

Rock Nightcore

George H. Davis,Stephen J. Reynolds,Charles F. Kluth

Night Beat Mikal Gilmore,2000-01-04 Few journalists have staked a territory as definitively and passionately as Mikal Gilmore in his twenty-year career writing about rock and roll. Now, for the first time, this collection gathers his cultural criticism, interviews, reviews, and assorted musings. Beginning with Elvis and the birth of rock and roll, Gilmore traces the seismic changes in America as its youth responded to the postwar economic and political climate. He hears in the lyrics of Bob Dylan and Jim Morrison the voices of unrest and fervor, and charts the rise and fall of punk in brilliant essays on Lou Reed, The Sex Pistols, and The Clash. Mikal Gilmore describes Bruce Springsteen's America and the problem of Michael Jackson. And like no one else, Gilmore listens to the lone voices: Al Green, Marianne Faithfull, Sinead O'Connor, Frank Sinatra. Four decades of American life are observed through the inimitable lens of rock and roll, and through the provocative and intelligent voice of one of the most committed chroniclers of American music, and its powerful expressions of love, soul, politics, and redemption.

Rock Over the Edge Roger Beebe,Denise Fulbrook,Ben Saunders,2002-04-23 DIVA collection of interdisciplinary essays examining the ever-changing communities and discussions connected to American popular music./div

Structural Geology of Rocks and Regions George H. Davis,Stephen J. Reynolds,Charles F. Kluth,2011-12-06 Relates the physical and geometric elegance of geologic structures within the Earth's crust and the ways in which these structures reflect the nature and origin of crystal deformation through time. The main thrust is on applications in regional tectonics, exploration geology, active tectonics and geohydrology. Techniques, experiments, and calculations are described in detail, with the purpose of offering active participation and discovery through laboratory and field work.

Dissonant Identities Barry Shank,2012-01-01 Music of the bars and clubs of Austin, Texas has long been recognized as defining one of a dozen or more musical scenes across the country. In *Dissonant Identities*, Barry Shank, himself a musician who played and lived in the Texas capital, studies the history of its popular music, its cultural and economic context, and also the broader ramifications of that music as a signifying practice capable of transforming identities. While his focus is primarily on progressive country and rock, Shank also writes about traditional country, blues, rock, disco, ethnic, and folk musics. Using empirical detail and an expansive theoretical framework, he shows how Austin became the site for a productive contestation between two forces: the fierce desire to remake oneself through musical practice, and the equally powerful struggle to affirm the value of that practice in the complexly structured late-capitalist marketplace.

Rock Bottom Pamela Des Barres,1996 In her familiar style, Pamela Des Barres shines light on the people whose art remains the background music to our popular culture.

Fargo Rock City Chuck Klosterman,2012-12-11 The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

Bring the Noise Simon Reynolds,2009-04-02 An anthology of writings spanning Simon Reynolds's extraordinary career as a music writer, *Bring the Noise* weaves together interviews, reviews, essays, and features to create a critical history of the last twenty years of pop culture. *Bring the Noise* juxtaposes the voices of many of rock and rap's most provocative artists - Morrissey, Public Enemy, Beastie Boys, The Stone Roses, PJ Harvey, Radiohead, The Streets - with Reynolds's own passionate analysis. With all the energy and insight you would expect from the author of *Rip It Up And Start Again*, *Bring the Noise* tracks the alternately fraught and fertile relationship between white bohemia and black street music. The selections transmit the immediacy of their moment while offering a running commentary on the broader enduring questions of race and resistance, multiculturalism and division. From grunge to grime, from Madchester to the Dirty South, *Bring the Noise* chronicles hip hop and alternative rock's competing claims to be the cutting edge of innovation and the voice of opposition in an era of conservative backlash. Alert to both the vivid detail and the big picture, Simon Reynolds has shaped a compelling narrative that cuts across a thrillingly turbulent two-decade period of pop music.

The History of Alternative Rock Stuart A. Kallen,2012-05-09 This volume discusses the history of alternative rock and the ethos of alt-rockers as rebels who value independence, experimentation, and truth-telling. Rather

than making music for broad commercial appeal, these musicians drew from a variety of styles that were considered unfriendly for consumers. Over the years, alternative rock has spawned mash-ups of garage rock, punk, new wave, rap, thrash, and hardcore. This group of indie rockers not only created a new sound but also put forth a different attitude, as they outwardly rejected the musical standards and sales practices set by major record companies.

New York Rock Steven Blush,2016-10-04 As a city that represents endless possibilities, New York has been the setting for the dawning of new movements, styles, and genres. In the 20th century, the birth of Rock represented a connection between art forms and the city's socioeconomic, racial, and sexual variants. New York Rock breaks down the rock scene's half-century connection to New York and analyzes its distinct subculture through the prism of influences, crosscurrents and psychoactive distractions. Over 1,500 musicians, clubs, and labels, from Madonna to the Ramones, held roles in the making of New York Rock, and it's their contributions that created this iconic art form. A compilation of firsthand narratives about each genre of rock, from Punk New Wave and Glitter Rock to New York Hardcore and Indie rock, New York Rock is the ultimate illustrated account of Rock's role in New York City.

Corporate Rock Sucks Jim Ruland,2022-04-12 A no-holds-barred narrative history of the iconic label that brought the world Black Flag, Hüsker Dü, Sonic Youth, Soundgarden, and more, by the co-author of Do What You Want and My Damage. Greg Ginn started SST Records in the sleepy beach town of Hermosa Beach, CA, to supply ham radio enthusiasts with tuners and transmitters. But when Ginn wanted to launch his band, Black Flag, no one was willing to take them on. Determined to bring his music to the masses, Ginn turned SST into a record label. On the back of Black Flag's relentless touring, guerilla marketing, and refusal to back down, SST became the sound of the underground. In Corporate Rock Sucks, music journalist Jim Ruland relays the unvarnished story of SST Records, from its remarkable rise in notoriety to its infamous downfall. With records by Black Flag, Minutemen, Hüsker Dü, Bad Brains, Sonic Youth, Dinosaur Jr, Screaming Trees, Soundgarden, and scores of obscure yet influential bands, SST was the most popular indie label by the mid-80s--until a tsunami of legal jeopardy, financial peril, and dysfunctional management brought the empire tumbling down. Throughout this investigative deep-dive, Ruland leads readers through SST's tumultuous history and epic catalog. Featuring never-before-seen interviews with the label's former employees, as well as musicians, managers, producers, photographers, video directors, and label heads, Corporate Rock Sucks presents a definitive narrative history of the '80s punk and alternative rock scenes, and shows how the music industry was changed forever.

Lightning In a Bottle: A Book Series On the Most Important Rock Albums In Music History Album #16 Dire Straits Love Over Gold Charlie Freak,

Everybody Must Get Stoned: R.U. Sirius,2012-03-01 Keith's on guitar, Charlie's on drums, and Ronnie's on rhythm. But who's on drugs? Everybody. Welcome to the red-eyed world of rock and roll, where every riff comes with a spliff--a coked-up compendium of your favorite musicians and their favorite drugs. Loaded with sordid tales of debauchery, lists, and bleary-eyed photos, there's more stuff in here than in one of Snoop Dogg's favorite brownies, including: • The Top Ten Albums to Tweak to • The Top Ten Rock Star Drug Quotes • The Top Ten Drug Busts in Rock • Extreme acid casualties • Outrageous drug stories of rock legends • The secret history of Dylan and drugs • Henry Rollins and Frank Zappa: How to act like you're on drugs without actually doing any • And the answer to the ever popular rock and roll drug question, Who gave the Beatles their first hits of acid? (Their dentist!) So put on your favorite CD, don't try the green acid, and enjoy! Note: Pages are not suitable for rolling papers. R. U. Sirius (aka Ken Goffman) is the co-editor of 10 Zen Monkeys and the host of two weekly podcasts, The R.U. Sirius Show and Neo-Files with R. U. Sirius. He has worked as a columnist for ArtForum International and The San Francisco Examiner. He has written for Time, Esquire, Wired, and Boing Boing. He is the author of CounterCulture Through the Ages: From Abraham to Acid House, How to Mutate and Take Over the World, and The CyberPunk Handbook, and co-author of Design for Dying with Timothy Leary. He lives in Mill Valley, California.

Punk Rock: So What? Roger Sabin,2002-09-11 Punk Rock: So What? brings together a new generation of writers, journalists and scholars to provide the first comprehensive assessment of punk and its place in popular music history, culture and myth.

Nothin' But a Good Time Tom Beaujour,Richard Bienstock,2021-03-16 The New York Times Bestseller The Explosive National Bestseller A backstage pass to the wildest and loudest party in rock history--you'll feel like you were right there with us! —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's “We’re Not Gonna Take It,” Mötley Crüe's “Girls, Girls, Girls,” and Guns N’ Roses’ “Welcome to the Jungle” are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die

early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's *Nothin' But a Good Time* captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

Rolling Stone's Alt-rock-a-rama Scott Schinder, 1996 An Outrageous Compendium of Facts, Fiction, Trivia, and Critiques on Alternative Rock

Love Rock Revolution Mark Baumgarten, 2012-07-10 Punk isn't a sound—it's an idea! In its history, K Records has fostered some of independent music's greatest artists, including Bikini Kill, Beat Happening, Built to Spill, Beck, Modest Mouse, and the Gossip. In 1982, K Records released its first cassette and put its own spin on punk's defiant manifesto: You don't need anyone's permission to make music. Thirty years later, the label continues to operate in the underground while rightfully claiming a role as one of the most transformative engines of modern independent music. It has also galvanized the international pop underground, helped create the grunge scene that took over pop culture, and provided a launching pad for the riot grrrl movement that changed the role of women in music forever. *Love Rock Revolution* tells the story of how it all happened, recounting the early journeys of K Records founder Calvin Johnson from the punk mecca of London to the hardcore clubs of Washington, D.C., in the late-'70s, the creation of K Records in the '80s, the label's role in revolutionizing independent music in the '90s, and its struggle to survive that revolution with its integrity intact.

The Ramones Brian J. Bowe, 2018-12-15 The Ramones' logo T-shirts and Hey! Ho! Let's go! chant are familiar around the world, but a lot of people might not know the degree to which the Ramones reshaped pop music. Striking photographs, fascinating personal facts, and an engaging narrative will show readers how the band unleashed punk rock on the world with two-minute bursts of energy, combining bubblegum pop sensibilities with teenage boredom and pop culture references that created a wall of sound unlike anything audiences had heard before. This book reveals how the Ramones helped create a style of music that continues to resonate from sweaty clubs to baseball stadiums.

Punk Rock Blitzkrieg Marky Ramone, Richard Herschlag, 2016-01-05 The inside story behind one of the most revered bands in music history during the early days of punk rock in New York, from legendary drummer Marky Ramone. *Rolling Stone* ranked the Ramones at #26 on its list of the 100 Greatest Artists of All Time. They received a Grammy Lifetime Achievement Award in 2011 and were inducted into the Rock and Roll Hall of Fame in 2002. And Marky Ramone played a major part in this success—his blitzkrieg style of drumming drove the sound the Ramones pioneered. Now, fans can get the inside story. Before he joined the Ramones, Marc Bell was already a name in the New York music scene. But when he joined three other tough misfits, he became Marky Ramone, and the rhythm that came to epitomize punk was born. Having outlived his bandmates, Marky is the only person who can share the secrets and stories of the Ramones' improbable rise from obtuse beginnings to induction into the Rock and Roll Hall of Fame. But it wasn't all good times and hit songs, and Marky doesn't shy away from discussing his own struggles, including the addiction to alcohol that led him to be temporarily kicked out of the band. From the cult film *Rock 'n' Roll High School* through *I Wanna Be Sedated* through his own struggle with alcoholism, Marky Ramone sets the record straight, painting an unflinching picture of the dysfunction behind the band that changed a generation. With exclusive behind-the-scenes photos, *Punk Rock Blitzkrieg* is both a cultural history of punk and a stirring story that millions of fans have been waiting for--

Limp Bizkit Colin Devenish, 2000-10-13 1999 was quite a year for Limp Bizkit. Their album, *Significant Other*, sat atop the *Billboard* album charts. *Rolling Stone* hailed them as the lone band that redefined late-Nineties hard rock. Their Woodstock '99 set is routinely referred to as the hottest moment of the three day concert. All in all, things are definitely happening for this most unique group. Combining rap, metal and the angst filled sentiment of punk rock, Limp Bizkit are the poster-boys for millenium madness. Noted music journalist Colin Devenish goes beyond the chart topping numbers and concert grosses to examine what has turned this rough and tumble bunch from Jacksonville, Florida into the hottest group on the charts.

The Clash Brian J. Bowe, 2018-12-15 Punk rock innovators the Clash were the first group to bring this style of high-energy music to the top of the charts. Their songs were explosive acts of defiance that combined the

sounds of rockabilly, reggae, funk, and hip-hop. This engaging book examines how the group used music, art, and fashion to deliver a strong political message. Through full-color photographs, fascinating direct quotations, and informative sidebars, readers will discover how in the band's short history, the Clash created exciting and brand-new sounds and spoke out against racism and consumerism. Moving beyond hits such as Rock the Casbah and Should I Stay or Should I Go? this text reveals why some called the group the only band that matters.

Thank you extremely much for downloading **Rock Nightcore**.Most likely you have knowledge that, people have see numerous times for their favorite books taking into account this Rock Nightcore, but end stirring in harmful downloads.

Rather than enjoying a good book similar to a mug of coffee in the afternoon, on the other hand they juggled next some harmful virus inside their computer. **Rock Nightcore** is affable in our digital library an online access to it is set as public hence you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency times to download any of our books as soon as this one. Merely said, the Rock Nightcore is universally compatible subsequently any devices to read.
