**Storm Called** Susan Copperfield, 2019-07-19 In the Royal States of America, magic rules all, but life—and love—always finds a way. Latent horse empath. Dishwasher. Closet chef. Future king. When food poisoning sweeps through Dallas, Patrick Laycal doesn't expect a princess to show up at his door asking for his help. Her one, simple request dumps him in the middle of a Royal mess—one that could cost him far more than just his life. Storm Called features characters first introduced in Null & Void, the first of the Royal States novels.

**Sirens** Sedona Ashe, 2023-08-12 There's no escaping the Princess of Atlantis or the coming storm. The Lure spreads like a plague infecting and consuming the minds of humans from city to city. As greedy as ever, those humans began drilling near my resting place and woke me from the magic induced coma I'd been in since the war that sunk Atlantis. I'm awake... and hangry. My oath to rid the world of the Lure that caused the war is more important now than ever before. While I have been sleeping, the lure has been busy. Spreading. Destroying. I need to get busy. It's easy to find the men with Lure blackened hearts and drag them to their watery graves beneath the sea. But it isn't long before the disappearances are noticed by these modern-day humans with strange ways. Overnight, I go from hunter to hunted. The government sends a team of sexy men to track me down, and I want to sink my fangs into them... Not to kill them, but to claim them as my mates. I just need to figure out how things work with my new anatomy... My biggest worry is how can I rid the world of the Lure's corruption, while staying hidden and keeping my men safe? Being the somewhat-good guy is exhausting. And now that I have legs and a tail, I'm going to use them. For good and bad, of course! This complete set includes the following three books in the Royal Storm of Atlantis Series—Siren's Hunt (Book 1) Siren's Throne (Book 2) Siren's Tribute (Book 3) This paranormal fantasy romance features a slightly darker siren who collects her mates throughout the series. This is not the usual bubbly mermaid tale! It is full of spice, humor, and a slightly feral, out of her time siren.... and let's not forget the totally ripped guys you will want to sink your fangs into! Do not fear thought, it does feature a happily ever after, even if it might take you a while to get there.

Winter's icy tendrils curl in each day, and her difficulties only expand. At first, she simply wants to survive. But war is still brewing in the other rings. Even when she tries to ignore it, power and poison force her to take sides. As her enemy is evolving, she still has to help the citizens, train with the elements, and build an army. Winter storms and surprise attacks make every day more difficult than the last. And time is running out... If Talise doesn't survive long enough to fulfill her duty, Kamdaria will be lost forever. If you enjoy YA fantasy, I cannot recommend this series enough." "What I hate the most about Kay's books (this series in particular) is that I lose sleep every time I get a new book. They are simply unputdownable!" "I have no idea how Kay L Moody manages to make every book a knock out better than the previous one, but I am envious! The tension is palpable. The characters are real. The magic system

is unique." "If I loved these characters before, that fondness has only grown. This book has a new depth and level of detail to the characters and their personalities and choices." Perfect for fans of Elise Kova and Audrey Grey. *Siren's Throne* Sedona Ashe, 2021-12-03 Now that this siren has legs and a tail, she's going to use them... For good and bad, of course! There's no escaping this Princess of Atlantis or the coming storm. Save the world first, get some later. Being the somewhat-good guy is exhausting sometimes. The Ancients' world is under attack. The lips delivering this unexpected news to me are even more unexpected. They belong to Lokene, the charming and mischievous young man I fell in love with before my beloved Atlantis sank into the sea. The Ancients have sent him to request my aid because he's my mate, and they think I will listen to him. Did I mention Lokene is an Ancient? Oh, and he has the ability to give me legs, and take them away, at will. I swear he's enjoying this. If I could train my great white shark, Sheba, I'd be teaching her to nip his butt. Look, these new legs are great, but I need to save the world right now... not be distracted by the thought of all the fun times this body and my five mates could have together. On top of that, I'm still on a seek and destroy mission in the human world for those under the soul-destroying power of the Lure. As if I didn't have enough on my plate, miners continue to destroy the ocean. Their actions are taking them closer and closer to the heart of Atlantis, and if the humans find it, the power they could unleash would rip the world apart. I'm hoping that Eason, Storm, Kye, and Fynn can help me stop them before it's too late. Last, but certainly not least, the floor of the ocean is angry, preparing to lash out. I'm not sure my wind and water abilities are strong enough to stop it from destroying entire cities and claiming countless lives. Let's hope I hear the call again soon. I really need to relieve some stress. All these sexy mates are distracting... but I have two worlds to save. And legs. I have legs now too. This paranormal reverse harem (why choose) romance is for 18+ readers. It contains steamy content and darker plot elements and themes (she likes to kill people, much to her mates' horror). This is not your typical bubbly mermaid tale! It's full of sexy scenes, humor, a coffee-addicted and slightly feral siren, and totally ripped guys you will want to sink your fangs into! It will have a HEA... eventually!

Siren's Hunt Sedona Ashe, 2021-08-11 After centuries spent in suspended animation, I'm hangry. Now, a team of sexy men have been sent to hunt me down... \*Licks lips\* Let them come. Thanks to a protective spell gone wrong, I am what the world calls a 'siren'. Yep, you heard me right. I'm a siren. The lost princess of Atlantis. During the horrific battle between light and darkness, as Atlantis sank beneath the waves, I was caught in some crazy magic that changed my body and put me down for a really long nap. The humans, still greedy as ever, woke me up when they stumbled on an energy source near the heart of my home. I battled alongside my Atlantean brothers and sisters as evil spread like a plague from city to city. We fought bravely, but in the end, I lost everything. I have nothing left to lose. That same darkness has continued to take over the world while I slept. My mission is to cleanse the world of evil, so I need to get busy. It is easy to find the men with blackened hearts and drag them to their watery graves beneath the sea. But it isn't long before the disappearances are noticed, and I go from hunter to hunted. Cleansing the world of evil takes a lot out of a siren. So, when the three good-hearted men cross my path, I'm ready to make them bad. I just need to figure out how things work with my new anatomy... This paranormal reverse harem book is for 18+ readers. It contains steamy content and darker elements/themes. This is not the usual bubbly mermaid tale! It is full of sexy scenes, humor, a coffee-addicted and slightly feral siren, and totally ripped guys you will want to sink your fangs into! It will have a HEA... eventually!
