You Can Have It All, Just Not at the Same Damn Time Romi Neustadt, 2020-01-14 Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all--just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach. What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: Zone in on what really matters to you, so you can ditch everything that isn't serving your dreams. Recognize and embrace your true worth as a provider, partner, and all-around kickass human. Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. Establish boundaries that stick with coworkers, friends, and family. Ditch toxic relationships and the soul-sucking drama that accompanies them. Stop feeling like an imposter in your own life. Create habits that protect your time and energy. Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is living proof that it's possible, and you will be too.

I Can't Date Jesus Michael Arceneaux, 2018-07-24 NEW YORK TIMES BESTSELLER Featured as

One of Summer's most anticipated reads by the Los Angeles Times, Vogue, Vulture, Entertainment Weekly, ELLE, BuzzFeed, and Bitch Media. From the author of *I Don't Want to Die Poor* and in the style of New York Times bestsellers *You Can't Touch My Hair*, *Bad Feminist*, and *I'm Judging You*, a timely collection of alternately hysterical and soul-searching essays about what it is like to grow up as a creative, sensitive black man in a world that constantly tries to deride and diminish your humanity. It hasn't been easy being Michael Arceneaux. Equality for LGBTQ people has come a long way and all, but voices of persons of color within the community are still often silenced, and being Black in America is...well, have you watched the news? With the characteristic wit and candor that have made him one of today's boldest writers on social issues, *I Can't Date Jesus* is Michael Arceneaux's impassioned, forthright, and refreshing look at minority life in today's America. Leaving no bigoted or ignorant stone unturned, he describes his journey in learning to embrace his identity when the world told him to do the opposite. He eloquently writes about coming out to his mother; growing up in Houston, Texas; being approached for the priesthood; his obstacles in embracing intimacy that occasionally led to unfortunate fights with fire ants and maybe fleas; and the persistent challenges of young people who feel marginalized and denied the chance to pursue their dreams. Perfect for fans of David Sedaris, Samantha Irby, and Phoebe Robinson, *I Can't Date Jesus* tells us—without apologies—what it's like to be outspoken and brave in a divisive world.

The Solutions Focus Mark McKergow, 2011-02-22 This is a new and updated edition of this acclaimed first business book on the powerful, simple yet subtle approach to positive change in people, teams and organisations. Used around the world by a wide range of people, professions and organisations, the first edition has now sold nearly 10,000 copies and been translated into 7 languages. Including new chapters reflecting the increasing importance of coaching and the

solutions focus movement in the business environment, this wide-ranging book is filled with all the most important ideas, case examples and practical tips for managers, facilitators and consultants. Proven in many fields and with a distinguished intellectual heritage, The Solutions Focus provides a simple and direct route to progress in your organisation. It focuses on: solutions - not problems; in between: the action is in the interaction; make use of what's there; possibilities - past, present and future; and language. Every case is different. The trouble with traditional approaches to people problems is that they assume a straightforward relationship between cause and effect, between a problem and its solution. A solutions-focused approach sidesteps the search for the causes of a problem and heads straight for the solution, showing you how to envisage your preferred future and quickly takes steps forward. The authors present a set of practical techniques, including specific forms of questioning that lead to immediate action and results. They show how to identify what is working in your organisation and amplify it to make useful changes; to focus on what is possible rather than what is intractable and how to be solution focused, not solution forced.

The Book of Leon Leon Black,JB Smoove,Iris Bahr,2017-10-10 Everyone's favorite houseguest who never left, Leon Black (played by award-winning comedian JB Smoove on HBO's Curb Your Enthusiasm) drops his wisdom and good-bad advice for the masses. Learn the secrets Larry David has gleaned from the Falstaff of television. Live your best Leon. Bring the Ruckus. Aristotle. Gandhi. Lao Tzu. Dr. Ruth. Amateurs. For centuries bespeckled dorks have pored over the scrolls of the ancients, read tea leaves, and looked to the stars for philosophy, wisdom, and advice. While some people have probably offered good advice, and others offer bad advice, Leon is here to offer his brand of good-bad advice. These are the musings of a master genius spitting out the secrets of the universe—to help you become just like him. Be forewarned: in opening this tome and Leon's mind,

you need to be prepared for straight talk. The kind of unfiltered blunt straight talk that pounds on your door, invites itself in, makes itself at home, helps itself to your food, security pass code, your expensive organic beet juice, and finally makes itself comfortable on that twin bed in your guest room. All the while you think you're helping it—but really it's helping you help yourself! Because that's how this book doozit. Leon Black, he ain't wrong...he just ain't right.

Heroine Addiction ,

A Carousel of Sorts Grant Guimont, 2001-06 A Carousel of Sorts is a dizzying leap into the shallow end of the pool of life. The story embraces the enormity of the world and the underlying

idiosyncrasies that connect us all in the end. And perhaps along the way, on the wings of the fabled Carik birds from the tale, some of those answers will appear somewhere amidst the infinite spectrum between Bob Dylan's song lyrics and the ingredients to Cocoa Puffs cereal. Sawyer Redwine, happens upon his own chance at redemption by stumbling into the life of Ashton James during a robbery. They hightail their lives across country in order to create a fresh start careening into Blaiku "Willy" Williams, the final piece in this triangle of fate. From the festive weirdness of a religious carnival located in Iowa to the eccentric values of a cosmetics mogul in Minneapolis, the triumvirate's journey unfolds under a tabloid, fashion reporter's eyes. Interwoven in the trio's new America are an angel who appears to be Ted Nugent, a Mafia hitman trying to become a rodeo clown, an elderly woman who speaks only through Hallmark cards, and an obsessive narrator with a bloated ego and a magically spiked six-pack of beer.

It's About Damn Time Arlan Hamilton, Rachel L. Nelson, 2022-02-15 "A hero's tale of what's possible when we unlock our potential, continue the search for knowledge, and draw on our lived experiences to guide us through the darkest moments."—Stacey Abrams From a Black, gay woman who broke into the boys' club of Silicon Valley comes an empowering guide to finding your voice, working your way into any room you want to be in, and achieving your own dreams. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FORTUNE In 2015, Arlan Hamilton was on food stamps and sleeping on the floor of the San Francisco airport, with nothing but an old laptop and a dream of breaking into the venture capital business. She couldn't understand why people starting companies all looked the same (White and male), and she wanted the chance to invest in the ideas and people who didn't conform to this image of how a founder is supposed to look. Hamilton had no contacts or network in Silicon Valley, no background in finance—not even a college degree. What she did have

was fierce determination and the will to succeed. As much as we wish it weren't so, we still live in a world where being underrepresented often means being underestimated. But as someone who makes her living investing in high-potential founders who also happen to be female, LGBTQ, or people of color, Hamilton understands that being undervalued simply means that a big upside exists. Because even if you have to work twice as hard to get to the starting line, she says, once you are on a level playing field, you will sprint ahead. Despite what society would have you believe, Hamilton argues, a privileged background, an influential network, and a fancy college degree are not prerequisites for success. Here she shares the hard-won wisdom she's picked up on her remarkable journey from food-stamp recipient to venture capitalist, with lessons like "The Best Music Comes from the Worst Breakups," "Let Someone Shorter Stand in Front of You," "The Dangers of Hustle Porn," and "Don't Let Anyone Drink Your Diet Coke." Along the way, she inspires us all to defy other people's expectations and to become the role models we've been looking for. Praise for *It's About Damn Time* "Reading Arlan Hamilton's *It's About Damn Time* is like having a conversation with that frank, bawdy friend who somehow always manages to make you laugh, get a little emo, and, ultimately, think about the world in a different way. . . . The book is warm, witty, and unflinching in its critique of the fake meritocracy that permeates Silicon Valley."—Shondaland

Irresistible Love Series (Books #1-#3) Kaylee Monroe,2023-10-27 The Irresistible Love Series includes the following full length novels: IRRESISTIBLE NIGHTS: It was supposed to be nothing more than a hot, steamy one night stand. No names. No strings. Until I found out that he's my father's new business partner. He was a gorgeous, sexy real estate magnate over twenty years older than me. I was a young businesswoman looking for an uncomplicated, good time. He gave me that, and so much more. We shared one sinfully hot night together and I tip-toed out of his life, leaving just a thank you note behind. I thought I'd never see him again, until he showed up the following afternoon. With my father, who introduced him as his new business partner. IRRESISTIBLE AFFAIR: Sleeping with my best friend's dad never should have happened, but it did and I don't regret a thing. Not when he'd given me the hottest, most decadent night of my life. I've been in love with him for years, but for as confident and demanding as he is in the bedroom, once the sheets have cooled he's riddled with misgivings. He's already done the marriage and family thing, and he insists I deserve that, too . . . with another man who isn't old enough to be my daddy. I don't agree, and I'm just going to have to convince him otherwise—that I'm everything he wants and needs despite the obstacles standing in our way. IRRESISTIBLE SEDUCTION: When I'd run into Nick Pallas at an old friend's wedding, I'd been grateful to have someone to talk to and dance with—especially a hot Greek of a guy I'd harbored a secret crush on for years. After a recent break-up, it was nice to feel wanted and desired. I wasn't looking for anything serious, and he definitely gave me a night to remember. Except Nick wanted more than just that one night, and I wasn't prepared for his brand of seduction—the way he made me feel, physically and emotionally. Resisting him was impossible, yet

trusting another man with my heart wasn't so easy . . .
