Julian and Alex want to begin building a new holiday cottage near the Magical Source on the St. Albans' land, and working on a magical garden for their Guardian friends, but their plans for cozy domesticity are quickly shattered as Alex is called in to consult on a strange new murder case. Julian is drawn into his own mystery when he is trapped by a curse. Alex and their friends have to rescue Julian, solve the mounting murders, and protect each other from the malevolent force clearly at work. Brionne Louis L'Amour,2004-11-23 Major James Brionne brought Dave Allard to trial for murder. Just before the hanging, Dave swore his brothers would take vengeance. The Apprenticeship of Julian St. Albans Amy Crook,2014-08-27 In this sequel to *The Courtship of Julian St. Albans*, Julian – once a member of the pampered elite and Courtied by the cream of society – is now an Apprentice and the still-pampered boyfriend of consulting mage Alex Benedict. He arrives one bright August morning at the plant nursery where he's working through his apprenticeship, only to find a dead body among the lucky clover. This is the first in a series of strange murders that keep getting closer and closer to home, to Julian's wonderful new life and all the magic threading through it, including the new magic that's blossomed inside him. Alex Benedict is left working against an unknown threat to solve the murders and keep his lover alive, and it seems like all of his magic won't be enough. With opposition from inside the Agency and out, and only Alex's wards for refuge, Julian has to learn to use his own powers fast enough to keep from becoming another casualty.

The Courtship of Julian St. Albans Amy Crook,2013-06-28 Alexander Benedict is a misanthropic thirtysomething magical consultant, working with the Agency's top homicide detective, and perfectly content with his life, thank you very much. Julian St. Albans is the youthful heir to his family's fortune and affianced to his beloved Cecil Mandeville, a family friend as well as Julian's lover. When Mandeville is murdered using magical means, Alex is brought in on the case. It's the worst day of Julian's life, but until they meet, it's just another case for Alex. Neither of them have any idea how their lives are about to change. Alex has to disentangle the magical threads until he can catch the murderer, and to do that he has to put himself right in the thick of things. His long-denied family connections get him invited to participate in Julian's Courtship as a Suitor, where he can observe the suspects firsthand. He just has to stay alive long enough to figure out which of the competition thinks Julian is a prize worth killing for.

To Hive and To Hold Amy Crook,2020-05-20 Arthur is an apothecarist in the witches' district of a city that might have once been London, before the magic came. He also keeps magic bees in the greenhouse on his roof and teaches his trade to his apprentice, Ariadne. His life is settled, his customers are happy, and his heart is finally ready to open itself to more. Jade was a student of sorcery, but although he values the skills he learned there, he doesn't agree with their values up on the hill. He's taken himself, his newly-acquired tattooist's license, and the familiar under his skin, and moved down to the witches' district. He's determined to make this work, and when he needs botanical references for his first client, Arthur's Apothecary across the way is the obvious place to start. While Arthur builds a hive for a new swarm of bees, Jade builds a business and a new life. Together, can they cultivate a love as sweet as honey? The Naughty Boy Hans Christian Andersen,2020-06-26 One stormy evening, a kind old poet was resting quietly at home when he heard a knock at his door. When he opened it, he found a handsome young boy, soaking wet, and the good poet decided to invite him inside. However, he would quickly come to regret it as the cherub was called Amor and his bow and arrows would have dried quickly. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include *The Emperor's New Clothes*, *The Little Mermaid*, *The Nightingale*, *The Steadfast Tin Soldier*, *The Snow Queen*, *The Ugly Duckling* and *The Little Match Girl*. His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films *The Little Mermaid* in 1989 and *Frozen*, which is loosely based on *The Snow Queen*, in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

They are strangers to her. When she is born in 1973, her parents hand her over to a childless peasant couple in the mountains. Aged two, and suffering from malnutrition on a diet of yam leaves, they leave Xiaolu with her illiterate grandparents in a fishing village on the East China Sea. Once Upon a Time in the East takes Xiaolu from a run-down shack to film school in a rapidly changing Beijing, navigating the everyday peculiarity of modern China: censorship, underground art, Western boyfriends.
