Secrets of Silver & Steam Ricky Hayes,2023-11-06 Secrets of Silver & Steam – The New Awakening is the first volume of the science fiction and epic fantasy series intertwining mythical creatures, thrilling world exploration, dark secrets, and the hidden world of Master Keepers (MKRs), which has remained shrouded in the annals of time. Little was known of them, but then one, Elior Lystander, emerged from behind the curtain of their existence as survivors began to rebuild following a world cataclysmic event known as The Great Collide. Such a phenomenon reunited the landmasses of the world and reset the motion of every civilization. War inevitability ensued as the race to establish dominance comes so naturally to humans. During the war, Elior lent his knowledge to the development of technologies known as Steam Tech, which now incorporates a rare metal, Mystic Silver, that holds immense potential to fuel machines. Where once steam power was employed in the pursuit of machine engineering, the magic metal has become one of the largest sought and valuable commodities. And now, the dust has settled on the three remaining kingdoms in what many refer to as The Last Age. By happenstance or destiny, Aagneya Nym, a recent graduate student, and new explorer, finds herself upon an expedition with none other than the famous MKR into the most dangerous place known to civilized folk, the Unlight. It is here Aagneya witnesses the power of Elior firsthand and is soon chosen to join him behind the curtain. How does one refuse the opportunity to become such a marvel? Aagneya finds herself awakened. As her power grows, so does her boldness in learning all she can about the magic she possesses and the secrets of Elior to better understand what he has kept at bay for so long. For many things in the dark can terrify even the most powerful of MKRs, but more so is the greatest of evils, seeking to emerge and devour all in its wake. It would seem for Aagneya, the world is about to come to ruin once more if she cannot ignite a fire in the darkness.

Emergent Feminisms Jessalynn Keller, Maureen E. Ryan,2018-02-21 Through twelve chapters that historicize and re-evaluate postfeminism as a dominant framework of feminist media studies, this collection maps out new modes of feminist media analysis at both theoretical and empirical levels and offers new insights into the visibility and circulation of feminist politics in contemporary media cultures. The essays in this collection resituate feminism within current debates about postfeminism, considering how both operate as modes of political engagement and as scholarly traditions. Authors analyze a range of media texts and practices including American television shows *Being Mary Jane* and *Inside Amy Schumer*, Beyoncé's *Formation* music video, misandry memes, and Hong Kong cinema.

Modern Style for Girls Mary Abreu,2015-10-01 “Designed [for] the tastes of the tween . . . from a simple and stylish vintage-inspired A-line collared dress to a gorgeous paneled skirt.” –Love Sewing Bestselling author Mary Abreu is back with a book that will shut down the dreaded words, “I have nothing to wear!” from young girls. Starting with three basic pieces—a top/dress, skirt, and pants—you’ll learn how to modify simple patterns and rectangles to make twelve classic garments: four tops/dresses, four shorts/pants, and four skirts. Technique instructions teach you how to gather, create waistband casings, and insert zippers. Advice on choosing fabrics and adding embellishments is also included. With this handy guide, you can help your girls develop a style all their own. Add collars, change armholes, and add ruffles to basic garments to create updated takes on existing pieces. Clear techniques will guide you on how to finish seam allowances, insert zippers, hem, and add unique embellishments. Help your girls create an entirely new wardrobe of classic pieces to mix and match in any way they want. “The focus here is on sizes seven to 12—an age in which girls want clothes that don’t look babyish but are still appropriate for play. Designs include tops, dresses, pants, shorts, and skirts, and the style is charmingly retro—think pedal pushers and Peter Pan collars but in contemporary fabrics . . . Most pattern books for children’s clothing concentrate on smaller-sized clothing for babies, toddlers, and preschoolers, so the focus on school-aged children’s clothing makes this a nice addition for sewing collections.” –Library Journal

Gunfights & Gunfighters Gordon A. Hunsaker,2010-03-02 Amid the backdrop of World War II, race riots, and police corruption, a white police officer in Phoenix, Arizona, guns down an on-duty, black cop from his same department. The community's residents pick sides, and while the second trial ends in an acquittal, the battle isn't over. The detective, Frenchy Navarre, returns to duty but is shot dead when he encounters Officer Joe Davis, the slain officer's partner. This is just one of the fascinating tales told by Gordon A. Hunsaker, who also recalls: Surviving his youth on the streets of Los Angeles Fighting in the jungles of Southeast Asia during the Vietnam War A series of stories that cops normally only tell each other Piloting helicopters and airplanes while on the job Battling his toughest opponent cancer And much more! This compilation of musings, observations, and police lore is insightful, thought-provoking and, at times, just darn spooky. Any Arizona resident, law enforcement officer or lover of history will be thrilled to enter the exciting world of Gunfights & Gunfighters.

Love is Blind Ruth E. Vallis,2021-03-23 Excited and full of the confidence of youth, totally blind Ruth arrived in London, England, to study Physiotherapy. She spoke the same language, was domestically independent, and had good mobility skills: how hard could this be? As it turns out, far more difficult than she could have ever

imagined, but Ruth was determined to succeed. People who are blind face many challenges, but perhaps the biggest obstacle is the low expectations of others. You can let those who don't understand you define who you are, or you can ignore them and follow your dreams—as Ruth did. “Love is Blind” is the memoir of Ruth Vallis. Blind before the age of 3, Ruth was the youngest pioneer of integration in the public school system in Canada, blazing a trail for many to follow. At every stage of her extraordinary life, Ruth defied the low expectations of others, and took on such challenges as biking from Ottawa to Toronto, completing a Master's of Science degree online before technology accessibility was legislated, and more. Through it all there was her tender, tough-loving mother, Peach, offering encouragement, support and humour to overcome enormous challenges. Discover the power of women working together for good. See how obstacles can become stepping stones. Laugh, cry and be inspired!

Regency Women's Dress Cassidy Percoco,2015-09-17 The distinctive style of the Regency period is a source of endless fascination for fashion academics and historians, living historians, re-enactors and costume designers for stage and screen. Author and fashion historian Cassidy Percoco has delved into little-known museum hoards to create a stunning collection of 26 garments, many with clear provenance tied to a specific location, which have never before been published and never – or very rarely – displayed. Most of the garments have an aspect in their construction that has not been previously documented, from a style of skirt trim to the method of gown closure. This practical guide begins with a general history of the early 19th-century women's dress. This is followed by 26 patterns of gowns, spencers, chemises, and corsets, each with an illustration of the finished piece and description of its construction. This must-have guide is an essential reference for anyone interested in the fashions or the history of the period, or for anyone wishing to recreate their own beautiful Regency clothing.
