**Upstate** Lisa Przystup,2020-10-27 This inspiring collection of compelling and characterful interiors will have city and country dwellers alike dreaming of carving out a personal haven far beyond the big city. Through two hundred newly commissioned photographs and engaging profiles of twelve unique, personal, and creative interiors on both sides of the Hudson, Upstate features a variety of spaces--from tranquil minimalist retreats to exuberant small-town residences. Among them are a farmhouse of globetrotting food photographers, a lavender-hued Victorian brimming with eclectic curios, a striking cottage with modern furnishings and elegant Georgian bones, and the country-house-on-acid of an artist and art director, complete with giant mushroom side tables and permanently installed party streamers. Shared by these distinctive spaces is a common approach to decoration that centers on collections gradually accumulated, delights in the handmade, embraces the beauty in imperfection, and values comfort and character above all.

*Mamluk ‘Askari 1250–1517* David Nicolle,2014-11-20 New archaeological material and research underpins this extensive, detailed and beautifully illustrated account of the famous Mamluk Askars who are credited with finally defeating and expelling the Crusaders, halting the Mongol invasion of the Islamic Middle East, and facing down Tamerlane. Probably the ultimate professional soldiers of the medieval period they were supposedly recruited as adolescent slaves, though recent research has begun to undermine this oversimplified interpretation of what has been called the Mamluk phenomenon.
