**Satin Island** Tom McCarthy,2015-02-17 Short-listed for the Man Booker Prize From the author of Remainder and C (short-listed for the Man Booker Prize), and a winner of the Windham-Campbell Literature Prize, comes *Satin Island*, an unnerving novel that promises to give us the first and last word on the world—modern, postmodern, whatever world you think you are living in. U., a “corporate anthropologist,” is tasked with writing the Great Report, an all-encompassing ethnographic document that would sum up our era. Yet at every turn, he feels himself overwhelmed by the ubiquity of data, lost in buffer zones, wandering through crowds of apparitions, willing them to coalesce into symbols that can be translated into some kind of account that makes sense. As he begins to wonder if the Great Report might remain a shapeless, oozing plasma, his senses are startled awake by a dream of an apocalyptic cityscape. In *Satin Island*, Tom McCarthy captures—as only he can—the way we experience our world, our efforts to find meaning (or just to stay awake) and discern the narratives we think of as our lives.

**Black Satin** Joan Elizabeth Lloyd,1995 Reuniting after fifteen years, former college roommates Carla and Ronnie explore the world of sophisticated sex by offering a service to their male friends in which they will act out personalized erotic scenarios. Original.

**Satin Secret** E Merritt,Emma Merritt,1987-07 After young Marta Carolina had been attacked by pirates, shipwrecked in a storm and beset by Indians, she was

convinced the New World brought nothing but tragedy ... until virile William Dare rescued her. The rugged American made her feel warm, protected, secure - and hungry for a fulfillment she could not name! The lovely innocent couldn't tear her gaze from his muscular form; she couldn't help but embrace him with gratitude and desire. And without really knowing what she did, she begged him to release her from the sensual fire he ignited when he was near. Wanton Whisper Towering William Dare cursed his luck when he found the petite beauty washed up on the South Carolina shore. He was out to avenge his honor and couldn't be bothered with an inexperienced, whimpering girl in the thick, tangled forests. Then he noticed her sky-blue eyes, her sleek black hair and her flawless ivory flesh ... and he couldn't hold back from tracing her perfect curves.

**White Satin** Iris Johansen, 2010-11-23 In this classic novel, New York Times bestselling author Iris Johansen spins a marvelous love story about a world-class figure skater, her distant, demanding mentor, and the high-stakes competition that could bring them together at last—or put all their dreams on ice. **WHITE SATIN** On the smooth, silvery surface of the ice skating rink, Dany Alexander cuts a figure of strength and fire, beauty and grace. One man alone is responsible for Dany's success: Anthony Malik, a former skating star who has managed her career for the past sixteen years. And for all that time, deep within his fortress of money, sex, and power, Anthony has found his attraction for Dany growing more intense. Now he wants Dany—not as a prodigy, but as a lover. Part guru, part taskmaster, and

total mystery, Anthony is adept at finding out things about Dany that she's kept hidden—even from herself. The depth of his desire for her can't be denied. But what about Dany's own need to get to know her mentor as the man he really is? With the Olympics just weeks away, an extraordinary contest of wills has begun. It could culminate in a crushing fall, or the greatest prize of all.

**Pink Satin** Jennifer Greene, 2011-03-07 With the figure of a sex symbol and a career as a lingerie executive, Greer Lothrop is used to attracting more than her fair share of male attention. After years of unwanted stares, she is far more comfortable playing mother hen than femme fatale. She's shocked when there's nothing motherly about the feelings her new neighbor, engineer Ryan McCullough, arouses in her. She's never been attracted to a man of such raw sexuality before. What is it about Ryan that has her confiding in him—and falling into his arms—within hours of meeting? It's clear Ryan isn't interested in Greer for her chicken soup. He's not falling for her girl-next-door routine either, no matter how hard she tries to deny their chemistry. He knows there's a passionate woman behind

the facade—and he knows just how to awaken her... 48,900 words Previously published.

Satin K. C. Wells, Meredith Russell, 2017-07-12 Can a touch of Satin bring a straight copper to his knees? But when the stake-out comes to an end, he can't resist going back to the bar. He gets a shock when he learns what lies beneath the satin dress, but an even bigger one when he realizes he's attracted to the owner of that sultry voice - Ross Dauntry. Ross can't figure out why the cop keeps coming back, even after he's learned the truth. Is Joel attracted to him, or to Satin? Because the answer is important, and one way or another, Ross needs to know... 46,000 words. A standalone novella of satin and sensuality... **Satin Doll** Karen E. Quinones Miller, 2001-10-26 *Satin Doll* is a witty, insightful, heartbreaking and honest tale about romantic relationships, friendships, and class distinctions. Bang! Being shot in the middle of the night and left for dead is what it took to open her eyes. Until that fateful moment, Regina Harris lived la vida loca with pimps and hustlers, a gangster lifestyle that supplied the money she needed to get high and forget the poverty of Harlem. Now she has turned her life around, is a college graduate and freelance journalist, and makes enough money to live on the Upper West Side and hob- nob with the city's movers and shakers. She's become the classy *Satin Doll* of the Duke Ellington song. But she can't forget where she came from: her three best friends are from the old neighborhood. The Harlem homegirls. Regina tries to give emotional support to each of her friends as they deal with their own personal

issues: Yvonne is a single mother looking for the right man. Tamika must raise two children alone while their father does time in jail for robbery. Puddin' lives her life by picking up men and smoking weed. Living in two worlds; comfortable in neither. On a night out partying with her homegirls in Harlem, Regina meets aspiring lawyer Charles Whitfield, son of a prominent, upper-class black family in Philadelphia. He loves her but not her rough-around-the-edges friends. She loves him but doesn't think she can live up to his family's expectations. Regina tries desperately to hide her former life, but when her past is revealed, it threatens to destroy her relationship with Charles and the life she has worked hard to create. From its dramatic beginning to the fateful ending, *Satin Doll* is a witty and truthful take on relationships, friendships, and class distinctions.

Alix is on her way to becoming the hottest fashion model in Paris. She has success, power, beauty—and a dark secret. She is running away from a past she refuses to accept and a man she refuses to be tamed by. Serving as the model for the first American fashion house opening in Paris, Alix must use her unusual beauty and skills to help with the launch, or else it will end in dismal failure. Can she resist the dark eyes of the mysterious man who haunts her and escape her past?

**Satin Nights** Karen E. Quinones Miller, 2006-08-07 Regina Harris has been through it all, orphaned at 13 and forced to use street wits to survive. Now living in Harlem with her four-year-old daughter, she thinks her life has finally stabilized—but where there's Regina, there's always

drama. She runs into a former boyfriend and, against her better judgment and the advice of friends, she resumes their steamy affair. Sparks fly when her U.S. Congressman ex-hubby decides he wants her back and her boyfriend decides he won't let her go. Life is no less dramatic for her three best friends--Yvonne can't tear herself from a lawyer turned violent junkie, Tamika and her family are being targeted by street thugs bent on revenge, and Puddin' still can't resist using any man in her sights to support bad habits.
