*Keepers of Tradition* Maggie Holtzberg, 2008 Throughout Massachusetts, artists carry on and revitalize deeply rooted traditions that take many expressive forms--from Native American basketry to Yankee wooden boats, Armenian lace, Chinese seals, Puerto Rican santos, and Irish music and dance. These keepers of tradition are recognized in their communities as outstanding practitioners of craft, music, dance, and sacred arts. Yet much of this work is hidden to the public at large, remaining essentially unknown beyond the local community in which it flourishes. This beautifully illustrated volume celebrates and shares the work of a wide array of these living artists. Passed down from person to person within both long-settled and new immigrant communities, traditional art involves the shaping of deeply held cultural values into meaningful artistic forms. Keepers of Tradition presents material drawn from eight years of intensive field research by folklorists at the Massachusetts Cultural Council--an investigation that has taken researchers into the homes, kitchens, workshops, dance halls, places of worship, parade routes, and festival sites where traditional art is produced, used, valued, and displayed. Featuring more than sixty artists from communities across the state, Keepers of Tradition showcases high levels of mastery in diverse media--the uniformity and handiness of a Nantucket Lightship basket, the Native quill work on a

tobacco pouch, the vibrant colors and textures of a Caribbean Carnival costume, the exquisite gestures of Cambodian dance. At the same time, the text describes the deeply personal and cultural context for each piece of work. This volume is published in conjunction with an exhibition of the same name, organized by the Massachusetts Cultural Council and the National Heritage Museum in Lexington, Massachusetts, and on view there from May 2008 through February 2009.

*Painted Prayers* Stephen P. Huyler, 1994 For hundreds of years, Indian women have passed to their daughters the knowledge of the ritual wall and ground paintings and decorations of the home that function as messages to the deities for the health and well-being of Indian families. Some ground paintings are daily rituals, made every morning at dawn, while wall paintings and mud bas-reliefs are often made for special festivals to honor the deities and attract their benevolent attentions. It is the women of India who are responsible for communication with the gods on behalf of their families, governing the activities of family members, and maintaining the sanctity and order of the home. *Painted Prayers* is a fascinating account of the centuries-old artistic traditions of women in village India, set forth in 170 full-color photographs that evoke the women's rich artistic heritage, and the pride and pleasure with which they regard their creative responsibilities. The knowledgeable text details the traditions, rituals, and beliefs behind this little-known art form and places this art in the context of contemporary Indian women's lives and the social realities of India today. This book is a splendid gallery of this diverse aspect of Indian art and a pictorial tour of the India travelers rarely see. Designs vary between the representational and the purely graphic: painted and sculpted images such as mounds of rice are drawn from local iconography, while elephants, peacocks and lotus blooms are symbols of the deities. Colors ranging from earth tones to reds, blues, yellow, green, and white make the designs stand out from the mud-covered walls and dusty streets, a vibrant testament to centuries of Indian women's artistic voices.--BOOK

100 Days of Sunlight Abbie Emmons, 2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their

door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
