Kids Gone Wild Joel Best,Kathleen A. Bogle,2014-08-29 But why do stories like these find such media traffic, exploiting parents' worst fears? How do these rumors get started, and how do they travel around the country and even across the globe? In Kids Gone Wild, best-selling authors Joel Best and Kathleen A. Bogle use these stories about the fears of the growing sexualization of childhood to explore what we know about contemporary legends and how both traditional media and the internet perpetuate these rumors while, at times, debating their authenticity. Best and Bogle describe the process by which such stories spread, trace how and to where they have moved, and track how they can morph as they travel from one medium to another. Ultimately, they find that our society's view of kids raging out of control has drastic and unforeseen consequences, fueling the debate on sex education and affecting policy decisions on everything from the availability of the morning after pill to who is included on sex offender registries.

Face Value Autumn Whitefield-Madrano,2016-06-21 “A fascinating look” (The Boston Globe) at how we think and talk about beauty in the twenty-first century—and the unexpected and often positive way that beauty shapes our lives. For decades, we’ve thought of beauty as a negative influence in our lives. We feel insecure in the face of retouched, impossibly-perfect images. We worry primping and preening are a distraction and a trap. But in Face Value, journalist Autumn Whitefield-Madrano dispels this one-sided beauty myth and examines the relationship between appearance and science, social media, sex, friendship, language, and advertising to show how beauty actually affects us day to day. Through meticulous research and interviews with dozens of women across all walks of life, she reveals surprising findings, like wearing makeup can actually relax you, you can convince people you’re better looking just by tweaking your personality, and the ways beauty can be a powerful tool of connection among women. Provocative and empowering, it celebrates a relaxed brand of feminism, one in which it’s equally okay to feel fierce in your fake eyelashes and confident when going makeup-free. Face Value is “an immensely valuable work, one that seamlessly—and impressively—combines the tropes of the academic lit review and the memoir and the work of cultural criticism into an engaging, and timely, follow-up to The Beauty Myth” (The Atlantic).

Four Corners Wally Rudolph,2014-06-10 Four Corners is a bare-knuckled debut novel about life, love, and violence along four states of the American southwest — both a savage, mean-streets thriller and a heartbreaking story of unfortunate love. For the better part of thirty-seven years, Frank Bruce has hobbled through life, dragging his hunger for amphetamines, alcohol, and crime behind him like a heap of tarnished weight. Now, emboldened by the love of his child-fiancé Maddie Nicole, Frank goes on the run through the drug underworld of the Southwest trying to save a young boy from his meth-riddled father and casino mogul grandfather. Caught in a cat-and-mouse chase but still determined to protect what he loves, Frank seeks help from his onetime mentor, legendary drug kingpin Jon Santer. But in doing so, Frank triggers a vile reckoning with his terrible, violent past.

Second Dad Summer Benjamin Klas,2020-08-04 Jeremiah just wants a normal summer with his dad. But his dad has moved in with his new boyfriend Michael who serves weird organic food and is constantly nagging him. Worst of all, Michael rides a bicycle decorated to look like a unicorn. This is not the summer Jeremiah wanted. But Jeremiah soon learns that being a family comes in many surprising forms.

Children Bjørn Larssen,2020-10-03 Gods make lousy parents. All Magni wants is peace and quiet, but when your father is the God of thunder, you don't get to live the life you want. When Thor destroys all his son knows and loves, Magni vows to bring prosperity and end the violence... forever. But can you escape cruelty in a universe built on it, or the shadow of your father when everyone calls you by his name? Maya, her rage more powerful than she knows, wants freedom to pursue her own destiny. Neither torture nor blackmail can make her obedient or pretty enough for Freya, her foster-mother and Goddess of love. Fighting for independence and revenge, can a mere human win a game where Gods dictate the rules? 2020 Stabby Nominee –Best Self-Published/Independent Novel A haunting, brutal, and emotional coming of age story, steeped in Norse mythology and written in spare but lyrical prose, Children is a book that demands to be felt rather than read. Its hard-hitting story and dark humor combine to make this a grim book with lots of heart, a book that will stick with me for a long time. – Angela Boord, author of Fortune's Fool Faced with gods who are interested only in their own goals, happy to use their own children to further their ambition in the face of a foretold end, Children can be read as allegory or fantasy. Drawing on established Norse myths but adding a unique interpretation, Larssen's tale made me wince with witnessed pain, and cry, and, once or twice, snort with laughter. His evocative prose will linger in my mind for a long time. Not a book easily forgotten. – Marian L Thorpe, author of Empire's Daughter

The Rainbow Book: Tales of Fun & Fancy M. H. Spielmann,2021-01-01 First published in the year 1909, the present book 'The Rainbow Book: Tales of Fun & Fancy' by M. H. Spielmann is a fully illustrated anthology of fairy tales which are funky and witty for the children.

The Charm Bracelet Emily Rodda,2008 When Jessie searches for her ill grandmother's missing charm bracelet, she is led to a magical world and finds she has a reason and right to be there.

The Rainbow Book - Tales of Fun & Fancy for Children Mabel Harriet Spielman,2020-05-26 “THE RAINBOW BOOK” is a wonderful collection of children’s tales of fun and fancy penned by Mabel Henriette Spielmann (1862–1938). It includes the tales of: ‘Adventures in Wizard Land’ (illustrated by Arthur Rackham), ‘The Little Picture Girl’ (Hugh Thomson), ‘The Sleeping Beauty’s Dream’ (Bernard Partridge), ‘The Gamekeeper’s Daughter’ (Lewis Baumer), ‘Cedric’s Unaccountable Adventure’ (Harry Rountree), ‘Father Christmas at Home’ (Arthur Rackham) and many more. This book contains a selection of illustrations from some of the greatest artists from the Golden Age of Illustration. It showcases the drawings of Arthur Rackham, Hugh Thompson, Bernard Partridge, Lewis Baumer, Harry Rountree and C. Wilhelm. Although all fine artists in their own right, Arthur Rackham (1867-1939) is by far the most famous – whose work is quite simply, unparalleled The little Fairy-people are the favourite children of Fancy, for they can do magical things. They were born into

this serious world of ages to help brighten it, and also to make it more graceful, dainty and prettily romantic than it is. We have found the little-people of Folklore were learned people with the wisdom of ages and whose learnings were all topsy-turvy, for it dealt with toads, and storms, and diseases, and what strange things would happen if you mixed any or all of them up together - how a vampire would flee if you held up a clove of garlic, and how a tempest would suddenly stop if you sprinkled a few drops of vinegar in front of it. No doubt, since then thousands of people have sprinkled tens of thousands of gallons of good vinegar before advancing tempests, and although tempests pay far less attention to the liquid than troubled waters do to a pint of oil, the sprinklers and their descendants have gone on believing with a touching faith, which is pretty, if not totally impractical. But what is pretty and practical too, is that all of us should sometimes let our fancy and our imaginations roam, and that we should laugh a lot more as well, over Fairy-stories and about life in general, no matter what hand it deals us. Remember every dark cloud has a silver lining. 10% of the profit from the sale of this book will be donated to charities. =====

Looking in the Mirror Out Nora Nita Bates,2012-03-26 Of course, angels are real! Maverick giggled to Nora over twenty years ago. She played with the baby, danced with Kat, and was very patient with Rant as she/he cursed in a fury within Noras psyche. Twenty years ago, these parts presences were known but didnt reveal themselves to the outer world of psychiatry or fully to Nora because they were misinterpreted as symptoms of schizo-affective disorder, depression, bipolar disorder, delusions, hallucinations, and psychosis. So they went back in Noras mind and waited patientlyto be heard. Patience ended in 2010 when Rant exploded and took hold of the steering wheel, literally. Looking in the Mirror Out is Noras experience as her parts reveal themselves, uncensored, raw, and exhaustedly, as she and they get to know each other and work together in Noras inner and outer worlds. Their experiences are unique, yet, encompass surprisingly common themes with anyone living in todays world.

The Tail of an Angel Jillian Verbicky,2015-02-11 Jillian is your everyday high school girl with a boring life, until she takes a family vacation on her family yacht. The yacht sinks in a hurricane, leaving Jillian to survive in the ocean with nothing but what’s on her raft. After crashing into a rock and waking up on an island, she discovers a secret that no human is allowed to know. Will she keep the secret to protect the ones she loves? Will she stay on the island forever? Who is this person who’s been watching her for a very long time? What lies beneath the water?

Fairy Realm #1: The Charm Bracelet Emily Rodda,2009-05-26 When Jessie visits her grandmother's house, Blue Moon, she discovers an amazing secret, and enters the Fairy Realm for the first time. All kinds of magical beings live in the Realm, and a noble Queen in a great golden palace rules them all. But the Realm is in danger, and Jessie must outwit an evil enemy to save it before it's destroyed forever!
