A Simple Guide to Rangoli Drawing! Rangoli / Kolam/ Muggu Handbook! Narasimhan G R, 2019-07-15 Rangoli/ Kolam (or Muggu) - A conventional Indian adornment and examples made with ground rice, especially during celebrations.

Rangoli is gotten from the Sanskrut word 'rangavalli'. Rangoli is a craftsmanship which goes before figure and painting. It is both a promising and a starter need in any religious custom. It is a custom to draw rangoli at the site of any promising religious custom, for example, a blessed celebration, a religious celebration, a propitious capacity like wedding, ceremonial love, a pledged religious recognition, and so on. Rangoli is a fine art, beginning in the Indian subcontinent, in which examples are made on the floor or the ground utilizing materials, for example, hued rice, dry flour, shaded sand or blossom petals. It is generally made during Diwali or Tihar, Onam, Pongal and other Hindu celebrations in the Indian subcontinent. Plans are passed starting with one age then onto the next, keeping both the work of art and the custom alive. Generally in temples, home, celebrations, pooja rooms, marriages, birthdays or any other important places; rangolis are drawn. The reason for rangoli is enhancement, and it is thought to bring good karma. Structure delineations may likewise differ as they reflect conventions, old stories, and practices that are interesting to every territory. It is customarily done by young ladies or ladies. For the most part, this training is displayed during events, for example, celebrations, favorable observances, marriage festivities and other comparative achievements and get-togethers. Rangoli structures can be basic geometric shapes, god impressions, or blossom and petal shapes (proper for the given festivals), however they can likewise be intricate plans made by various individuals. The base material is typically dry or wet powdered rice or dry flour, to which sindoor (vermilion), haldi (turmeric) and other regular hues can be included. Different materials incorporate shaded sand, red block powder and even blooms and petals, as on account of blossom rangolis. In center India mostly Rangoli is called Chaook and is commonly drawn at the passageway of a house or some other structure. Dried rice flour or different types of white residue powder is utilized for illustration Chaooks. Despite the fact that there are various conventional Chaook designs, a lot more can be made relying upon the imagination of the individual who draws it. It is viewed as favorable as it implies showering of good karma and success on the house and in the family. It isn't drawn like an image. There are two major types of Rangoli/ Kolam:1.Dotted pattern2.Free PatternDotted pattern starts by keeping dots to connect lines in rangoli/ kolam. Free patterns are without dots and the rangoli maker can start mostly from center of the kolam as per their wish. Dots are just to give perfection of lines and patters. This book is released for 100+ simple(basic), medium(intermediate) & advanced sized rangolis/ kolams which are drawn for different occasions like Diwali, Sankranthi, Ganesh Chadurthi, Ugadhi, New Year, Temple festivals etc. These kolams are not printed one; they are drawn simply with freehand. Most of the rangoli/ kolams/ muggus in this handbook are drawn with free hand

in the paper or notebooks. Many others are down on the floor in our houses and temples as well. So nothing is computer generated design here. Naturally it has been pictured and cropped wherever necessary and brief description given for these designs!.....MORE!

This book is intended for aesthetic use, and this is not a rangoli tutorial book.

Painted Prayers Stephen P. Huyler, 1994 For hundreds of years, Indian women have passed to their daughters the knowledge of the ritual wall and ground paintings and decorations of the home that function as messages to the deities for the health and well-being of Indian families. Some ground paintings are daily rituals, made every morning at dawn, while wall paintings and mud bas-reliefs are often made for special festivals to honor the deities and attract their benevolent attentions. It is the women of India who are responsible for communication with the gods on behalf of their families, governing the activities of family members, and maintaining the sanctity and order of the home. Painted Prayers is a fascinating account of the centuries-old artistic traditions of women in village India, set forth in 170 full-color photographs that evoke the women's rich artistic heritage, and the pride and pleasure with which they regard their creative responsibilities. The knowledgeable text details the traditions, rituals, and beliefs behind this little-known art form and places this art in the context of contemporary Indian women's lives and the social realities of India today. This book is a splendid gallery of this diverse aspect of Indian art and a pictorial tour of the India travelers rarely see. Designs vary between the representational and the purely graphic: painted and sculpted images such as mounds of rice are drawn from local iconography, while elephants, peacocks and lotus blooms are symbols of the deities. Colors ranging from earth tones to reds, blues, yellow, green, and white make the designs stand out from the mud-covered walls and dusty streets, a vibrant testament to centuries of Indian women's artistic voices.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Learn To Draw Kolam Designs With 5 Dots Nolan Schumer,2021-07-07 This book covers kolams of varying complexity and for daily use and festive occasions. These kolams are so authentic and bring back old memories of growing up in south India where every street is adorned with kolams. Kōlam drawing is an integral part of South Indian tradition. Drawn freehand at the entrance to a home, kolam patterns represent the interconnected existence of the universe and its life forms, exemplifying geometrical symmetry, beauty and precision. The cultural and ritual significance of kolam is depicted in ancient Vedic literature as the interaction between space, time and energy denoting the symbolic mapping of the cosmos. By connecting the dots, the artist creates a complex network of intertwined designs that represents the rhythm of life, movement, health and happiness. The designs are hand-drawn

by women to honor, welcome and invite guests to their home and express gratitude to the divine. In this book, the author's mother illustrates the step-by-step process of connecting the dots to create simple to intricate kolams. It can be used by any art enthusiast to explore techniques for recreational drawing, team building activities, art projects, meditation and focus, or to simply study and practice South India's rich culture and tradition.
