Vatsalya Mahalakshmy Manoj Nair, 2020-06-27 V?tsalya is a selection of handpicked designs from the author's collection of rangolis, which she has created over a period of time. They have been made with great love, care and attention to details for special occasions like the birthdays of family members, anniversaries, festivals like Diwali, Dussehra, New Year, etc. They take hours, and in some cases, days to make and is a process the author terms 'immensely enjoyable'. However, since the lives of these rangolis are very

short, this book is created to give longevity to these designs, and in that process, be used as a coffee table book, adding aesthetic value to the décor of the place or perhaps inspire other artists in any way possible. Featured in this book are mostly freehand rangolis along with some traditional kolams with a twist, galicha (carpet) rangoli design, portrait rangoli and pookalam. This book is intended for aesthetic use, and this is not a rangoli tutorial book.

A Simple Guide to Rangoli Drawing! Rangoli / Kolam/ Muggu Handbook!

Narasimhan G R, 2019-07-15 Rangoli/ Kolam (or Muggu) - A conventional Indian adornment and examples made with ground rice, especially during celebrations. Rangoli is gotten from the Sanskrit word 'rangavalli'. Rangoli is a craftsmanship which goes before figure and painting. It is both a promising and a starter need in any religious custom. It is a custom to draw rangoli at the site of any promising religious custom, for example, a blessed celebration, a religious celebration, a propitious capacity like wedding, ceremonial love, a pledged religious recognition, and so on. Rangoli is a fine art, beginning in the Indian subcontinent, in which examples are made on the floor or the ground utilizing materials, for example, hued rice, dry flour, shaded sand or blossom petals. It is generally made during Diwali or

Tihar, Onam, Pongal and other Hindu celebrations in the Indian subcontinent. Plans are passed starting with one age then onto the next, keeping both the work of art and the custom alive. Generally in temples, home, celebrations, pooja rooms, marriages, birthdays or any other important places; rangolis are drawn. The reason for rangoli is enhancement, and it is thought to bring good karma. Structure delineations may likewise differ as they reflect conventions, old stories, and practices that are interesting to every territory. It is customarily done by young ladies or ladies. For the most part, this training is displayed during events, for example, celebrations, favorable observances, marriage festivities and other comparative achievements and get-togethers. Rangoli structures can be basic geometric shapes, god impressions, or blossom and petal shapes (proper for the given festivals), however they can likewise be intricate plans made by various individuals. The base material is typically dry or wet powdered rice or dry flour, to which sindoor (vermilion), haldi (turmeric) and other regular hues can be included. Different materials incorporate shaded sand, red block powder and even blooms and petals, as on account of blossom rangolis. In center India mostly Rangoli is called Chaoook and is commonly drawn at the passageway of a house or some other structure. Dried rice flour or different types of white residue powder is utilized for illustration Chaoooks. Despite the fact that there are various conventional Chaoook designs, a lot more can be made relying upon the imagination of the individual who draws it. It is

viewed as favorable as it implies showering of good karma and success on the house and in the family. It isn't drawn like an image. There are two major types of Rangoli/ Kolam:1.Dotted pattern2.Free PatternDotted pattern starts by keeping dots to connect lines in rangoli/ kolam. Free patterns are without dots and the rangoli maker can start mostly from center of the kolam as per their wish. Dots are just to give perfection of lines and patters.This book is released for 100+ simple(basic), medium(intermediate) & advanced sized rangolis/ kolams which are drawn for different occasions like Diwali, Sankranthi, Ganesh Chadurthi, Ugadhi, New Year, Temple festivals etc. These kolams are not printed one; they are drawn simply with freehand. Most of the rangoli/ kolams/ muggus in this handbook are drawn with free hand in the paper or notebooks. Many others are down on the floor in our houses and temples as well. So nothing is computer generated design here. Naturally it has been pictured and cropped wherever necessary and brief description given for these designs!.....MORE!

Shakahaari Pritpal Marwaha,2012-10-23 The Cookbook with a New Twist! There are a lot of Vegetarians all over the world now, as compared to some couple of decades ago, when it was extremely difficult for a Vegetarian to even buy cookies or bread without eggs, wondering what was in the package! You could

never really know about the quality and integrity of the contents within. Years ago, being Vegetarians was looked upon with disdain, frowned upon, and sometimes with very surprised looks, as if we were from another planet! It was unbelievable to them as to how a Vegetarian could even survive without meat! We grew up in five countries, and we were constantly on the move for a good 20 years. My father, Atma Singh, was a Diplomat in the Indian Foreign Service, and we did a lot of entertaining and partying, and needed great food – and lots of varieties, too! With my mom, Kuljit's expert culinary skills, bless her generous heart, we churned out tons of mouth-watering sweet and savoury snacks and foods. I had a first hand experience with the culinary expert, my mom, who improvised and invented recipes. I was amazed that she had all the recipes in her memory, with the exact proportions. She was the darling and life of the party. We were the famous Indian Vegetarian Family! Many recipes in this Book are North Indian, some South Indian as well, with some great contributions from friends and family. We used to make our own fried snacks, homemade Ketchup, Pizzas, sweet and savoury snacks, and even potato chips, crunchies and fried munchies – which is now readily available in many local supermarkets and ethnic food stores. This Book contains wonderful recipes from friends and relatives, adapted to my own special version, which will be of great benefit to both Vegetarians and non-Vegetarians alike, and especially to new Vegetarians. Ofcourse, this book is for anyone and everyone, young and old alike, and especially the new

generation.
