**Lo Desconocido Del Amor** Jose Marcos Morales Quintal,2005 Por que nos enamoramos de una persona y no de otra? Que leyes rigen al amor y cual es su mecanismo? Estas y otras preguntas ahora ya tienen respuesta. Dos amigos las descubrieron. Warrior se enamora de una mujer casada y se lo dice a su amigo Carlos. A partir de esta confesion, los dos se empenan en averiguar el mecanismo del enamoramiento y del amor. Van atravesando una serie de vivencias y poco a poco van construyendo una teoria completa que les abre los ojos. Ellos descubren por que nos enamoramos y como funcionan los sentimientos; con las habilidades numericas de Carlos, hasta deducen la formula matematica del enamoramiento. Su teoria trae respuesta a muchas preguntas relacionadas a los sentimientos que hasta hoy no tenian respuesta. Esto revolucionara los conceptos del amor en la vida real.

Las Lilas de Los Rododendros Juan Carlos Perez Gomez,2013-03 José Aparicio sabe que los grandes proyectos, como las almas grandes, son sustentados por profundas raíces forjadas con el trabajo honesto del que no busca destacar sino fluir con la vida. Tras un largo y desafiante trabajo de arquitectura sostenible, José Aparicio regresa a Enguera, su pueblo natal. Se alojará en la solariega casa de la familia, hoy cargada de nostalgia. En el pueblo hubo un convento habitado por frailes carmelitas. Atrapado por los recuerdos de la infancia, José entra en él. Ante el Sagrario halló a un anciano que aún asustadizo y esquivo, le miró con clemencia. Dejó la oración para dirigirse al incógnito visitante. Era, Fr. Josephus del Santísimo Sacramento, antiguo prior del convento que, todavía no se había marchado. Del afecto que surge entre ambos, llevan al carmelita a entregar al joven un manuscrito que le cambiará la visión del mundo. El compendio de pliegos, servirá de pretexto, para cada tarde, mantener hondas conversaciones sobre la vida, la muerte, la historia, las creencias, tratados desde la experiencia que dan trescientos años esperando a que alguien como José, apareciera. El porqué ha permanecido tanto tiempo Fr. Josephus en silencio y ha tenido que ser un joven arquitecto del pueblo el depositario del manuscrito, lo descubriremos gracias a otros protagonistas: los Patriarcas

Would Like to Meet Rachel Winters,2019-12-03 Can you fall in love like they do in the movies? It's Evie Summers's job to find out. Because if she can't convince her film agency's biggest client, Ezra Chester, to write the romantic-comedy screenplay he owes producers, her career will be over. The catch? He thinks rom-coms are unrealistic--and he'll only put pen to paper if Evie shows him that it's possible to meet a man in real life the way it happens on the big screen. Cynical Evie might not believe in happily ever after, but she'll do what it takes to save the job that's been her lifeline . . . even if it means reenacting iconic rom-com scenes in public. Spilling orange juice on a cute stranger? No problem. Leaving her number in books all over London to see who calls? Done. With a little help from her well-meaning friends--and Ben and Anette, the adorable father-daughter duo who keep witnessing her humiliations--Evie is determined to prove she can meet a man the way Sally met Harry. But can a workaholic who's given up on love find a meet-cute of her very own?

Gleaming: the Art of Laia Lopez Laia Lopez,Belen Munoz,2019-03-19 With almost a million followers on Instagram this is the most personal book of artist Laia López to date. In her own words: From recreating my dad's arts and crafts to releasing my own art book. All the way from Barcelona, I present this book, the result of no small amount of hard work, love and dedication, a publication to share some of the work I've put out on social networks. Inside you'll find a compilation of my favorite illustrations to date, as well as some unpublished creations. Gleaming is a little piece of me I give to you, in which I explain my methods and techniques, tips, anecdotes and the intentions hidden away behind my projects, so you can see just how intensely art shines in my day-to-day life.

*Croquette & Empanada* Ana Oncina,2019-06-04 Croquette is looking for love—his sweet, silly other half. Empanada hopes she can find someone who accepts her for who she is. It's a match made in tasty, tasty heaven. Internationally bestselling author Ana Oncina's *Croquette & Empanada* explores modern love and domesticity with charming comics. Enjoy the antics of this adorable, culinary couple as they navigate romance and cohabitation, from deciding to move in together to purchasing their first pet.

*La Voz* ,2003
