**Love Beyond Desire** Rakhi Verma,2019-07-31 Love Beyond Desire is a unique love story. It's about a girl who falls in love with her best friend, Arman when she is in school. It's a story of long-lost lovers who finally meet after nine years, and their love is still strong as it was before. It's a story with hope, passion, emotional confusion, emotional outburst, fun, mystery, happiness, admiration, love and desire, along with beautiful poems and songs to keep you entertained. Rhia knows that love is not being together forever, but it is to remember the moments together forever. Keeping this in mind, Rhia moves ahead in her life by managing personal and work life. It's been nine years since Arman left her, and Rhia manages her life just fine with a dream job and her own place, finally free from family drama. She turned her life and took control of it, but the only part of her life that she couldn't control was love. She couldn't love anyone because she is heartbroken. As she had found and lost her love on the same day, and when Arman left her forever without even a goodbye, but with just two letters both addressed to her, one 'To My Best Friend' and other 'To My Girlfriend' and a ring, which she still holds as a reminder – a proof of broken love. Rhia and her friends are enjoying the wedding celebration at Mumbai's luxurious hotel. Everything is great, and everyone is enjoying it until she sees Arman. He steps through the gate after long nine years along with his 3-year-old son, leaving her shocked and speechless. They are about to spend three days together under the same roof, and she is all worried, angry and pleased, again all at the same time. She wants to know why he left without a goodbye; it's all she wants to know. So, will she finally get answers? Will Arman finally say why he left her, and why he kissed her if he was about to leave?

This book is a beautiful narration of the love and hate relationship between a brother and a sister. Jai cannot resist annoying Tina, and Tina on the other hand cannot wait to mess with Jai. Heart of hearts, they both know, they love each other to the moon and back and forever and ever. 'Raksha Bandhan' is one of the biggest festivals celebrated in India. The day is observed as the day of siblings and celebrates the special bond between them. The festival is also popularly known as 'Rakhi'. The word Raksha Bandhan means 'the tie or knot of protection'. As part of the ritual, sisters tie Rakhi (a beautiful wristband) on brothers wrists and pray for their well-being. The brothers promise to protect their sisters forever. *We Lived - to Love is to Live* Rakhi Tewathia,2019-03-15

Veiled Gurus Colleen M. Yim,2008 This work examines the social reality of a Hindu woman's involvement in the transmission of religious knowledge. The two-year ethnographic study traces the steps of Dalit women in an urban village in New Delhi, India, in which Dr. Yim explores the mother's role in life cycle rituals, festivals, vrats (ritual fasts), and daily life. In this study, Yim attempts to bridge the gap between the word of religious texts and the reality of the women's lives. Despite the tradition of religious texts to overlook the role of women as teachers, this study found that women are the primary agents of religious knowledge transmission. The Dalit women in this study convey their erudition through informal education, such as observation; worship; imitation; and family responsibilities. The implications of this study are not only to validate informal education as an effective means of teaching, but to confirm the central role Hindu women have in the transmission of religious knowledge to their children.
