The Rock City Raptor Paul Michael Sturman,2013-02-15 I am a 68 years old man Father of 4 Grandfather of 6. In early 1960s I saw John F Kennedy speak at my High School in Pocatello, Idaho. I have had a fascination with the surrounding of his murder and read everything I could find on the subject. I asked myself the question what if the official version was wrong. Thirty some odd years ago I began to write my own fictional interpretation of the events. With the encouragement of family members especially my wife I was persuaded to finish it and continue writing stories. I hope you will enjoy my second book as much as I enjoyed writing it.
