*Storm Warning* Dandi Daley Mackall, 2009-09-13 Written by bestselling author Dandi Daley Mackall, in this series girls use Internet technology to unite and connect in powerful new ways. Discover a world where girls come together

from completely different backgrounds and beliefs to start a journey of faith and self-discovery. Storm Novelo can't understand why she's messing up more now than before she became a Christian. Believing she's at least partly to blame for her dad's depression, Storm is determined to make him proud by joining the Quiz Bowl team, a move that pits her against Cameron Worthington the Third and teammates who'll do everything they can to see her fail. Storm comes to understand that she's more conscious of her faults because she's growing in Christ. DANDI DALEY MACKALL won her first writing contest when she was ten years old with fifty words on why she wanted to be a batboy. She won, but they wouldn't let a girl be a batboy. It was her first taste of rejection. She bounced back and has since published 400 books. Dandi lives in rural West Salem, OH, and enjoys her husband and kids, who will still, on occasion, be up for a game of family softball.

Everyone thought the water flooding the city was the worst that could happen, they were wrong. With every chapter seemingly at the end, it got worse. See how one man survived the odds and cheated death. The Convention Center in New Orleans turned into hell for one week. Everything you can imagine bad happened. Be prepared for what you are about to read.

territories have been embroiled in civil war for over a decade. Now, the end is near. Unfortunately for Darcasta, the rightful heir, that end does not look to resolve in favor of her family. Pushed to the brink of defeat, Darcasta and her allies prepare to take a desperate risk. To their northern border, the Storm Mountains house the greatest military force in the known world. Getting them to use that force, however, poses other dangers. Having endured the destruction wrought by the civil war, Darcasta wants nothing more than the return of prosperity to her homeland. For that, she's willing to take any risk and pay any price. At least, that's what she believed before she met the Storm Lord. His help could save her people, but bargaining with him creates a battlefield all its own.

**Run the Storm** George Michelsen Foy, 2019-08-06 In the bestselling tradition of *The Perfect Storm* and *The Finest Hours*, “an exquisitely written and dramatic book...a literary page-turner” (Doug Stanton, #1 New York Times bestselling author of *Horse Soldiers*)—the 2015 mysterious disappearance of the SS *El Faro*, a gigantic American cargo ship that sank in the Bermuda Triangle, taking with it thirty-three lives. On October 1, 2015, the SS *El Faro*, a massive American cargo ship disappeared in Hurricane Joaquin, a category 4 storm. The ship, its hundreds of shipping containers, and its entire crew plummeted to the bottom of the ocean, three miles down. It was the greatest seagoing US merchant marine shipping disaster since World War II. The massive ship had a seasoned crew, state-of-the-art navigation equipment, and advance warning of the storm. It seemed incomprehensible that such a ship could sink so suddenly. How, in this day and age, could something like this happen? Relying on Coast Guard inquest hearings, as well as on numerous interviews, George Michelsen Foy brings us “the most insightful exploration of this unthinkable disaster” (Outside), a story that lasts only a few days, but which grows almost intolerably suspenseful as deep-rooted

flaws leading to the disaster inexorably link together and worsen. We see captain, engineers, and crew fight for their lives, and hear their actual words (as recorded on the ship's black box) while the hurricane relentlessly tightens its noose around the ship. We watch, minute by minute, all that is happening on board—the ship's mysterious tilt to one side, worried calls to the engine room, ship-to-shore reports, the courage of the men and women as they fight to survive, and the berserk ocean's savage consumption of the massive hull. And through it all, the pain and ultimate resilience of the families of El Faro's crew. Now with a new afterword, this "tour de force of nautical expertise" (Ocean Navigator) is a masterwork of stunning power.
