Ruffles and the Red, Red Coat David Melling, 2021-10-26 Ruffles does not love his new red coat. But when Ruffles wants to play outside with his friend Ruby, perhaps he'll decide that wearing his red coat isn't so bad after all -- Page 4 of cover.

The Art of Manipulating Fabric Colette Wolff, 1996-10-01 The possibilities for three-dimensional manipulation of fabric - gathering, pleating, tucking, shirring, and quilting woven materials - are seemingly endless. To describe them all would be to describe the entire history of sewing. In *The Art of Manipulating Fabric*, Colette Wolff has set herself just this task, and she succeeds brilliantly. Working from the simplest possible form - a flat piece of cloth and a threaded needle - she categorizes all major dimensional techniques, show how they are related, and give examples of variations both traditional and modern. The result is an encyclopedia of techniques that resurface, reshape, restructure and reconstruct fabric. • More than 350 diagrams support the extensive how-tos, organized into broad general categories, then specific sub-techniques • Handsome photos galleries showcase the breathtaking possibilities in each technique and aid visual understanding by emphasizing the sculptured fabric surface with light and shadow • Textile artists and quilters, as well as garment and home decor sewers, will expand their design horizons with the almost limitless effects that can be achieved.

Ruffles and the New Green Thing David Melling, 2023-06-06 Eyeing the new green thing in his bowl with distaste, Ruffles refuses to try even the smallest nibble until his friend Ralph comes to play, happily giving the green thing a big bite, which encourages Ruffles to give it try, too!--

Everyday Shi'ism in South Asia Karen G. Ruffle, 2021-03-15 The first textbook to focus on the history of lived Shi'ism in South Asia *Everyday Shi'ism in South Asia* is an introduction to the everyday life and cultural memory of Shi'i women and men, focusing on the religious worlds of both individuals and communities at particular historical moments and places in the Indian subcontinent. Author Karen Ruffle draws upon an array primary sources, images, and ethnographic data to present topical case studies offering broad snapshots Shi'i life as well as microscopic analyses of ritual practices, material objects, architectural and artistic forms, and more. Focusing exclusively on South Asian Shi'ism, an area mostly ignored by contemporary scholars who focus on the Arab lands of Iran and Iraq, the author shifts readers' analytical focus from the center of Islam to its periphery. Ruffle provides new perspectives on the diverse ways that the Shi'a intersect with not only South Asian religious culture and history, but also the wider Islamic humanistic tradition. Written for an academic audience, yet accessible to general readers, this unique resource: Explores Shi'i religious practice and the relationship between religious normativity and everyday religious life and material culture Contextualizes Muharram rituals, public performances, festivals, vow-making, and material objects and practices of South Asian Shi'a Draws from author's studies and fieldwork throughout India and Pakistan, featuring numerous color photographs Places Shi'i religious symbols, cultural values, and social systems in historical context Includes an extended survey of scholarship on South Asian Shi'ism from the seventeenth century to the present *Everyday Shi'ism in South Asia* is an important resource for scholars and students in disciplines including Islamic studies, South Asian studies, religious studies, anthropology, art history, material culture studies, history, and gender studies, and for English-speaking members of South Asian Shi'i communities.

Ruffles and the Teeny, Tiny Kittens David Melling, 2022-10-04 Ruffles loves howling, fetching, and his blue blanket. But Ruffles does not love sharing with the teeny, tiny kittens. The kittens follow Ruffles everywhere and want to do everything that he does. But he really doesn't want to share his snacks or his stick or his blue blanket with them. Ruffled Flourishes Peter Roussel, 2009 Sox St. Louis, the intrepid deputy press secretary to the president, is besieged by the media on a daily basis as he attempts to communicate the actions and motivations of the executive office to the ravenous press without getting eaten alive. Drawn from the author's years of experience as a White House press officer, this raucous tale illuminates the often humorous relationship between the press and the presidency, offering a behind-the-scenes look into the slapstick and substance that confront a presidential spokesperson. Unvarnished and unscripted, this novel peeks into the follies and foibles that are a part of the daily give and take between the Washington press corps and the Oval Office.
