**Upstate** Lisa Przystup, 2020-10-27 This inspiring collection of compelling and characterful interiors will have city and country dwellers alike dreaming of carving out a personal haven far beyond the big city. Through two hundred newly commissioned photographs and engaging profiles of twelve unique, personal, and creative interiors on both sides of the Hudson, Upstate features a variety of spaces--from tranquil minimalist retreats to exuberant small-town residences. Among them are a farmhouse of globetrotting food photographers, a lavender-hued Victorian brimming with eclectic curios, a striking cottage with modern furnishings and elegant Georgian bones, and the country-house-on-acid of an artist and art director, complete with giant mushroom side tables and permanently installed party streamers. Shared by these distinctive spaces is a common approach to decoration that centers on collections gradually accumulated, delights in the handmade, embraces the beauty in imperfection, and values comfort and character above all.

From the lush beauty of Sri Lanka, ravaged by bloody civil war, to India and its eventual resting place in Australia, this is the story of a precious saree and the lives it changes forever. Nila must find peace, Mahinda yearns for his true calling, Pilar is haunted by a terrible choice, Sarojini doubts her ability to love, Madhav is a holy fraud and Marion's understanding of the very meaning of love is challenged and transformed. Each teeters between joy and pain, and each is touched by the power and beauty of the saree. Next time I spend more than \$40 on an article of clothing, I'll run it by Linett first." --The New York Times Book Review In a culture where trends are born and die every minute, maintaining style and effortlessness at every age requires that little extra something--the cool factor. In this photo-packed guide, Andrea Linett, a famed personal stylist and founding creative director of Lucky magazine, offers easy-to-implement, actionable tips that will change the way women dress. The book is organized into chapters

that include wardrobe classics, denim, leather, suits, dressing up, and accessories, and features style hacks that turn an outfit into a masterpiece (choosing shoes that instantly slim you, combining tough and feminine pieces, and accessorizing a day-to-night look). The Secret Diary Series: Books 1-3 : Halima Khatun,2023-06-05 The first three books in The Secret Diary series, starring the brown Bridget Jones, our acerbic heroine, will have you laughing, crying and desperate for one more chapter. From book 1, The Secret Diary of an Arranged Marriage: A British-Bengali girl looking for Mr Right. A motley crew of men. A mum on a mission to match make and an age-old tradition with a twist. Welcome to the world of the arranged marriage. While I'm young, free and single, time is - by Bengali standards - marching on. I must meet my dream man, or someone I can grow to like, and get married. The trouble is, I don't really know what - or who - I'm looking for. Luckily (or not) for me, arranged marriages are still a thing. So alongside my own dating efforts, it's everyone's business to find me a match. I'm pretty sure I'll land a husband, but will he be 'The One'? From book 2, The Secret Diary of a Bengali Bridezilla: And I thought finding a husband was hard... One couple. Three months. 600 guests (most of whom I've never met) and LOTS of opinions. Welcome to my big fat Bangladeshi wedding. To do: Find top makeup artist Create meaningful favours Outdo my cousins impending nuptials Have nervous breakdown? I've found my dream man but will my wedding day be a nightmare? From book 3, The Secret Diary of a Bengali Newlywed: New husband. New city. New in-laws and new expectations. Welcome to my life as a Bengali newlywed. They say you don't just marry the guy, you marry the whole family. They also say you don't really know someone until you live with them. *Like You'd Understand, Anyway* Jim Shepard,2008-11-19 Following his widely acclaimed Project X and Love and Hydrogen—"Here is the effect of these two books," wrote the Chicago Tribune: "A reader finishes them buzzing with awe"—Jim Shepard now gives us his first entirely new collection in more than a decade. *Like You'd Understand, Anyway* reaches from Chernobyl to Bridgeport, with a host of narrators only Shepard could bring to pitch-perfect life. Among them: a middle-aged Aeschylus taking his place at Marathon, still vying for parental approval. A maddeningly indefatigable Victorian explorer hauling his expedition, whaleboat and all, through the Great Australian Desert in midsummer. The first woman in space and her cosmonaut lover, caught in the

star-crossed orbits of their joint mission. Two Texas high school football players at the top of their food chain, soliciting their fathers' attention by leveling everything before them on the field. And the rational and compassionate chief executioner of Paris, whose occupation, during the height of the Terror, eats away at all he holds dear. Brimming with irony, compassion, and withering humor, these eleven stories are at once eerily pertinent and dazzlingly exotic, and they showcase the work of a protean, prodigiously gifted writer at the height of his form. Reading Jim Shepard, according to Michael Chabon, "is like encountering our national literature in microcosm."

Objects of Desire Clare Sestanovich, 2021-06-29 "A debut story collection of the rarest kind ... you wish that every single entry could be an entire novel. —Entertainment Weekly Fresh, intimate stories of women's lives from an extraordinary new literary voice, laying bare the unexpected beauty and irony in contemporary life A college freshman, traveling home, strikes up an odd, ephemeral friendship with the couple next to her on the plane. A mother prepares for her son's wedding, her own life unraveling as his comes together. A long-lost stepbrother's visit to New York prompts a family's reckoning with its old taboos. A wife considers the secrets her marriage once contained. An office worker, exhausted by the ambitions of the men around her, emerges into a gridlocked city one afternoon to make a decision. In these eleven powerful stories, thrilling desire and melancholic yearning animate women's lives, from the brink of adulthood to the labyrinthine path between twenty and thirty, to middle age, when certain possibilities quietly elapse. Tender, lucid, and piercingly funny, *Objects of Desire* is a collection pulsing with subtle drama, rich with unforgettable scenes, and alive with moments of recognition each more startling than the last—a spellbinding debut that announces a major talent.

*Material Acts in Everyday Hindu Worlds* Joyce Burkhalter Flueckiger, 2020-10-01 In *Material Acts in Everyday Hindu Worlds*, Joyce Burkhalter Flueckiger analyzes the agency of materiality—the ability of materials to have an effect on both humans and deities—beyond human intentions. Using materials from three regions where Flueckiger conducted extensive fieldwork, she begins with Indian understandings of the agency of ornaments that have the desired effects of protecting women and making them more auspicious. Subsequent chapters bring in examples of materiality that are agentive beyond human intentions, from a south Indian goddess tradition where female guising transforms the aggressive masculinity of men who wear saris, braids, and breasts to the presence of cement images of Ravana in Chhattisgarh, which perform alternative theologies and ideologies to those of dominant textual traditions of the Ramayana epic. Deeply ethnographic and accessibly written, *Material Acts in Everyday Hindu Worlds* expands our understanding of material agency as well as the parameters of religion more

broadly. Cut-Pieces Lotte Hoek, 2013-11-19 This title explores the shadowy world of the short, pornographic cut-piece clips that appear in some films in Bangladesh and examines their place in South Asian film culture. It provides a portrait of the production, consumption and cinematic pleasures of stray celluloid and shines a light on Bangladesh's state-owned film industry and popular practices of the obscene. The book also reframes conceptual approaches to South Asian cinema and film culture, drawing on media anthropology to decode the cultural contradictions of Bangladesh since the 1990s.

**Life Less Ordinary** Baby Haldar, 2006-05-17 It is the story of a young domestic worker, who has battled poverty, hardship and violence to make a name for herself as a writer. Hurriedly married off at the age of twelve, a mother by the time she was fourteen, Baby lived in her married home for several years, facing continual violence from her husband. Her father's long absences from their home, her mother's decision to walk out of the marriage, leaving Baby and her sister to manage the household, were the realities that shaped Baby's early life. When marriage came, Baby, still a child, yearned to play and study, but was burdened with the responsibility of being wife and mother. Escape finally came many years later, by which time Baby still young was a mother of three, and she fled to the city in the hope of finding a job. Working in Delhi as a domestic help, Baby was lucky enough to come across an employer who encouraged her to build upon her few years of education and to read - and then to write. The story of Baby's life is a lesson in courage and survival. It has been translated into several other Indian languages.

**Feminist Challenges or Feminist Rhetorics? Locations, Scholarship, Discourse** Kirsti Cole, 2014-03-17 The chapters collected in this book generate discussion about the intersections of feminisms and rhetorics, as well as the ways in which those intersections are productive. This collection focuses on the locations of feminist rhetorics, the various discourses that invoke "feminism" or "feminist," and the scholarship that provokes, challenges, and deliberates issues of key concern. In focusing on challenge and location, this collection acknowledges the academic and socio-discursive spaces that feminisms, and rhetorics on or about feminisms, inhabit. Feminism, but also women and what it means to be a woman, is a signifier under siege in public discourse. The chapters included here speak to the challenges and diversities of feminist rhetoric and discourse in public and private life, in the academy, and in the media. The authors represented in this collection present potential consequences for communities in the academy and beyond, spanning international, geopolitical, racial, and religious contexts.
