These three bestselling novels are all here in one convenient file and offer a great step deeper into the world of the SORCERER'S RING series. Over 200,000 words of reading, all

for an incredible price! It is a great deal and makes the perfect gift! THE SORCERER'S RING series tells the epic tale of the coming of age of Thorgrin, a special 14 year old boy, the least loved of his father, as he strives to become a warrior in the magical Kingdom of the Ring, as he learns he has powers and a destiny he does not understand. An outsider, he must fight for acceptance as he strives to join the King's elite Legion, and as he falls in love with the king's 16 year old daughter. Most of all, he must learn who he really is, why his destiny is so important, and why the fate of the Ring depends on him. In Books #7, #8 and #9, the saga deepens. In A RITE OF SWORDS (Book #7 in the Sorcerer's Ring), Thor grapples with his legacy, battling to come to terms with who his father is, whether to reveal his secret, and what action he must take. In a final, shocking twist, Thor learns that while his powers are supreme, he also has a hidden weakness—one that may just bring his final downfall. Will Thor and the others liberate the Ring and defeat Andronicus? Will Gwendolyn become the queen they all need her to be? What will become of the Destiny Sword, of Erec, Kendrick, Reece and Godfrey? And what is the secret that Alistair is hiding? In A GRANT OF ARMS (Book #8 in the Sorcerer's Ring), Thor is caught between titanic forces of good and evil, as Andronicus and Rafi use all of their dark sorcery to attempt to crush Thor's identity and take control of his very soul. Gwendolyn, with Alistair, Steffen and Aberthol, ventures deep into the Netherworld, on her quest to find Argon and free him from his magical trap. Reece leads the Legion members as they embark on a near-impossible quest to do what has never been done before: to descend into the depths of the Canyon and find and retrieve the lost Sword. Will the Ring fall into complete and final destruction? In A SKY OF SPELLS (Book #9 in the Sorcerer's Ring), Thorgrin finally returns to himself and must confront his father once and for all. An epic battle occurs, as two titans face each other, and as Rafi uses his power to summon an army of undead. As the new Queen of the Ring, Gwendolyn uses her powers to unite both MacGils and

McClouds and King's Court slowly comes back to life once again. Thor finds himself summoned to embark on his greatest quest of all: to seek out his mysterious mother in a faraway land and to find out who he really is. With multiple wedding preparations in the air, with Spring returning, King's Court rebuilding, festivals afoot, peace seems to settle back onto the Ring. But danger lurks in the most unforeseen corners, and all of these characters greatest tribulations might be yet to come. With its sophisticated world-building and characterization, *THE SORCERER'S RING* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders.

Then from far in the future, from a time so distant that the stars themselves were dying embers, came an urgent SOS--and a promise. The universe was doomed, but humankind was not. Poole had stumbled upon an immense artifact, light-years across, fabricated from the very string of the cosmos. The universe had a door. And it was open...

The Onion Ring Lovers (Guide to Vermont) Kevin Stone, 2021-07-07 Many children wish that every day could be Christmas. For one year, Jim Sutton and his family found themselves living that dream. As dreams go, however, it turned out to be more of a nightmare. The Suttons were not caught up in some kind of “Groundhog Day” scenario. Far from it. While each day was distinct and separate, some days seemed to echo the one before, like a rerun nobody asked to relive. From 1977 through early 1978, the Sutton clan lived as permanent residents in a year-round Christmas attraction named, appropriately enough, Christmas Town. The chain of events leading to how precisely they came to settle on an island in the middle of Lake Champlain, Vermont is found in two words: Bob Sutton (or as he was more colloquially called: Dad). Bob Sutton pried his brood from their comfortable lives in Boston, Massachusetts to relocate to the Green Mountain State. He bought a snack stand concession in Christmas Town, where he believed they would make their fortunes in a forever Winter Wonderland. None of the Suttons

expected that this outwardly idyllic setting would lead to familial betrayal and tragedy. Twenty-two years later, a grown Jim Sutton ventures out to write his novel. His muse: onion rings. The setting: the state he once swore he would never visit again. In a rusted-out beater of a car, Jim navigates his way through the countryside, sampling onion rings for his book, *The Onion Ring Lover's Guide to Vermont*. When an accident strands him in the sleepy town of Strawberry Falls, little does Jim know that another dark family secret hides beneath the surface of this seemingly idyllic little New England town, a secret that some of the town residents would kill for to keep from coming to light
