Shoot the Storm Annette Daniels Taylor,2022 Aaliyah saw her father Boogie-G killed on the park basketball courts. For a while, Aaliyah stopped talking, but after finding videos of her father rapping on stage, Aaliyah begins to rap. Two years later, she is at the top of her game on the basketball court and finding her rhythm with rap, until she sees her father's killer again. Aaliyah considers joining her father's old gang to avenge his death, but what will it cost her?--Provided by publisher.

Into the Storm Zigg Zagg,2017-04-26 Take a look into the mind and life of one of the most amazing female artists of all time as she describes what life was like growing up with Brotha Lynch Hung and becoming artists together. She tells how Lynch taught her how to rap and what life was like behind the scenes, from touring to fights and beyond. I am proud to introduce Zigg Zagg and her description of her life from a child until now.

Rapcore Dick Porter,2002-11-30 Rapcore explores the evolution of the 21st century s preeminent genre of heavy rock, Nu-Metal. Author Dick Porter defines the origins of the fusion of hip hop, punk, reggae, and rock that drives this popular sound. He discusses early innovators such as George Clinton and Run DMC, contemporary masters Kid Rock and Limp Bizkit, and peripheral but influential figures such as Ice-T, Eminem, and Rob Zombie. The contributions of Slipknot, Linkin Park, Papa Roach, and others are also covered.

Word Adrienne Anderson,2003 Word reintroduces you to the golden age of rap, when the burgeoning music movement was factioning into camps and stockpiling beats to become the best of the land. Author and journalist Adrienne Anderson personally experiences rap's political movement and takes you to the first signs of bling-bling rap's rise to the forefront. Word explores the strengths and weaknesses of hip-hop through interviews with such artists as the controversial rap group The Coup, alternative rappers Arrested Development, and commentaries on the self-destruction of hip-hop culture through in-fighting and the bi-coastal wars.

Triksta Nik Cohn,2007 A tantalizing study of a city, its music, and a way of life journeys inside the intense and violent world of New Orleans rap music to bring to life the evolution of the popular form of music, the people who make it, and the hidden culture that surrounds it. Reprint. 10,000 first printing.

Somebody Scream! Marcus Reeves,2009-03-17 A strong and timely book for the new day in hip-hop. Don't miss it!—Cornel West For many African Americans of a certain demographic the sixties and seventies were the golden age of political movements. The Civil Rights movement segued into the Black Power movement which begat the Black Arts movement. Fast forward to 1979 and the release of Sugarhill Gang's Rapper's Delight. With the onset of the Reagan years, we begin to see the unraveling of many of the advances fought for in the previous decades. Much of this occurred in the absence of credible, long-term leadership in the black community. Young blacks disillusioned with politics and feeling society no longer cared or looked out for their concerns started rapping with each other about their plight, becoming their own leaders on the battlefield of culture and birthing Hip-Hop in the process. In Somebody Scream, Marcus Reeves explores hip-hop music and its politics. Looking at ten artists that have impacted rap—from Run-DMC (Black Pop in a B-Boy Stance) to Eminem (Vanilla Nice)—and puts their music and celebrity in a larger socio-political context. In doing so, he tells the story of hip hop's rise from New York-based musical form to commercial music revolution to unifying expression for a post-black power generation.

Rap Music and Street Consciousness Cheryl Lynette Keyes,2004 In this first musicological history of rap music, Cheryl L. Keyes traces the genre's history from its roots in West African bardic traditions, the Jamaican dancehall tradition, and African American vernacular expressions to its permeation of the cultural mainstream as a major tenet of hip-hop lifestyle and culture. Rap music, according to Keyes, is a forum that addresses the political and economic disfranchisement of black youths and other groups, fosters ethnic pride, and displays culture values and aesthetics. Blending popular culture with folklore and ethnomusicology, Keyes offers a nuanced portrait of the artists, themes, and varying styles reflective of urban life and street consciousness. Drawing on the music, lives, politics, and interests of figures including Afrika Bambaataa, the godfather of hip-hop, and his Zulu Nation, George Clinton and Parliament-Funkadelic, Grandmaster Flash, Kool DJ Herc, MC Lyte, LL Cool J, De La Soul, Public Enemy, Ice-T, DJ Jazzy Jeff and the Fresh Prince, and The Last Poets, Rap Music and Street Consciousness challenges outsider views of the genre. The book also draws on ethnographic research done in New York, Los Angeles, Detroit and London, as well as interviews with performers, producers, directors, fans, and managers. Keyes's vivid and wide-ranging analysis covers the emergence and personas of female rappers and white rappers, the legal repercussions of technological advancements such as electronic mixing and digital sampling, the advent of rap music videos, and the existence of gangsta rap, Southern rap, acid rap, and dance-centered rap subgenres. Also considered are the crossover careers of rap artists in movies and television; rapper-turned-mogul phenomenons such as Queen Latifah; the multimedia empire of Sean P. Diddy Combs; the cataclysmic rise of Death Row Records; East Coast versus West Coast tensions; the deaths of Tupac Shakur and Christopher The Notorious B.I.G. Wallace; and the unification efforts of the Nation of Islam and the Hip-Hop Nation.

Old School Rap and Hip-hop Chris Woodstra,John Bush,Stephen Thomas Erlewine,2008 Contains brief reviews of over five hundred old school rap and hip-hop albums, as well as albums from the 1960s and 70s that provided inspiration for the development of rap; arranged alphabetically, some with cover art.

Fight The Power: Rap, Race and Reality Chuck D,Yusuf Jah,1998 His lyrics are a lesson in history. His songs are a movement in groove theory. His book is a light out of the dark that will change the way you think about America and the world as a whole. From Rap to Hip-Hop, Gangsta to Trip-Hop, Chuck D, his Bomb Squad, and his monumental band, Public Enemy, have been a sonic, singular, and transcendental force in modern music. As a poet and philosopher, Chuck D has been the hard rhymer, rolling anthems off his tongue in an era of apathy, tapping into the youth culture of the world for more than a decade. Fight the Power, his first book, part memoir, part treatise, part State of the Union Address, is a testament to his nearly twenty years in the music business and his experiences around the world. Here is a history of one of the most important and controversial musical movements of our century, its impact on modern culture, and the heroes and victims it has created in its wake. Chuck D has never been just a rapper. He's an artist, a rock 'n' roll star who's shared the spotlight with everyone from U2 to Anthrax. He's fought to bridge the gap between musical genres and cultural differences. He is truly the voice of a generation. Startling, gripping, and uncompromising, Fight the Power is most of all the story of one man's struggle to bring about change in this difficult world at all costs. It is certain to take its place among the classics of African American experience.

The 'Hood Comes First Murray Forman,2002-04-30 Examines the significance of the 'hood in rap and hip hop

From Grassroots to Comercialization: Hip Hop and Rap Music in the USA Karl Kovacs,2014-04-01 In the past three decades hip hop has developed from an underground movement in one of New York City's poorest boroughs, the Bronx, to a worldwide multi-billion-dollar industry. Nowadays one could not imagine chart shows, discos or house-parties without rap music. According to Guthrie P. Ramsey, Jr., rap music, which belongs under the cultural umbrella called hip hop, 'is virtually everywhere: television, radio, film, magazines, art galleries, and in 'underground' culture'. In this work Karl Kovacs will examine the reasons for hip hop's international success, the dangers of it, and the motivations rappers had and still have to pursue their art. It is yet to be answered if the success of this form of art has been a blessing or a curse for its performers and their audience, the so-called hip hop generation.

The Music Sound Nicolae Sfetcu,2014-05-07 A guide for music: compositions, events, forms, genres, groups, history, industry, instruments, language, live music, musicians, songs, musicology, techniques, terminology , theory, music video. Music is a human activity which involves structured and audible sounds, which is used for artistic or aesthetic, entertainment, or ceremonial purposes. The traditional or classical European aspects of music often listed are those elements given primacy in European-influenced classical music: melody, harmony, rhythm, tone color/timbre, and form. A more comprehensive list is given by stating the aspects of sound: pitch, timbre, loudness, and duration. Common terms used to discuss particular pieces include melody, which is a succession of notes heard as some sort of unit; chord, which is a simultaneity of notes

heard as some sort of unit; chord progression, which is a succession of chords (simultaneity succession); harmony, which is the relationship between two or more pitches; counterpoint, which is the simultaneity and organization of different melodies; and rhythm, which is the organization of the durational aspects of music.

Kanye West Elise O.,2012-03-14 ABOUT THE BOOK Love him or hate him, Kanye West is one of the biggest rap artists in history. With numerous Grammy Awards and six platinum albums, West has diversified the face and sound of rap music. Before Kanye took rap by storm in 2004, the rap scene was almost completely dominated by gangster rap. Kanye's middle class background and preppy image breathed new life into what had become a one-dimensional music genre. Kanye's rise to fame did not come easy. His mother, Dr. Donda West, had always hoped Kanye would graduate college and pursue higher education. Professionally, Kanye struggled to be taken seriously as a solo rapper, even after he successfully collaborated with notable rappers like Jay Z. As soon as Roc-A-Fella music signed Kanye, though, he began churning out platinum albums. Once Kanye was firmly established in his music career, the only person getting in the way of Kanye West was Kanye West. His public temper tantrums, though interesting at first, have slowly whittled away at his professional image. His petulant behavior has garnered him enormous amounts of negative attention from the general public and people in public office. Two United States Presidents have criticized Kanye West's attitude and actions. EXCERPT FROM THE BOOK Kanye Omari West was born June 8th, 1977, in Atlanta, Georgia. Both of his parents came from an intellectual background. Kanye's father, Ray West, was a photographer for The Atlanta Journal-Constitution and a former member of the Black Panthers. His mother, Dr. Donda West, was a professor of English. In Atlanta, Donda taught at Clark Atlanta University. When Kanye was only three years old, his parents divorced. His mother left Clark Atlanta University for Chicago, Illinois. There, Donda assumed a position as the chair of the English Department at Chicago State University. Kanye grew up in a middle class neighborhood in on the South Side of Chicago with his mother, though he spent each summer with his father in Washington, D.C.. In an interview Donda recalls, We had such a full and rich lifestyle when we didn't have a lot. There were benefits to being a university professor. Our staying in China for a year was because I was a foreign expert to the People's Republic of China, teaching English. Donda made sure that Kanye received the best education possible. She sent Kanye to good schools, and arranged extra curricular activities that stimulated his artistic inclinations. Donda was consciously trying to raise a future leader, and taught Kanye to always speak his mind. Donda says There is no room for shyness. I raised him that way, to think critically and analytically and not be afraid to voice what you feel. I helped shape that. I think leaders are people who must do that. CHAPTER OUTLINE Kanye West + Introduction + A Middle Class Youth: + Behind the Scenes + The Turning Point + ...and much more ...buy the book to continue reading!

Hip-hop Revolution Jeffrey Ogbonna Green Ogbar,2007 As hip-hop artists constantly struggle to keep it real, this fascinating study examines the debates over the core codes of hip-hop authenticity--as it reflects and reacts to problematic black images in popular culture--placing hip-hop in its proper cultural, political, and social contexts.

Blowin' Up Jooyoung Lee,2016-03-23 Dr. Dre. Snoop Dogg. Ice Cube. Some of the biggest stars in hip hop made their careers in Los Angeles. And today there is a new generation of young, mostly black, men busting out rhymes and hoping to one day find themselves "blowin' up"—getting signed to a record label and becoming famous. Many of these aspiring rappers get their start in Leimart Park, home to the legendary hip hop open-mic workshop Project Blowed. In *Blowin' Up*, Jooyoung Lee takes us deep inside Project Blowed and the surrounding music industry, offering an unparalleled look at hip hop in the making. While most books on rap are written from the perspective of listeners and the market, *Blowin' Up* looks specifically at the creative side of rappers. As Lee shows, learning how to rap involves a great deal of discipline, and it takes practice to acquire the necessary skills to put on a good show. Along with Lee—who is himself a pop-locker—we watch as the rappers at Project Blowed learn the basics, from how to hold a microphone to how to control their breath amid all those words. And we meet rappers like E. Crimsin, Nocando, VerBS, and Flawliss as they freestyle and battle with each other. For the men at Project Blowed, hip hop offers a creative alternative to the gang lifestyle, substituting verbal competition for physical violence, and provides an outlet for setting goals and working toward them. Engagingly descriptive and chock-full of entertaining personalities and real-life vignettes, *Blowin' Up* not only delivers a behind-the-scenes view of the underground world of hip hop, but also makes a strong case for supporting the creative aspirations of young, urban, black men, who are often growing up in the shadow of gang violence and dead-end jobs.

The Rap Scout® Presents: Future Rap Stars 2020-21 The Rap Scout®, This book contains profiles for twelve up-and-coming Rappers whose careers should blossom over the course of the year 2021. The Rap Scout® is a revolutionary service created to help artists and fans better understand and appreciate the qualities 'good' rappers possess. 'Scouted' Rappers are assessed via a Rating System comprised of Twelve criteria , and scored 1-10 for each of them. A cumulative score is tallied to provide an overall 'Quality Rating', and individual scores for each criteria can be further studied for particular strengths and weaknesses possessed by the artist. Needless to say, this revolutionary tool will go a long way towards clarifying questions about the respective value of Rappers both past and present.

The History of Rap and Hip-Hop Soren Baker,2012-06-22 Hip-hop culture has grown from its humble beginnings in the South Bronx section of New York City into a significant and influential cultural movement. This volume examines the rich history and promising future of this musical genre. Created in the mid-1970s by poor Bronx residents with few resources, hip-hop has become a billion-dollar industry whose reach now stretches around the world. Hip-hop has influenced the way people make music, the way they dance, and the way they wear their clothes. It has also shaped people's political views and turned many people into entrepreneurs.

The History of Hip Hop Eric Reese,2019-03-01 Boombox Echoes: The Definitive Hip-Hop Journey of the 80s *** Author of Rapper's Delight essay currently archived at the Library of Congress *** *** Guest speaker of BBC2 Radio Rapper's Delight 40th Anniversary by DJ Trevor Nelson - September 2019 *** Immerse yourself in a time of lyrical innovation, funky beats, and social commentary with Eric Reese's History of Hip Hop: Volume 2. This pivotal decade propelled hip-hop from urban streets into the global consciousness, becoming an unstoppable force in the world of music. Embark on a journey from the birth of iconic hip-hop groups like Public Enemy, N.W.A., and Run-D.M.C., to the rise of the 'Golden Age of Hip Hop'. Discover the unique blend of social critique and storytelling which defined this era, as well as the emergence of beatboxing and lyrical innovation that continues to influence modern hip-hop. Beyond just music, Reese explores the social and cultural impact of hip-hop, including its influence on fashion, cinema, and its role in highlighting racial and social issues. The 80s saw hip-hop evolve from a nascent movement into a culture-shaping phenomenon. In this insightful guide, you'll dive into: Old School vs New School: The defining elements and key artists of each sub-genre The Birth of Gangsta Rap: How N.W.A. and Ice-T pioneered a controversial sub-genre The Breakdance Revolution: The impact of hip-hop on dance culture From Vinyl to MTV: The role of media and technology in promoting hip-hop Hip-Hop Activism: The genre's influence on socio-political discussions East Coast vs West Coast: The geographical influences shaping hip-hop's evolution History of Hip Hop: Volume 2 provides an in-depth look at a decade when hip-hop found its voice and used it to challenge the status quo. This was the era when hip-hop boomed from every boombox, narrating the struggles and victories of urban life. Experience the decade where hip-hop found its rhythm, shook the world, and proved it was here to stay. Embrace the echoes of the boombox era and delve into a decade that changed the musical landscape forever. Rap Music Jennifer Keeley,2001 About rap music in the United States.

Gangster Rap and Its Social Cost Benjamin P. Bowser,2012 Rap music and its gangster rap variant are now far too important and influential in American life to be ignored by the general public and research communities alike. Artists and promoters alike have made a number of questionable claims about the authenticity and impact of their music that have been taken for granted and not been critically assessed. Those who have written about from communications, music and cultural studies have provided an important but relatively fixed narrative that leaves the central claims and impacts of this entrepreneur unaddressed. It is in this context that the author Benjamin Bowser began studying hip hop and gangster rap precisely because the influence of this movement and music on African American adolescents HIV infection risk takers. At the same time, the frequent use of the N-word by gangster rappers has become a major unaddressed issue in civil rights that has also not been studied. Furthermore, an important reason to study these unaddressed issues is to not only better understand them, but to offer solutions to the problems they pose and to improve the quality of life of all involved. Within the rapidly growing literature on hip hop and gangster rap, *Gangster Rap and Its Social Cost* stands out from the rest because it provides a number of unique contributions. First, based upon a community case study, the author asserts that gangster rap has empowered white racists and, as a consequence, has reduced the quality of life and civil rights of listeners and non-listeners alike. Second, this book goes to great length to make a serious distinction between gangster rap and hip hop. Disentangling one from the other opens the door to a more focused and critical analysis of gangster rap and provides an outline of the unmet potential of rap in hip hop. Third, national surveys are used as evidence in the debate about the size and characteristics of the rap and hip hop listener audiences. There are some surprises here that should reframe the controversy on who listens to and buys rap music. Fourth, there is a first generation of psychological and social scientific research on rap music that is summarized through 2011. Finally, the problems in gangster rap are not inevitable and we do not have to live with them. They can be effectively addressed without attacking the civil liberties of gangster rappers or their corporate sponsors. *Gangster Rap and Its Social Cost* is must reading for young adults, parents, those who both enjoy and dislike rap music, and students in sociology, psychology, ethnic studies, communication, music, community studies and public health.

The Top Books of the Year Rapcore&sortm The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Rapcore&sortm : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
