**Riding the Storm** Joanne Rock,2011-09-20 Interior designer Josie Passano is married to her work. But when she dozes off on a prospective client's boat (thank you, motion sickness pills), she's startled to be awoken by a seriously hot guy ... and sailing away on the ocean! Businessman Keith Murphy (of the Cape Cod Murphys) is blown away by the sexy stranger on his brother's boat. It's like Goldilocks--only it's more fantasy than fairy tale. But their sexual chemistry is lightning-hot, and Keith will do anything to keep Josie onboard ... and in bed--Publisher.

**Crazy Enough** Storm Large,2012-11-13 The popular indie rock performer describes her battle against the hereditary mental illness that decimated her mother's health and prompted the author to engage in a self-destructive downward spiral of drugs and promiscuity before discovering her musical talent and the will to overcome her challenges.

**Jesus and the Storm** Lois Rock,2012-07-25 My Very First Bible published to high acclaim in 2003 and its popular stories and bright illustrations have since gone on to provide the basis for a number of additional series including board books, big books, sticker and activity books. 12 key Bible stories have now been made available as great value, mini books. The series includes: In the Beginning; Noah and the Ark; Moses and his Sister; Brave David; Jonah and the Whale; Daniel and the Lions; Baby Jesus; Jesus and the Storm; The Good Samaritan; The Lost Sheep; Our Father; and The Easter Story.

A Shit Storm Lisa Gillis,2015-03-12 I'm Tristan Loren aka J.J. aka son of Jackal's Jack Storm and I have two problems right now--don't laugh. College is about to begin, and I don't want to go. Also, I've somehow graduated high school a virgin. Tristan Loren is the first to admit he's lived a privileged life. However, the top schools, the best games and phones and cars, the finest of whatever his heart desired has come with strangers yelling for his attention and camera flashes in his face. Even when his father retires the rock star life and moves the family from L.A., their lives are rarely incognito. His classmates have visions of college life in the fall following senior year, while his fantasy is a normal existence. Whatever normalcy is, he's sure it's not graduating with honors--and his virginity. Aside from having a paranoid mom who has made it her mission to see that he's never alone with a girl, he wants his first time to be with someone who doesn't know him as Jack Storm-of-the-multi-platinum-Jackal Junior. Chasing the vision of a woman and a world who doesn't know of him takes him from the sunshiny suburbs of Dallas to the snowy streets of Detroit. Getting his V card swiped and finding his own identity comes with an entirely different price tag. A Shit Storm can stand alone but for fans of Six Silver Strings Series, this novel is the first in the E-String Set and includes scenes with characters from G-Strings and D-Strings with several appearances of Jack and Marissa Storm.

*Storm Static Sleep* Jack Chuter,2015 *Storm Static Sleep: A Pathway Through Post-Rock* is the first publication dedicated to the story of post-rock music. As grunge and britpop ruled the airwaves in the early 90s, post-rock was a vital jolt of innovation for a world sleepwalking back towards rock tradition. Now, more than twenty years on, post-rock's mark on the cultural landscape is significant. Dedicated post-rock festivals exist across the globe and the music is commonplace in film and advertisement soundtracks. Meanwhile, the listenership has bloomed into an international community whose devotion borders on the obsessive. Despite its rise to mainstream cultural prominence, the significance of post-rock remains a subject of some controversy, with the label itself often abused as a journalistic cliché and regularly loathed by the artists tagged with it. To date there is no comprehensive account of post-rock history in either print or online. *Storm Static Sleep* sets the record straight. It unpicks the meaning of post-rock, tunnelling back to its origins to interrogate the journalists who championed it and the bands who renounced it. Featuring over 30 first-hand interviews with some of the most prominent names in post-rock - including members of Mogwai, Tortoise, Mono, Isis, Slint, God Is An Astronaut and producer Steve Albini - *Storm Static Sleep* follows one of music's most nomadic terms through every stage of its transformation.

Storm Cells 1 Lisa Gillis, February 14 falling in the middle of a Jackal tour complicates everything. Jack has a date with a lucky fan who won a radio contest, and with a show that night, it's beginning to look like he and Marissa may not have their own date on Valentine's Day. *STORM CELLS* is a collection of sexy novelettes/storyline extras about Jack & Marissa in the Six Silver Strings Series by Lisa Gillis What if I haven't read the G-String Set? The Storm Cells novelettes can stand alone, but are meant to enhance the above series and contain references to story lines in the series. How many are there? Three in the collection at this time. Readers asked for more of some story lines--the tour life & June--and these novellas were born. A Difficult Date with a Rock Star Where on the G-Strings timeline does A Difficult Date fall? After Jack & Marissa became engaged but before they married What is A Difficult Date about? The problems of their first Valentine's Day falling in the middle of a tour. June Bugs Where on the G-Strings timeline does June Bugs fall? After Snow Storms What is June Bugs about? The requested story of why June came along so many years after the wedding Honeyed Moons Where on the G-Strings timeline does Honeyed Moon fall? After the wedding What is Honeyed Moon about? Jack and Marissa's honeymoon! EXCERPT: The silence was broken only by the rustle of their movements and their kisses-- and the fan club just outside the bus. The soprano shouts were barely discernible, but she heard them just the same. "Is Jack in there?" ... "I love you Jack!" ... "I want to have your babies!" If this Valentine's Day was only sex in a coffin with a chorus of fan girls unknowingly cheering them on, she would happily endure the rest of the evening.

*In Search of Psi* Adam J. Rock,Lance Storm,2014 The editors, Dr. Adam J. Rock and Dr. Lance Storm, put *In Search of Psi* together because they noted that the vast majority of similar books on the intriguing subject of parapsychology are actually too lightweight and lack any real depth on the more serious aspects of the paranormal. Rock and Storm decided to assemble a collection of papers by a diverse group of authors, researchers, experimenters, and theorists, culminating in a total of eighteen chapters on a wide variety of paranormal subjects under three main themes: extrasensory perception (mind-to-mind communication), psychokinesis (mind over matter), and life after death. Topics covered include telepathy (thought transference), precognition (seeing the future), human levitation, multiple dimensions, and the riddle of space-time. There are chapters that thoughtfully delve into the possibility that human personality can survive bodily death. *In Search of Psi* discusses communication with departed loved ones, a subject familiar to many people who have seen television programs featuring the famous American psychic John Edward.

**The Rock Star's West Coast Girl** Lisa Gillis,2013-08-28 It had been easy to fall in love with Jack, metal musician and father of her child. Staying in love with Jack Storm the rock star while adjusting to a new life in Los Angeles is anything but easy. Is this the rock star life? To Marissa, her future seems as mysterious as dusk's shimmering shadows beneath the surface of the luxurious guitar shaped pool. There is no doubt this could be her dream house, her dream life with the man she loves. Not so dreamy is all that she is beginning to see packaged with him. The crazy hours of a very active life. The garbage behind the glam. Mostly, a moody and presumptuous rock star whose public persona is opposite of the sweet celebrity she fell for. Storm's Eye is book 2 of the G Strings Anniversary Set. It is Jack Who as originally written, in first POV with extra steamy chapters. It can stand alone, but is greatly enhanced by reading *Eye of the Storms*.

Avenging Storm Maurice Mayben,2009-04 Warning - you will NOT be able to put this book down! Fast paced, lots of twists, and a great ending - I loved it! Diann TonnesenA wounded American soldier in Desert Storm discovers ancient Chinese artifacts in the Iraqi desert that imply a potential cure for cancer, but learns he must return to Iraq, again on the verge of war, to find additional artifacts that complete the formula. Unfortunately, ruthless

mercenaries murder his uncle and corrupt government officials conspire to suppress the cure, even if thousands have to die. Derek Storm must summon all of his cunning and martial skills to recover the artifacts and bring the culprits to harsh justice, dispensed by an avenging Storm.

*So Terrible a Storm* Curt Brown,2011-05-04 “Not since Sebastian Junger in *The Perfect Storm* has a writer captured so well the fury of the seas as Curt Brown.” —The Maritime Executive Through masterful research and elegant prose, Curt Brown traces the devastating intersection of nature’s fury and corporate greed. It was Thanksgiving week 1905, and the industry bosses wanted one last run before the shipping season ended; the bottom line depended on it. The tragedy that followed led to the building of Split Rock Lighthouse—and went down in history as one of the nation’s worst shipping disasters. The explosive squall caught nearly 30 vessels on Lake Superior. In the wake of the storm, weather forecasting and shipbuilding were forever changed. Drawn from the accounts of witnesses and survivors, *So Terrible a Storm* is a must-read.

*The Rock Star's Gulf Coast Girl* Lisa Gillis, Is the cure for a breakup a hookup? Marissa Duplei has one mission. Pick herself up, dust the ex off, and get dirty with someone else. However, sexy, inked-up, metal-musician Jack Storm is not the average girl’s revenge fling. A tour bus bang. A one night stand gone awry. A secret to keep at all costs. Could it all lead to love? *Eye of the Storms (Book 1)* Dedicated to rock star readers of the series. This anniversary/mirror edition is the original story of Jack and Marissa (Jack Who?) with the 1st POV and sexy steamy scenes restored.

I hope this book encourages you to keep on fighting and to pave a way for others who are not as strong as I am.

*Storm Over Gold Rock* L. D. Tetlow,2000  
Riders on the Storm John Densmore,2009-11-04 “This book is the real story.”—Robby Krieger “[John] Densmore's is the first Doors biography that feels like it was written for the right reasons, and it is easily the most informed account of the Doors' brief but brilliant life as a group. . . . Densmore is a fluent, articulate writer who both comprehends the Doors' unearthly power and is on familiar terms with their antecedents in literature, theater, and myth.”—Rolling Stone “Well-written and touching . . . tells it all and tells it honestly.”—The New York Times Book Review “John Densmore's *Riders of the Storm* is as good an account of the history of the Doors as has been printed to date.”—USA Today “*Riders on the Storm* is very enjoyable, especially its homespun and self-experienced insights. John Densmore is a survivor and a seeker.”—Oliver Stone
