Starport (Graphic Novel) George R. R. Martin,2019-03-12 Law & Order meets Men in Black in this graphic novel adaptation of an unproduced TV pilot script by the author of *A Game of Thrones*—a never-before-seen story brought to life for the first time! SECOND CITY. FIRST CONTACT. Ten years ago, representatives from an interstellar collective of 314 alien species landed on Earth, inviting us to become number 315. Now, after seemingly endless delays, the Starport in Chicago is operational, a destination for diplomats, merchants, and tourists alike. Inside, visitors are governed by intergalactic treaty. Outside, the streets belong to Chicago's finest. Charlie Baker, newly promoted to the squad that oversees the Starport district, is eager to put to practical use his enthusiasm for all things extraterrestrial; he just never expected to arrive on his first day in the back of a police cruiser. Lieutenant Bobbi Kelleher is married to the job, which often puts her in conflict with

Lyhanne Nhar-Lys, security champion of Starport and one of the galaxy's fiercest warriors. Undercover with a gang of anti-alien extremists, Detective Aaron Stein has no problem mixing business with pleasure—until he stumbles upon evidence of a plot to assassinate a controversial trade envoy with a cache of stolen ray guns. Now the Chicago PD must stop these nutjobs before they piss off the entire universe. Based on a TV pilot script written by George R. R. Martin in 1994 and adapted and illustrated by Hugo Award-nominated artist Raya Golden, this bold and brilliant graphic novel adaptation at last brings Martin's singular vision to rollicking life. With all the intrigue, ingenuity, and atmosphere that made *A Game of Thrones* a worldwide phenomenon, *Starport* launches a new chapter in the career of a sci-fi/fantasy superstar.

History of Orissa KRISHNA CHANDRA PANIGRAHI, 2023-01-05 An exhaustive, yet fascinating, account of the history of Odisha (earlier Orissa) from the prehistoric times to 1568 CE by synthesising authentic evidence from the original sources such as literary, epigraphic, numismatics, archaeological, historical, and travellers' accounts in chronological order... First published in 1981, the book has undergone several editions and is widely acclaimed and ranks among the most authentic historical books on the history and culture of Odisha. The book is divided into 19 chapters. The first—Introductory Chapter—explores the prehistoric period against the backdrop of the topographic setting of the region. Chapters 2 to 12 deal with the dynastic history of Odisha, while the remaining chapters, i.e., from 13 to 19 throw light on the vibrant cultural diversities of Odisha, especially the administrative organisations, socio-economic conditions, religious traditions, art and architecture, and colonial expansion. In addition, there are six elaborate appendices, where the author examines, dissects, and elucidates on various intriguing issues and old theories: situating the date of Kharavela; the accounts of Arab travellers; the historicity of the Madala Panji; and the research credibility of “Odia Mahabharat” by Sarala Dasa. Each chapter

contains references and a bibliography of selected works by other scholars who have worked in the field. The book provides a comprehensive index, and illustrations in the book outline the rich archaeological monuments and heritage of Odisha. This scholarly work connects the land, culture, and history of Odisha through the times past up until 1568 CE. The Unexpected Friend: A Rohingya Children's Story Raya Rashna Rahman,2019-11 A thoughtfully illustrated picture book, made in partnership with Save the Children, and based on the real lives of Rohingya children living in the refugee camps of Cox's Bazar, Bangladesh. The Rohingya are a Muslim minority of 1.3 million, formerly living in the Rakhine State within Myanmar. In summer 2017, hundreds of thousands of Rohingya people fled violence in their home and sought safety in neighboring Bangladesh. More than half of those fleeing were children. The story centers around Faisal, a young Rohingya boy in a Bangladeshi refugee camp, who finds a bird with a broken wing and decides to take care of it with his sisters. Life in the camp is not always easy, so the children are thrilled to have a pet to look after. But as the bird's wing slowly heals, they are faced with a difficult choice. Can they let go of something they dearly love? Themed around universal childhood joys that are relatable by all children, the story helps young children to empathize with situations that are different than their own. With artwork that authentically depicts life in a

crowded refugee camp, 'The Unexpected Friend - A Rohingya Children's Story' is a fitting book to introduce children to social justice, specifically the worldwide refugee humanitarian crisis. Profits from the sale of this book will be donated to Save the Children's Rohingya Relief Fund.

Family Histories of World War II Róisín Healy, Gearóid Barry, 2021-10-07 Expertly contextualized by two leading historians in the field, this unique collection offers 13 accounts of individual experiences of World War II from across Europe. It sees contributors describe their recent ancestors' experiences ranging from a Royal Air Force pilot captured in Yugoslavia and a Spanish communist in the French resistance to two young Jewish girls caught in the siege of Leningrad. Contributors draw upon a variety of sources, such as contemporary diaries and letters, unpublished postwar memoirs, video footage as well as conversations in the family setting. These chapters attest to the enormous impact that war stories of family members had on subsequent generations. The story of a father who survived Nazi captivity became a lesson in resilience for a daughter with personal difficulties, whereas the story of a grandfather who served the Nazis became a burden that divided the family. At its heart, *Family Histories of World War II* concerns human experiences in supremely difficult times and their meaning for subsequent generations.
