A Retro Collection of 70's and 80's Short Stories Christine Day,2018-03-03 The Retro Collection of Seventies/Eighties Short Stories takes readers on a vintage journey back to the 20th century. Originally published over two decades in the glossy monthly 19 magazine, these trendy, evocative stories range from futuristic to a little dark. Many are love stories but with a twist. The backdrops are fluid, colourful, surreal and authentically RETRO.

Mistress Masham's Repose T.H. White,2012-03-07 "She saw: first, a square opening, about eight inches wide, in the lowest step...finally she saw that there was a walnut shell, or half one, outside the nearest door...she went to look at the shell—but looked with the greatest astonishment. There was a baby in it." So ten-year-old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham's Repose, live an entire community of people—"The People," as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in Gulliver's Travels) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria's well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria's greedy guardians, who look at The People and see only a bundle of money.

Sew Retro Judi Ketteler, 2010-07-10 Sewing never goes out of style, and today it is more popular than ever! Sew Retro offers twenty-five stylish, vintage-inspired sewing projects—beautiful bags, essential skirts, unique pillows, and more—that are a pleasure to sew, thanks to easy instructions, helpful diagrams, and a pocket of ten full-size patterns. This fun, inspirational book also uncovers sewing's colorful history, from the introduction of the sewing machine to the modern DIY movement, and features interviews with today's hottest fabric and pattern designers, including Amy Butler, Betz White, Barbara Brackman, Emma Brennan, Judie Rothermel, and Kathy Miller of Michael Miller Fabrics. Filled with gorgeous project photography and quirky vintage illustrations that bring the 1920s, 1940s, 1950s, and beyond to life, Sew Retro celebrates sewing yesterday and today. Indian Cinema: A Very Short Introduction Ashish Rajadhyaksha, 2016-07-20 One film out of every five made anywhere on earth comes from India. From its beginnings under colonial rule through to the heights of Bollywood, Indian Cinema has challenged social injustices such as caste, the oppression of Indian women, religious intolerance, rural poverty, and the pressures of life in the burgeoning cities. And yet, the Indian movie industry makes only about five percent of Hollywood's annual revenue. In this Very Short Introduction Ashish Rajadhyaksha delves into the political, social, and economic factors which, over time, have shaped Indian Cinema into a fascinating counterculture. Covering everything from silent cinema through to the digital era, Rajadhyaksha examines how the industry reflects the complexity and variety of Indian society through the dramatic changes of the 20th century, and into the beginnings of the 21st. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable
