And there's no BLACK in rainbows. From the wheels of a bicycle to the robe on Thurgood Marshall's back, Black surrounds our lives. It is a color to simply describe some of our favorite things, but it also evokes a deeper sentiment about the incredible people who helped change the world and a community that continues to grow and thrive. Stunningly illustrated by Caldecott Honoree and Coretta Scott King Award winner Ekua Holmes, *Black Is a Rainbow Color* is a sweeping celebration told through debut author Angela Joy's rhythmically captivating and unforgettable words. Rainbow Crow Nancy Van Laan, 1991-07-02 Illus. in full color. This story of how the Rainbow Crow lost his sweet voice and brilliant colors by bringing the gift of fire to the other woodland animals is a Native American legend that will be a fine read-aloud because of the smooth text and songs with repetitive chants. The illustrations, done in a primitive style, create a true sense of the Pennsylvania Lenape Indians and their winters.--School Library Journal.

The Summer We Turned Green William Sutcliffe, 2021-07-08 A fresh, funny, heartfelt look at this generation's must-win battle: one earth, one chance. It's the summer holidays, and thirteen-year-old Luke's life has been turned upside down. First his older sister Rose moved 'across the road', where a community of climate rebels is protesting the planned airport expansion. Then his dad followed her. Dad only went to get Rose back, but now he's out there building totem poles, wearing sandals and drinking mead (whatever that is) with the best of them... Can Luke save his family when all they want to do is save the planet?

The Wakeful Body Willa Blythe Baker, 2021-11-23 Spirituality & Practice Best Books of 2021 Award Winner A highly practical and approachable guide to somatic meditation with easy practices for accessing the body's inherent mindfulness, from an expert in somatic meditation. Tap into the wisdom of the body with down-to-earth practices like Surrendering to the Breath and Befriending Feelings that allow the body to become the source of mindfulness. Willa Blythe Baker introduces meditation practice as the cultivation of a way of being, rather than a way of doing. It is a way of being that is self-aware, self-compassionate, and embodied. This way of being is not limited to practice on the cushion or on the yoga mat--somatic mindfulness is available at any moment, activated by attention to the body's wisdom and its teachings. Discover the three layers of embodiment, from the earth body of flesh and blood, the subtle body of sensory experience and emotion, and the awareness body of consciousness. The three parts of this book explore these layers through turning attention to the physical, energetic, and mental dimensions of human experience. By diving deep into the body, readers will find that they already have what they need. Concentration, wisdom, compassion, kindness, and joy are waiting there.
