Enemies in the Rear; Or a Golden Circle Squared Francis T. Hoover, 2015-07-03 Excerpt from *Enemies in the Rear; Or a Golden Circle Squared: A Story of Southeastern Pennsylvania in the Time of Our Civil War* The ocean, when acted upon by a strong wind, rolls its waters in mighty waves, and these in turn produce smaller waves in the inlets and retired coves where the wind itself may be felt but little, if at all. So during the war the agitation and conflict were not all confined to the army and navy, the capital and the great cities. Remote districts and obscure country places also felt the great movements and were stirred, though of course in a smaller degree. And that in such localities many thrilling episodes occurred we can readily believe if we will but remember that in those days there were enrolling officers, drafts, and Knights of the Golden Circle. What the side-shows are to the main exhibition were some of the incidents happening in neighborhoods remote from the seat of war to the greater conflict itself; and even as in the side-shows queerer objects are often to be seen than in the main exhibition, so perhaps in these incidents stranger phases of character and modes of thought and action were manifested than in the principal drama. As illustrative of these observations the march of the Copton Brigade may be cited. What more ridiculous yet more strongly indicative of the sentiment of multitudes of people in certain parts of the North at that period than that famous expedition? The Rear-guard of the Revolution James Roberts Gilmore, 1888

Rear Guard James Warner Bellah, 2022-01-13 He writes about the west like he won it in a poker game, *Time Magazine* In the horrific quiet before the battle, Captain MacLaw handed his pistol to the woman he loved and said: There are six cartridges. Save one for yourself. If it came to that, she would... and take six savages with her. Over a thousand Indians are coming to attack the wagon train, kill the men, and ravish the women. The Captain's troop of forty battle-weary men, willing to fight to the death, is all that stands between the Indians rampage and a massacre.

My Vietnam Journal E. M. Hamilton, 2006 This nonfiction work follows the life of Marine Corps Captain Bud Hamilton, while he serves a thirteen-month tour of duty in Vietnam. His lively experiences and observations are conveyed through excerpts from his personal journal and selections from the letters written by Bud and his wife, Marilyn. Using this method of exposition, we follow the evolution of Bud's view of the situation in Vietnam during the critical period of May 1967 through May 1968. Newspaper headlines help frame world events occurring during these troubled times. The journal entries portray Bud's public persona and provide insight into his shifting assessment of the war effort from the perspective of an officer in a support role for a unit stationed near DaNang. Bud's conclusions sometimes contrast with the intimate correspondence that he and Marilyn trade. Their letters reveal the true feelings and misgivings that they share concerning the political decisions and public protests in the United States. In both his journal and in his letters, Bud is quick to describe the humorous and bizarre events that take place in a military unit serving Vietnam in the rear with the gear.

Rear View Pete Duval, 2004 With uncanny insight and deadpan humor, the twelve stories in Pete Duval's debut collection feature night shift workers, lapsed Catholics, bullies, and smalltime thieves struggling with their jobs, their religion, and their families. Duval records in a fresh, off-kilter voice the desperate measures, heated confrontations, and moments of grace that occur in working-class communities. Throughout the collection, Duval explores his characters with compassion and candor and an eye for the surprising moment.

Bulwark Against the Bay Mary Jo O'Rear, 2017-02-03 After a devastating hurricane in 1919, the people of Corpus Christi faced the stark reality of their vulnerability. It was clear that something had to be done, but the mere will to take precautionary measures did not necessarily lead the way. Instead, two decades would pass before an effective solution was in place. Mary Jo O'Rear, author of *Storm over the Bay*, returns to tell the story of a city's long and often frustrating path to protecting itself. *Bulwark Against the Bay* reveals the struggle to construct a seawall was not merely an engineering challenge; it was also bound up with the growing popularity of the Ku Klux Klan, local aversion to Roman Catholicism, the emergence of the League of United Latin American Citizens, new efforts on behalf of African American equality, the impact of the Great Depression, support for Franklin Roosevelt, and reactions to the New Deal. A case study of a community wrestling with itself even as it races with the clock, *Bulwark Against the Bay* adds to our understanding of urban history, boardroom and backroom politics, and the often harsh realities of geography and climate.

From Opposite Sides of the Periscope Capt. David C. Minton III USN, Rear Adm. Alfred S. Berzin USSR, 2018-02-20

With a war raging in Indochina and a Cold War raging in secret, the spring of 1972 was a perilous time. The question everyone wanted an answer to was whether the bombing and mining campaigns of the Hanoi and Haiphong harbors, announced by President Nixon on May 8, would cause the Soviet Union and the United States of America to collide. During several weeks in 1972, one lone nuclear submarine prevented the tactical morass of the Vietnam War from turning the Cold War hot. The submarine, USS Guardfish (SSN612) commanded by Cmdr. David C. Minton III, secretly followed a Soviet nuclear guided missile submarine K 184 commanded by Capt. First Rank Alfred S. Berzin, from Vladivostok to the South China Sea, in the wake of the mining of the Haiphong and Hanoi harbors, providing real-time information on the Soviet submarine threat. Follow two young commanders who led different lives but had surprisingly similar careers until they converged in the waters off of Vladivostok.

The Few ? Rear Admiral Joseph H. Miller, 2012-05 Jesus said, Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. An attempt is made to identify the Few. One learns there will be many more people who are not among the Few. The problem is complicated in that most Christians are not true Christians. They will not be among the Few. A large number of Christians use the church as a social phenomenon. They have been called the Christian Paganism. The last judgment is that of the Great White Throne Judgment and will reveal billions who had rejected God's Grace, refused His Mercy, and spurned His Love. The unbelievers are raised at the end of the 1000 years of Christ reign on earth. (The believers are raised at the beginning of Christ's reign on earth.) This is the unsaved of all ages. Billions upon billions will stand before God and be judged guilty. They are described as death and hell and are cast into the lake of fire, which is the Second Death. Billions and billions will die the Second Death. Read on to learn who are the Few.

Obedience Rear Admiral Joseph H. Miller, 2013-07-15 What is Obedience? If one is guilty of one sin they are guilty of all sin. (James 2:10) Obedience is absolute! Our studies and our experiences make our knowledge and with them we develop the facts of our lives. Our faith must be with works. Even so faith, if it hath not works, is dead, being alone. (James 2:17) One cannot worship without gifts to God. We are all one in Christ. We have freedom of choice. Our lives must be changed. Part Two: The Time Machine There are 66 thirty-year generations since the time of Christ for your review. How do you and your generation compare? Read on and learn the history.

Catch the Sparrow Rachel Rear, 2022-02-01 The gripping story of a young woman's murder, unsolved for over two decades, brilliantly investigated and reconstructed by her stepsister. Growing up, Rachel Rear knew the story of Stephanie Kupchynsky's disappearance. The beautiful violinist and teacher had fled an abusive relationship on Martha's Vineyard and made a new start for herself near Rochester, NY. She was at the height of her life-in a relationship with a man she hoped to marry and close to her students and her family. And then, one morning, she was gone. Around Rochester-a region which has spawned such serial killers as Arthur Shawcross and the "Double Initial" killer-Stephanie's disappearance was just a familiar sort of news item. But Rachel had more reason than most to be haunted by this particular story of a missing woman: Rachel's mother had married Stephanie's father after the crime, and Rachel grew up in the shadow of her stepsister's legacy. In Catch the Sparrow, Rachel Rear writes a compulsively readable and unerringly poignant reconstruction of the case's dark and serpentine path across more than two decades. Obsessively cataloging the crime and its costs, drawing intimately closer to the details than any journalist could, she reveals how a dysfunctional justice system laid the groundwork for Stephanie's murder and stymied the investigation for more than twenty years, and what those hard years meant for the lives of Stephanie's family and loved ones. Startling, unputdownable, and deeply moving, Catch the Sparrow is a retelling of a crime like no other.

After 400 Years of the King James Version of the Bible Rear Admiral Joseph H. Miller, 2011-11-15 The King James Version has proved itself for 400 years. The greatest translators in history translated it. A king directed them to translate it into English reproducing the original language of Gods Word as close as possible. One must use a literal translation. My review suggests only three qualify: The King James Version, English Standard Version, and the New Revised Standard Version. The Dynamic Equivalent translations are not recommended because they omit or add words to Gods original Words. First things are put first with a technique of presenting Gods Word to an individual who has never heard the name of Jesus. The best criteria for selecting a Bible translation are outlined including a back-up Bible. Five bits of knowledge needed for Bible study are given. The spirituality of the translators including Wycliffe and Tyndale are noted. The King James Bible used today is the 1769 edition by Blayney. Over 50 martyrs who died for Gods Word are reviewed. One of the greatest military battles for the preservation of Gods Word is reviewed in detail. There have been no manuscript discoveries that change the doctrine of the King James Bible.
