To Find a Rainbow After the Storm Shona S. Davidson,2014-11-18

Storm Sky Blues Parker Avrielle,2021-08-19 When he can't keep pretending... Gray's social-climbing parents have a plan for their son. The same plan that worked perfectly well for his father before him. Law school, socialite wife, millions of dollars in the bank. It's all planned out for the next thirty years. The plan doesn't allow for art school. Much less kissing boys. This shorter 30,000-word novel is a sweet gay coming-of-age story featuring a character in his mid-teens. There is some rough language, but there is no steam. Like many young adult novels featuring a teen hero, the ending is open-ended because life is open-ended at that age. Gray and Sparky will meet again in college. You can read their college gay romance in the full-length 80,000-word novel, *Kickoff Blues*. You may consider this book a prequel to *Kickoff Blues*, but it doesn't matter which one you read first. Also, *Kickoff Blues* is Book #3 in the Last Chances Academy series, but you can read it first if you want to since Books 1 & 2 follow a different romance. Keywords & themes: Last Chances Academy, gay academy romance, free, free gay books, free young adult books, free YA, young adult, coming of age, first love, crushes, runaway teens, teen boys, gay teens, puppy love, contemporary, coming of age, escape from conversion therapy, homophobic parents, father/son conflict, fathers and sons, families. Related Books by Parker Avrielle include the novels in the Last Chances Academy series: *Hot Roommate Blues*, *Hot Mafia Blues*, and *Kickoff Blues*, as well as the short story *Bully Crush Blues*. Similar themes of runaway gay teens and father/son struggle appear in the author's original Runaway Model trilogy, which includes *The Runaway Model*, *The Runaway Millions*, and *The Runaway Father*. That series is a LOT more angsty, though.

Share Your Rainbow Various,2020-08-11 When the storm subsides and the sun comes out, don't forget to look for the rainbow! Inspired by kids across the country displaying rainbows in their windows, acclaimed illustrators come together to imagine everything

these rainbows represent: caring for one another, and our hopes for the future. In this collection of eighteen scenes, readers will lick an ice cream cone, swim in the ocean, cuddle close with cousins, and celebrate a birthday with a party full of friends and family. Each spread has a hidden rainbow for kids to find! An introduction by R. J. Palacio, New York Times bestselling author of *Wonder*, reminds us that rainbows have always been symbols of hope, and that as fleeting as a rainbow may seem, we can always look for the next one-- in the sky, on the sidewalk, and in a window. 100% of net proceeds from the sale of this book will go to World Central Kitchen, using the power of food to help our communities weather this storm.
