Like Water on Stone Dana Walrath, 2015-11-10 Evocative and hopeful, says Newbery Honor-Winner Rita Williams-Garcia of this intense survival story set during the Armenian genocide of 1915. It is 1914, and the Ottoman Empire is crumbling into violence. Beyond Anatolia, in the Armenian Highlands, Shahan Donabedian dreams of going to New York. Sosi, his twin sister, never wants to leave her home, especially now that she is in love. At first, only Papa, who counts Turks and Kurds among his closest friends, stands in Shahan's way. But when the Ottoman pashas set in motion their plans to eliminate all Armenians, neither twin has a choice. After a horrifying attack leaves them orphaned, they flee into the mountains, carrying their little sister, Mariam. But the children are not alone. An eagle watches over them as they run at night and hide each day, making their way across mountain ridges and rivers red with blood. A YALSA Best Fiction Nomination A Notable Books for a Global Society Award Winner A CBC Notable Social Studies Trade Book of the Year A Bank Street College of Education Best Book of the Year with Outstanding Merit "I have walked through the remnants of the Armenian civilization in Palu and Chunkush, I have stood on the banks of the Euphrates. And still I was unprepared for how deeply moved I would be by Dana Walrath's poignant, unflinching evocation of the Armenian Genocide. Her beautiful poetry and deft storytelling stayed with me long after I had finished this powerful novel in verse." —Chris Bohjalian, author of *The Sandcastle Girls* and *Close Your Eyes, Hold Hands* "A heartbreaking tale of familial love, blind trust, and the crushing of innocence. A fine and haunting work." —Karen Hesse, Newbery Medal-winning author of *Out of the Dust* "This eloquent verse novel brings one of history's great tragedies to life." —Margarita Engle, Newbery Honor-winning author of *The Surrender Tree* *This beautiful, yet at times brutally vivid, historical verse novel will bring this horrifying, tragic period to life for astute, mature readers. —School Library Journal, Starred A powerful tale balancing the graphic reality of genocide with a shining spirit of hope and bravery in young refugees coming to terms with their world.—Booklist "The emotional impact these events had on individuals will certainly resonate."—Kirkus Reviews

Dance of Divine Love Graham M. Schweig, 2018-06-26 The heart of this book is a dramatic love poem, the *Rasa Lila*, which is the ultimate focal point of one of the most treasured Sanskrit texts of India, the *Bhagavata Purana*. Judged a literary masterpiece by Indian and Western scholars alike, this work of poetic genius and soaring religious vision is one of the world's greatest sacred love stories and, as Graham Schweig clearly demonstrates, should be regarded as India's Song of Songs. The story presents the supreme deity as the youthful and amorous cowherd, Krishna, who joins his beloved maidens in an enchanting and celebratory dance of divine love. Schweig introduces this work of exquisite poetry and profound theology to the Western world in the form of a luminous translation and erudite scholarly treatment. His book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition, highlighting poignant details of this drama of divine love. Schweig illuminates the religious dimensions and ethical nuances of the drama, drawing widely from the commentaries and esoteric vision of masters of the Caitanya school of Vaishnavism, a prominent devotional Hindu tradition. Themes such as transcendence of death through love, the yoga of devotion, the contrast between worldly love and passionate love for God, and the dialectical tension between ethical boundaries and boundless love are presented. The final event of the *Rasa* dance, the author concludes, presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism.

The Expressive Instinct Girija Kaimal, 2022-10-21 Self-expression is a fundamental human drive. The need for self-expression can occur through many means both creative and mundane. The Expressive Instinct explains how the complexity of human experiences and the need to express them manifests more profoundly when distilled into artforms and dispels the idea that creativity is the domain of a select gifted few. The book explores the questions: What is the purpose of art in our lives? Could the desire for beauty, to be surrounded by elements of nature, be an innate need? Are art and creative expression essential for a good life? In this book, Dr. Kaimal links over 10 years of research, theories of evolutionary biology, brain sciences, as well as her own lifelong journey as an artist, scholar and educator in many personal and professional roles (textile designer, art therapist, researcher and educator). This book makes the case for why we as human beings need to stay creative and not lose our abilities to channel our inner lives in adaptive expressive ways. The arts, the book argues, are a container for the range of human experiences. Creative expression helps us practice and externalize imagination which in turn helps build resilience for dealing with uncertainty and change.

Simon at the Art Museum Christina Soontornvat, 2020-06-09 A little boy visits an art museum for the first time in this fun, sweet picture book about first experiences and seeing things from new perspectives. Simon is having a great time at the museum with his parents. There are slippery, slidey floors! Pigeons flying around the reflecting pool! And cheesecake in the café! But they're not really here for any of that. No, Simon has to look at art. And more art. So. Much. Art. There's so much art that soon Simon needs to take a break and finds somewhere to sit. From his bench, he begins to notice how many different people are visiting the museum and the many different ways they react to the art they see. Some people are alone. Some are in groups. Some people smile. Some shake their heads. Some even shed a tear. And Simon is right in the center of it, watching until he's inspired to give all the art another try. By the end of the day, he may even find a piece that can rival a slice of cheesecake!
