Roti Mayo Andi Sulistiadi,Anthesianz,2024-01-12 Toko roti ini sudah berdiri sejak tahun 1939. Generasi pertama kami adalah peranakan Tionghoa yang hijrah untuk membuka peluang usaha di kota Garut. Dari masa ke masa pesaing kami banyak yang gugur. Namun, toko kami mampu bertahan sampai dengan hari ini. Memang kami sebagai penerus sengaja tidak membuat toko ini ekspansi ke daerah lain. Kami ingin toko roti ini seperti sediakala pertama didirikan oleh leluhur kami. Saat ini, kami memang memiliki segudang masalah keuangan. Karena sudah hampir satu dekade penjualan kami menurun. Kondisi ini menjurus dalam kondisi kami yang nyaris bangkrut. Keuangan toko kami seperi kain tambal sulam, atau seperti gali lobang tutup lobang.

Economic Investigations in Twentieth-Century Detective Fiction Professor Zi-Ling Yan,2015-04-28 In his study of Golden Age and hard-boiled detective fiction from 1890 to 1950, Yan Zi-Ling argues that these two subgenres can be distinguished not only by theme and style, but by the way they structure knowledge, value, and productive labour. Using the detective as a reference point and enactor of socially based interests, Yan shows that Golden Age texts are distinguished by their conservationism (and not only by their conservatism), with the detectives’ actions serving to stabilize institutions with specific ideological aims. In contrast, the criminal investigations of the hard-boiled detective, who is poorly aligned with institutions and strong interest groups, reveal the fragility of the status quo in the face of escalating cycles of violence. Key to Yan’s discussion are theories of exchange, value, and the gift, the latter of which he suggests is more akin to detective work than is wage labour. Analyzing texts by a wide range of authors that includes Arthur Conan Doyle, Agatha Christie, Dashiell Hammett, Raymond Chandler, Dorothy Sayers, Raoul Whitfield, George Harmon Coxe, and Mickey Spillane, Yan demonstrates that the detective’s truth-generating function, most often characterized as a process of discovery rather than creation, is in fact crucial to the institutional and class-based interests that he or she serves.

Sittin’ on a Headstone Sly T'ly Bendt,2018-07-26 Sittin on a Headstone is the story of my eighteen months in Vietnam and how I went from eighteen years young to twenty years old in a combat zone. Everyone has read of the combat, the blood and guts of men and women at war, but few people have read of the day-to-day living of the soldiers. The fear, the excitement, and the boring days too all take a toll when it comes time to go home.
