**My Heart** Corinna Luyken,2019-01-08 From the author-illustrator of *The Book of Mistakes* comes a gorgeous picture book about caring for your own heart and living with kindness and empathy. My heart is a window. My heart is a slide. My heart can be closed...or opened up wide. Some days your heart is a puddle or a fence to keep the world out. But some days it is wide open to the love that surrounds you. With lyrical text and breathtaking art, *My Heart* empowers all readers to listen to the guide within in this ode to love and self-acceptance.

*The Day You Begin* Jacqueline Woodson,2018-08-28 A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show *Bookmarks: Celebrating Black Voices*! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres*!)

*A Little SPOT of Feelings* Diane Alber,2020-07-24 Gives coping and managing techniques to deal with ones emotions.

*Hurty Feelings* Helen Lester,2014-01-14 A thin-skinned hippo and a bully elephant learn about feelings in this hilarious tale from the author of *Hooway for Wodney Wat*. *Fragility* was a solid piece of work. But despite her sturdy exterior, *Fragility* was

fragile. Anything and everything hurt her feelings. In the most benign compliment, Fragility heard an insult. No one could even say she looked nice without evoking images of big, squishy cupcakes—since they are also nice—and causing Fragility to flop on the ground and weep. Fragility's friends stop speaking to her for fear of another fit, but Rudy, a very rude bully, has other ideas. In the face of real insults, will Fragility finally learn to take a compliment? This e-book includes audio narration. "The punchy story line will keep children laughing, and Munsinger's characteristic watercolor illustrations bring the tale to life, making Lester's creatures all the more entertaining and enjoyable."—School Library Journal "Munsinger's illustrations prop up this...tale with a brace of good cheer and well-tempered comedy."—Kirkus Reviews "Lester enhances the basic story about handling emotions with a satisfying slapstick humor that's beautifully extended in Munsinger's hilarious, wildly expressive illustrations."—Booklist, ALA

### **The Particular Sadness of Lemon Cake** Aimee

Bender, 2010-06-01 The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. *The Particular Sadness of Lemon Cake* is a

luminous tale about the enormous difficulty of loving someone fully when you know too much about them. *The Day that Changed Everything* Catherine

Miller,2020-01-17 'I absolutely loved this book, it was a beautiful story about love, loss and family. The characters were so well drawn I felt I knew them, and I didn't want to finish the book because that would mean saying goodbye to these wonderful characters.' Goodreads Reviewer, [REDACTED] When you lose the love of your life, how do you find yourself again? For Tabitha, the day that changed everything started like any other. She woke up, slid her feet into fluffy slippers, wrapped herself in a dressing gown and tiptoed out of her bedroom, leaving her husband Andy sleeping. Downstairs, she boiled the kettle and enjoyed a cup of tea as the sun rose. Upstairs, Andy's alarm sounded, and Tabitha took him a freshly brewed coffee, like every other morning. Except today, the incessant beeping rang out and her husband hadn't stirred. She called his name, she nudged his shoulder. But Andy wouldn't wake up. Three years later Tabitha is trying her hardest to get by in the shadow of her grief. She may have lost the love of her life but she won't give up on the family they dreamed of. Fostering troublesome teenage girls and a newborn baby is a chance to piece together her broken heart. But being a mother isn't easy, and neither is healing the heartache she carries

around. After losing everything, could saving these three children help Tabitha save herself too? **A Feeling for Books** Janice A. Radway, 2000-11-09 Deftly melding ethnography, cultural history, literary criticism, and autobiographical reflection, *A Feeling for Books* is at once an engaging study of the Book-of-the-Month Club's influential role as a cultural institution and a profoundly personal meditation about the experience of reading. Janice Radway traces the history of the famous mail-order book club from its controversial founding in 1926 through its evolution into an enterprise uniquely successful in blending commerce and culture. Framing her historical narrative with writing of a more personal sort, Radway reflects on the contemporary role of the Book-of-the-Month Club in American cultural history and in her own life. Her detailed account of the standards and practices employed by the club's in-house editors is also an absorbing story of her interactions with those editors. Examining her experiences as a fourteen-year-old reader of the club's selections and, later, as a professor of literature, she offers a series of rigorously analytical yet deeply personal readings of such beloved novels as *Marjorie Morningstar* and *To Kill a Mockingbird*. Rich and rewarding, this book will captivate and delight anyone who is interested in the history of books and in the personal and transformative experience of reading.

**School Days in Vietnam Stories from the Heart** Larry Welch, 2015-08-29 *School Days in Vietnam* is the third book in a trilogy that encompass five years of teaching English in Thailand, Myanmar, and Vietnam. I only taught for a year in Hanoi and used the second year to travel and carry-on with other missions in my life that included writing much of this book and other stories about travel. I had wanted to live in Hanoi since first visiting in 2004, but the opportunity didn't present itself until eight years later through employment as an English teacher in an international school. In my mind I had high expectations and a goal of remaining in Hanoi for two years. Everything was more interesting and meaningful than I could have expected and at the

end of two years I felt tied to my friendships and the amazing lifestyle that was simple yet lavish in humanity. I was totally enamored with Vietnam, the people, the natural beauty of its diverse geography, and the culture that separates it from all other nations. I made more friends than I had in any other country, and in North Vietnam I enjoyed a weather pattern that was near to the tropics but decidedly four seasons.

Parents and children will delight in reading along and exploring the world in a whole new way, in this valentine for all seasons.
