The Boy in Red Shorts Samy Tshileu ,2020-10-03 The Boy in Red Shorts is a self-reflection memoir of early life of Samy Tshileu. The journey begins from his birth in a small village of Kakona in the Democratic Republic of the Congo (D.R.C.) and ends with his arrival in the United States of America. The vast majority of stories within the book take place in numerous villages in the D.R. Congo, displaying obstacles and challenges dealt with while living in those environments. Despite difficulties and disadvantages Samy experienced while living in the Congo, the book also values positive self-esteem through demonstrating decision making, based on spiritual leading from God. The aim is to encourage individuals to never give up and to provide a new perspective to life. Furthermore, the book indicates that, with God, anything is possible. The truth is in front of you and the reaction is yours. The struggle is real! Whether poor or rich, we all go against odds of all kinds either financially, socially, spiritually, or even culturally. Standing firm to overcome these odds is often challenging. But if we allow God to enter our lives, the impossible will become possible. Don't wait to read the book, for the longer you wait the more time you waste. If I was able to overcome my odds, so can you. Whatever is preventing you from shining can be defeated, if you put God in the center of your life. And, reading this book will enlighten you; to see the impossible things God has done in my life. My wish is that it will give hope so that the same thing may happen in your life, with new perspective that life is a journey, worth sharing with God. Time is relevant. Every second becomes past, present, and future. So, past events influence events that follow; meaning future events are shaped by past events. You should not allow the past events to force you to lose hope for doing great things. Rather, do the opposite. I am very moved to share my life story because I want you to hold onto hope. Because unexpected things can happen along the way of your journey. In this book, you will find that the biggest enemy is the doubt within your own head. In my case, there were voices that often discouraged me; that I would never leave the D.R. Congo, I would never succeed because I was not good enough to speak English, and had no money to afford to travel. But if you are going through the same things, I hope to encourage you to never give up! Feelings like these can be misleading sometimes. It's important to stand your ground, to follow God's lead, for His plans are greater than your own. Today, I testify what God has done in my life. From being a neglected child in Africa, to becoming a student in America is God's miracle.

Jobs she has done well

while keeping her eyes and ears open and her mouth shut. Now, she must find a way to get her sister Ayanna and herself out before the hammer falls. But leaving will not be easy. Red is resourceful and cunning, but will it be enough to keep her sister alive? In "Daddy Werewolf," Hayley Roamer is just about the cutest young lady ever. She has a mischievous streak, as well as very little fear of the world around her. But to slap a wolf? What is she thinking?

Short Story Press Presents Our Red Thread Short Story Press, Katie Farrison, 2012-09-28 Short Story Press Presents Our Red Thread by Katie Farrison Our Red Thread is a story of love, depression, and finding happiness with the one you love. The red thread theory, or the red string of fate, is the belief that there is a red thread connecting two people who are destined to be together. That no matter what obstacles there are between them, nothing will keep them apart. Cora and Lewis, two youths with seemingly nothing in common, come together in spite of their peers. Unlikely friends fall in love, and four years later their life together seems perfect: Lewis has a high-paying job, the two share a luxury apartment in the city, and Lewis is ready to ask Cora to marry him. But what happens when Cora disappears without a word? How does Lewis react when he sees her lurking in the doorway at one of his conferences? When he decides that he needs to find out why she left, he gets more than he bargained for. Short Story Press publishes short stories written by everyday writers.

Radio-frequency Dielectric Drying of Short Lengths of Northern Red Oak William Turner Simpson, 1980 Northern red oak boards, 1 inch thick by 4 inches wide by 24 inches long, were dried from an initial moisture content of approximately 80 percent of various final moisture contents by radiofrequency electrical energy. Drying occurred rapidly above the fiber saturation point, but slowed down considerably below this moisture content. With the drying system used in this investigation, the average moisture content could be reduced in 15 minutes from 80 to 25 percent. However, the level of degrade in boards dried to 25 percent or below was probably too high for many oak products in which honeycomb is an important defect. The results did suggest that radiofrequency drying has some potential as a predrying process to be followed by lower temperature drying. (Author).

Short Film Starring My Beloved's Red Bronco K. Iver, 2023-01-10 Short Film Starring My Beloved's Red Bronco, selected by Tyehimba Jess for the 2022 Ballard Spahr Prize for Poetry, is an aching tribute to the power and precarity of queer love. In small-town Mississippi, before the aughts, a child "assigned 'woman'" and a boy "forced to call / himself a girl" love one another—from afar, behind closed doors, in motels. The child survives an injurious mother and the beast-shaped men she brings home; the boy becomes a

soldier. Years later, the boy—the eponymous beloved, Missy—dies by suicide, kicking up a riptide of memory. This is where K. Iver writes, at the confluence of love poem and elegy. “I say to the water if you were here, / you’d be here.” With cinematic precision, they conjure dorm-room landlines, the lingering sweetness of shared candy, a ballet strap and “soft / fingers tracing it, afraid to touch / the skin.” They punctuate depictions of familial abuse and the cruel politics of the Deep South with fairy tales: a girl who endures abuse refusing to grow into a mother who inflicts it herself, queer youth kissing fearlessly, bodies transcending the violence of a reductive gender binary. In these fantasies, “there’s no / reason to leave town no hidden / torches waiting for us to fall asleep.” Short Film Starring My Beloved’s Red Bronco sees us through a particular kind of grief—one so relentless, it’s precious. It presses us, also, to continue advocating for a world in which queer love fantasies become reality and queer love poems “swaddle the impossible / contours of joy.”

The Adventure of the Red Circle - A Sherlock Holmes Short Story Arthur Conan Doyle, 2023-04-13 Join Sherlock Holmes as he investigates a quietly curious tenant who only communicates with his landlady through a series of notes in broken English. Mrs. Warren comes to 221B Baker Street to ask for Sherlock Holmes' help after a new tenant moves into her rooms. The gentle landlady is concerned that her tenant isn't all he first appeared to be. After requesting to pay double the current rent on the condition of getting the room on his own terms, the tenant hasn't been seen. He leaves requests in notes on a chair outside his door, and this is also where he collects his meals, but Mrs. Warren is concerned that something darker lurks behind these curious circumstances. First published in 1911, 'The Adventure of the Red Circle' is a thrilling and suspenseful story, not to be missed by fans of detective fiction. This edition features a specially commissioned introduction alongside an article by Arthur Conan Doyle.

Red Comet Heather Clark, 2020-10-27 PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. “One of the most beautiful biographies I've ever read. —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather Clark brings to

life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath’s work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath’s world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark’s clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath’s suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark’s meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.
