Room Emma Donoghue,2023-04-06 In this deeply moving and life-affirming tale, a mother must nurture her five-year-old son through an unfathomable situation with only the power of their imagination and their boundless capacity to love. Written for the stage by Academy Award® nominee Emma Donoghue, this unique theatrical adaptation featuring songs and music by Kathryn Joseph and director Cora Bissett takes audiences on a richly emotional journey told through ingenious stagecraft, powerhouse performances, and heart-stopping storytelling. Room reaffirms our belief in humanity and the astounding resilience of the human spirit. This updated and revised edition was published to coincide with the Broadway premiere in Spring 2023.

*The Magic Room* Jeffrey Zaslow,2011-12-27 The New York Times bestselling journalist and author of *The Girls from Ames*, Jeffrey Zaslow, takes us to a multi-generational family owned small-town bridal shop to explore the emotional lives of women in the 21st century. You may not have heard of Fowler, Michigan, much less Becker's Bridal. But for the thousands of women who have stepped inside, Becker's is the site of some of the most important moments of their lives-moments that speak to us all. Housed in a former bank, the boutique owners transformed the vault into a magic room, with soft church lighting, a circular pedestal, and mirrors that make lifelong dreams come true. Illuminating the poignant aspects of a woman's journey to the altar, *The Magic Room* tells the stories of memorable women on the brink of commitment. Run by the same family for years, Becker's has witnessed transformations in how America views the institution of marriage; some of the shop's clientele are becoming stepmothers, or starting married life for a second time. In *The Girls from Ames*, beloved author Jeffrey Zaslow used friendships to explore the emotional lives of women. In *The Magic Room*, he turns his perceptive eye to weddings and weaves together secrets, memories and family tales to explore the hopes and dreams we have for our daughters.

*Room* Emma Donoghue,2010-09-13 The award-winning bestseller that became one of the most talked about and memorable novels of the decade, *Room* is utterly gripping...a heart-stopping novel (San Francisco Chronicle). Held captive for years in a small shed, a woman and her precocious young son finally gain their freedom, and the boy experiences the outside world for the first time. To five-year-old-Jack, *Room* is the world. It's where he was born, it's where he and his Ma eat and sleep and play and learn. At night, his Ma shuts him safely in the wardrobe, where he is meant to be asleep when Old Nick visits. *Room* is home to Jack, but to Ma it's the prison where she has been held for seven years. Through her fierce love for her son, she has created a life for him in this eleven-by-eleven-foot space. But with Jack's curiosity building alongside her own desperation, she knows that *Room* cannot contain either much longer. *Room* is a tale at once shocking, riveting, exhilarating — a story of unconquerable love in harrowing circumstances, and of the diamond-hard bond between a mother and her child.

**Inside the Room** Eamon Gilmore,2015-10-30 March 2011: Enda Kenny and Eamon Gilmore have just formed a coalition government between Fine Gael and Labour. Ireland's banks are broken, unemployment is heading for half a million, the public finances are in deficit, international lenders rate Ireland as 'junk' and the country is in an IMF bailout. As Tánaiste in the new Coalition, Eamon Gilmore was at the heart of every major economic decision taken during his term, and as Minister for Foreign Affairs and Trade was primarily responsible for restoring Ireland's international reputation and trade connections. In his extraordinary political memoir of these dramatic and turbulent times, Eamon Gilmore writes frankly about the political price the Labour Party has paid for some of their choices, reflects on the circumstances that led to his own resignation and assesses the prospects for Ireland's continued recovery, including the risks which could yet blow Ireland's economy off course.

Three Men in a Room Seymour Lachman,Rob Polner,2006 The inside story of one of the country's most secretive and misruled statehouses by a former New York State senator;. Democracy takes decades to take root and flourish. New York is learning that it takes just three men in a room to maim and seriously harm a vigorous and representative system of government.-from *Three Men in a Room* It might be a scene from a movie: three powerful and secretive men sit in a private corner of an exclusive New York club, imperiously making decisions that affect the lives of millions of people. But the scene takes place in Albany, New York, and the exclusive members are the governor, the senate majority leader, and the speaker of the assembly of the New York State legislature. *Three Men in a Room* is an insider's exposé of how one of the country's largest and most powerful governments-with the fourth-largest budget, behind only the federal government's, California's, and Texas's-has become a model of corrupt, inefficient, and undemocratic governance. Seymour Lachman ran the New York City Board of Education, taught political science, and was then elected to New York's legislature. What he found when he arrived in the halls of the state senate was a Potemkin village of government where legislators vote on bills they haven't read during legislative sessions they haven't attended. After four terms, Lachman left his safe seat in disgust, and has now written this sharp, mordant, and impassioned call for reform. Although Lachman's story takes place in one of the country's most progressive states, the problems described in this book are rampant in statehouses throughout the country.

**Girl In Room 105** Chetan Bhagat,2024-02-23 Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.
