

Ranch

Marion Reid-Girardot

Ranch Abby Reisner, 2018-09-25 Ranch dressing, America's beloved condiment, is celebrated in 60 recipes for ranch-centric dishes, as well as innovative ways to make ranch with alternative ingredients.

Ranch Wife Jo Jeffers, 1993-09 When Jo Jeffers was a young girl suffering from asthma, she promised herself, When I grow up, if I ever do, I shall go to Arizona and be a cowboy. She did both, and *Ranch Wife* tells the story of her life as wife and partner of a rancher in the high country of northeastern Arizona. Here she describes the routines of ranch life and vividly recalls the dust storms, plagues, and other hazards that challenged the young city-bred woman. It offers readers not only an insider's view of a working ranch but also an appreciation of how ranchers' wives help sustain such a rugged enterprise.

Atomic Ranch Michelle Gringeri-Brown, 2006-08-29 An in-depth exploration of midcentury residential architecture in America, with extensive photos and design tips included. Post-World War II ranches (1946–1970) range from the decidedly modern gable-roofed Joseph Eichler tracts in the San Francisco Bay area and butterfly wing houses in Palm Springs, Florida, to the unassuming brick or stucco L-shaped ranches and split-levels so common throughout the United States. In this book Michelle Gringeri-Brown and Jim Brown, founders and publishers of the popular quarterly *Atomic Ranch* magazine, extol the virtues of the tract, split-level, rambler home and its many unique qualities: private front facades, open floor plans, secluded bedroom wings, walls of glass, and an easy-living style. From updated homes with high-end Italian kitchens, terrazzo floors, and modern furniture to affordable homeowner renovations with eclectic thrift-store furnishings, *Atomic Ranch* presents twenty-five homes showcasing inspiring examples of stylish living through beautiful color photographs, including before and after shots, design-tip sidebars, and a thorough resource index. *Atomic Ranch* reveals: Hallmarks of the ranch style Inspiring original ranch homes Ranch house transformations and makeovers Preservation of mid-century neighborhoods Adding personality to a ranch home Yards and landscaping A helpful resource section and index

Home Ranch Will James, 1999 Without pulling a single six-gun, fanning a trigger, or using any other stock device of Western fiction, Will James tells the story of life on the Seven X Ranch during the early 1900s. This authentic portrait of a ranching family details their dangerous work, their dreams and aspirations, and the rugged land they lived in.

The Rise and Fall of the Lazy S Ranch David J. Murrah, 2022-01-18 The Lazy S Ranch, one of the last major ranches to be established in Texas, came into being at a time when most of the other great ranches were disappearing. Founded in 1898 by Dallas banker and rancher Colonel Christopher Columbus Slaughter, the Lazy S grew to comprise nearly 250,000 acres of the western High Plains in Cochran and Hockley counties, much of which lay in a single contiguous pasture of more than 180,000 acres. Even with careful investment and management, C. C. Slaughter faced many challenges putting together an extensive ranch amid the development of the farmers' frontier on the high plains. Within a decade, he crafted the Lazy S to become a showplace for well-bred cattle, effective range management, and efficient utilization of limited water resources. He created a working ranch that would serve as a long-lasting legacy for his wife and nine children, to remain "undivided and indivisible." But shortly after his death in 1919, the family drained its resources, drove it into debt, then divided the land ten ways. In the 1930s, good fortune returned to some of the Slaughter heirs with the discovery of oil on the family lands. Though the Lazy S Ranch was soon forgotten, the breakup of the ranch spurred a new era for the western Llano Estacado and led to the establishment of a county, growth of four new towns, and a railroad across the heart of the ranch, fostered for the most part by the land development projects of Slaughter's descendants. Here, David J. Murrah covers the entire, fascinating history in *The Rise and Fall of the Lazy S Ranch*.

,
The Passing of 3-D Ranch ,

Ranch Dressing Janet Dailey,2006 Contains *The Traveling Kind*, in which a beautiful Idaho rancher finds her new ranch hand hard to resist, and *Dakota Dreaming*, in which a young woman, purchasing a dilapidated South Dakota ranch, gets some very special help from her sexy neighbor.

The Story of the Foss River Ranch: A Tale of the North west Ridgwell Cullum,2019-12-05 'The Story of the Foss River Ranch: A Tale of the Northwest' is a novel by Ridgwell Cullum set in the Western Canadian ranching world. The story begins at the annual ball of the Polo Club, a social function of the first water, where the rich and fashionable gather. John Allandale, or Poker John, is the uncle and guardian of Joaquina, or Jacky, a beautiful and strong-willed girl who attracts the attention of many men. As the dance progresses, John realizes his responsibility towards his niece and her love life, but he is also burdened by his own problems. He is an addict to the game of poker, and his debts are starting to catch up with him.

The LS Brand Dulcie Sullivan,1968-01-01 In the spring of 1881, W. M. D. Lee and Lucien B. Scott, wealthy businessmen of Leavenworth, Kansas, purchased land in the upper Texas Panhandle to establish the Lee-Scott Cattle Company. Their range sprawled across four Texas counties and extended into eastern New Mexico. About six months later, fifty thousand head of mixed cattle, branded LS, grazed those thousands of acres of free grass. This book is the story of Lee and Scott's LS Ranch from the tempestuous years of the open range to the era of "bob wire." It is also the story of the pioneer men and women whose efforts developed the LS into a cattle empire: W. M. D. and Lena Lee, Lucien and Julia Scott, "Mister Mac" and "Miss Annie" McAllister, and Charles and Pauline Whitman. Here are accounts of chuck wagons and wagon bosses; prairie fires, blizzards, and bog holes; ranch management problems and cowboys on strike; lobo wolves and romance; wild sprees in Tascosa and its "Hogtown" sector; LS cowboys fighting against a gang of organized rustlers in a feud that ended in tragedy; and those same cowboys on the long trails to Dodge City and Montana. Drawing upon stories told to her by men and women who were with the LS during the 1880's and later years, Dulcie Sullivan presents her narrative in a clear, straightforward, but sympathetic manner that gives the reader a vivid sense of how life was really lived there in those times. Especially telling is her occasional use of an almost poetic incident: the steers bedding down around a campfire to listen to the chuck-wagon cook play his fiddle, or the suit of Spanish armor found in a spring, or the hail-battered trees attempting to renew themselves, despite their grotesque shapes.

The Lawton Ranch of Southwest Louisiana Nola Mae Wittler Ross,Susan McFillen Goodson,2009*

Ranch of Dreams Cleveland Amory,1998 The story of the Black Beauty Ranch in East Texas and of countless animals who have found their haven at the ranch.--Jacket.

Loyal to the Land Billy Bergin,2003-05-14 *Loyal to the Land* is a sweeping history of one of the United States' largest working ranches, the Big Island of Hawaii's Parker Ranch. Dr. Bergin chronicles the ranch from its establishment on two acres purchased for ten dollars by John Palmer Parker to the years following World War II and the beginning of a new era of family ranch management under Parker's grandson, Richard Smart. In this wide-ranging and insightful book, illustrated with more than 250 historical photos, Dr. Bergin first discusses the important Hispanic vaquero roots of ranching in Hawaii. He then relates the histories of the five foundation families, providing rich and detailed information on key members who contributed to the Ranch's success. The balance of the book examines every aspect of Parker Ranch development: management, labor, improvements and diversification of livestock, veterinary and animal care programs, and the Ranch's role and influence on the Big Island and the state.

Home on the Ranch Trish Milburn,2016-03-08 *A COWBOY AT HEART* Austin Bryant has come back

to Blue Falls to get his grandfather's ranch ready to sell. Years ago he escaped to Dallas, and now his life is exactly the way he likes it--orderly and neat. He can't stand all the junk his grandparents collected, and he just wants it gone. When Ella Garcia is called to haul away the trash from the Bryant ranch, she's thrilled. Her business is turning one person's trash into another's treasure. But Austin's attitude is a mystery to her--he seems anxious to throw away his family's memories. Ella notices how at home Austin is on the ranch--and how good he looks in a cowboy hat--and she wonders if there's more country in this city boy than he realizes.

Steve of the "Bar-G" Ranch Marion Reid-Girardot,1914

Ralph Compton Double Cross Ranch Matthew P. Mayo,Ralph Compton,2014-05-06 A rancher fights to save the woman he loves in this action-packed Ralph Compton western. Rancher Ty Farraday's hunt for stray cattle takes a turn for the worse when he discovers a shallow grave and the body of wealthy Alton Winstead, the owner of the Double Cross Ranch. Ty's first frantic thoughts are of Winstead's widow, Sue-Ellen, who picked Alton over him. Unfortunately, she chose poorly. Alton masterminded a crime and left his helpers to swing for it. Hungry for revenge, the murderous hard cases have overrun the Double Cross and are holding Sue-Ellen prisoner. They believe she's harboring some very important information. Ty boldly rescues her from the ranch--only to find their troubles are only beginning....

Arizona Territory Dusty Richards,2015 Dusty takes readers into the real west at full gallop. --New York Times bestselling author Jodi Thomas Western Heritage and Spur award-winning author Dusty Richards tells the thrilling saga of Chet Byrnes, a man who brought the spirit of Texas into Arizona Territory--and the guns to back it up... Have Gun, Will Battle Chet Byrnes has built a ranching empire from the ground up. And he's defended it with his sweat, blood and a ragtag band of ranch-hand fighters. Now a beautiful young Spanish widow comes into Chet's life, just as he starts off in search of a lost cattle drive. The search leads into the eye of a sprawling, violent storm. Chet, and his men--and his seductive new woman--end up on a wild ride through Nebraska, Colorado and Kansas, where authorities want to confiscate the beeves for trespassing. With Indians, outlaws and an oppressive government crossing their path, Chet is on a cowboy's honeymoon: fighting and shooting all the way back home. Dusty Richards writes...with the flavor of the real West. --Elmer Kelton

Faith Money Pit Ranch Book 1 D.D. Lyles,2022-05-04 Faith returns to the area where she grew up on a whim. She had grown tired of living a lie, if only to herself. She traded in her dresses and heels, for boots and jeans. The Money Pit Ranch was looking for a hand, Faith was looking for a job. She had no idea how much she would learn, or how much she would teach those around her. Justin was the owner of the ranch, and he has his own past from which he was trying to escape. Faith and Justin have different points of view on how a ranch should be run. Can they get past the attraction growing between them, or will it cross the line between employee and employer? The Money Pit Ranch is full of rough and rowdy cowboys during round-up. Most of them are just good guys, but in every crowd there are a few that think they should own the world. When some cattle come up missing it is up to Justin and Faith to try and bring the rustlers to justice.

Bunch Grass Horace Annesley Vachell,1913

Cities of the Plain Cormac McCarthy,1998 The setting is New Mexico in 1952, where John Grady Cole and Billy Parham are working as ranch hands. To the North lie the proving grounds of Alamogordo; to the South, the twin cities of El Paso and Juarez, Mexico. Their life is made up of trail drives and horse auctions and stories told by campfire light. It is a life that is about to change forever, and John Grady and Billy both know it. The catalyst for that change appears in the form of a beautiful, ill-starred Mexican prostitute.

When John Grady falls in love, Billy agrees--against his better judgment--to help him rescue the girl from her suavely brutal pimp. The ensuing events resonate with the violence and inevitability of classic tragedy

The Enigmatic Realm of **Ranch**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Ranch** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.
