Midnight in Washington Adam Schiff,2022-08-16 #1 NEW YORK TIMES BESTSELLER • The vital inside account of American democracy in its darkest hour, from the rise of autocracy unleashed by Trump to the January 6 insurrection, and a warning that those forces remain as potent as ever—from the congressman who led the first impeachment of Donald J. Trump “Engaging and informative . . . a manual for how to probe and question power, how to hold leaders accountable in a time of diminishing responsibility.”—The Washington Post With a new afterword by the author In the years leading up to the election of Donald Trump, Congressman Adam Schiff had already been sounding the alarm over the resurgence of autocracy around the world, and the threat this posed to the United States. But as he led the probe into Donald Trump’s Russia and Ukraine-related abuses of presidential power, Schiff came to the terrible conclusion that the principal threat to American democracy now came from within. In *Midnight in Washington*, Schiff argues that the Trump presidency has so weakened our institutions and compromised the Republican Party that the peril will last for years, requiring unprecedented vigilance against the growing and dangerous appeal of authoritarianism. The congressman chronicles step-by-step just how our democracy was put at such risk, and traces his own path to meeting the crisis—from serious prosecutor, to congressman with an expertise in national security and a reputation for bipartisanship, to liberal lightning rod, scourge of the right, and archenemy of a president. Schiff takes us inside his team of impeachment managers and their desperate defense of the Constitution amid the rise of a distinctly American brand of autocracy. Deepening our understanding of prominent public moments, Schiff reveals the private struggles, the internal conflicts, and the triumphs of courage that came with defending the republic against a lawless president—but also the slow surrender of people that he had worked with and admired to the dangerous immorality of a president engaged in an historic betrayal of his office. Schiff’s fight for democracy is one of the great dramas of our time, told by the man who became the president’s principal antagonist. It is a story that began with Trump but does not end with him, taking us through the disastrous culmination of the presidency and Schiff’s account of January 6, 2021, and how the antidemocratic forces Trump unleashed continue to define his party, making the future of democracy in America more uncertain than ever.

Summary of Adam Schiff's *Midnight in Washington* Milkyway Media,2021-11-23 Buy now to get the main key ideas from Adam Schiff's *Midnight in Washington* In *Midnight in Washington* (2021), Adam Schiff reflects on the actions of Donald Trump that compromised the very nature of democracy in America. Narrating key moments of his life up to the point he became a congressman, Schiff gives the readers insights on his ideologies and upbringing. He argues that Trump committed unlawful acts against the nation, chronicles the first and second impeachment, and details Trump’s reaction to Joe Biden winning the 2020 presidential election. *Midnight in Washington* is a testimony of what happened on the human level during key political events. Schiff aims to show how the Republican Party was stripped of its principles, how he lost friendships with colleagues he had worked with for years, and how certain people risked everything to stand up against the autocratic rule of Donald Trump.

The Two-Party Trap Steven Verrier,2022-08-12 The United States has become increasingly polarized, although the concept of a two-party system is not new. This book traces the major parties' utter dominance--of the highest elected positions all the way down to nonpartisan political offices across the U.S.--from the founding of the Constitution through the 2020 presidential election. Even before the founding of the modern Republican Party in 1854 and the next 168-year era of Democratic-GOP dominance, the early decades of American nationhood were ruled in a similar manner by the two major parties of the day. This book is a comprehensive, fast-paced analysis of how the two-party system has grown to be such an affront to the ideals of the Founding Fathers and of the numerous Americans today who appear to accept it as a fact of life.

The Two-Party Trap Steven Verrier,2022-08-16 The United States has become increasingly polarized, although the concept of a two-party system is not new. This book traces the major parties' utter dominance--of the highest elected positions all the way down to nonpartisan political offices across the U.S.--from the founding of the Constitution through the 2020 presidential election. Even before the founding of the modern Republican Party in 1854 and the next 168-year era of Democratic-GOP dominance, the early decades of American nationhood were ruled in a similar manner by the two major parties of the day. This book is a comprehensive, fast-paced analysis of how the two-party system has grown to be such an affront to the ideals of the Founding Fathers and of the numerous Americans today who appear to accept it as a fact of life.

National Elections and the Autonomy of American State Party Systems James G. Gimpel,1996-05-15 Traditional theories of party organization have emphasized two-party electoral competition as the force behind party unity in state politics. V. O. Key first advanced this theory in *Southern Politics*, where he concluded that party factionalism in the South was mainly attributable to the one-party character of the region. But this traditional theory does not fit all states equally well. In the states of the West, especially, parties are competitive, but political activity is centered on candidates, not parties. The theory of candidate-centered politics allows Gimpel to explain why party factionalism has persisted in many regions of the United States in spite of fierce two-party competition. Using interviews, polling data, elections returns, and demographic information, Gimpel contends that major upheavals in the two-party balance of presidential voting may leave lower offices untouched.

Jacob Schiff and the Art of Risk Adam Gower,2018-06-19 Jacob Henry Schiff (1847–1920), a German-born American Jewish banker, facilitated critical loans for Japan in the early twentieth century. Working on behalf of the firm of Kuhn, Loeb & Co., Schiff’s assertiveness in favour of Japan separated him from his fellow German Jewish financiers and the banking establishment generally. This book’s analysis differs from the consensus that Schiff funded Japan largely out of enmity towards Russia but rather sought to work with Japan for over thirty years. This was as much a factor in his actions surrounding the Russo-Japanese War (1904–1905) as his concern to thwart Russian antisemitism. Of interest to financial historians alongside Japanese historians and academics of both genres, this book provides a lively and thoroughly researched volume that precisely focuses on Schiff’s mastery of banking.

The Lady Upstairs Marilyn Nissenson,2013-11-19 *The Lady Upstairs* is the dramatic story of Dorothy Schiff---liberal activist, society stalwart, and the most dynamic female newspaper publisher of her day. From 1939 until 1976 she owned and guided the New York Post, the oldest continuously published daily newspaper in the United States. Dolly, as she was called, made the Post one of the most dedicated supporters of New Deal liberalism in the country, while simultaneously maintaining its distinct personality as a chatty, parochial, New York tabloid. Unfazed by political or personal controversy, Schiff backed editorial writers like James Wechsler and Max Lerner and reporters like Murray Kempton and Pete Hamill. Under her guidance the Post broke the story of Richard Nixon's slush fund. It helped bring down such icons of the day as Joseph McCarthy, Walter Winchell, and Robert Moses. It supported the civil rights movement and opposed the Vietnam War. Although Dolly seldom appeared in the newsroom, she approved and commented on every major story and every minor column in the paper, until eventually selling it to Rupert Murdoch. Dolly's private life could have been a staple of the Post's society gossip columns. Endlessly flirtatious, she married four times and had extra-marital romances with, among others, Franklin Roosevelt and Max Beaverbrook. She was a friend of national politicians such as Adlai Stevenson, the Kennedys, Lyndon Johnson, and Nelson Rockefeller. Born into a staunchly Republican German-Jewish banking family, she used her inheritance to further causes of the political left. She used her charm and her social connections in the service of her paper, which was the center of her life. *The Lady Upstairs* is the portrait of a unique life and a crucial era in American history.

Midnight in Washington Adam B. Schiff,2021-10-12 #1 NEW YORK TIMES BESTSELLER - The vital inside account of American democracy in its darkest hour, from the rise of autocracy unleashed by Trump to the January 6 insurrection, and a warning that those forces remain as potent as ever—from the congressman who led the first impeachment of Donald J. Congress A to Z Charles McCutcheon, Chuck McCutcheon, 2022-06 Congress A to Z provides ready-reference insight into the national legislature, its organization, processes, major legislation, and history. No other volume so clearly and concisely explains every key aspect of the national legislature. The Seventh Edition of this classic, easy-to-use reference is updated with new entries covering the dramatic congressional events of recent years, including a demographically younger Congress, the urban-rural divide, and climate change. Each of the more than 250 entries, arranged in encyclopedic A-to-Z format, provides insight into the key questions readers have about the U.S. Congress and helps them make sense of the continued division between Republicans and Democrats, the methods members use to advance their agendas, the influence of lobby groups, the role of committees and strong-willed leaders, and much more. Key Features: Available in both electronic and print formats Quick answers to questions as well as in-depth background on the U.S. Congress Detailed tables and index Entries now include cross-references and lists of further readings to help readers continue the research journey

"Our Crowd" Stephen Birmingham, 2015-12-01 The #1 New York Times bestseller that traces the rise of the Guggenheims, the Goldmans, and other families from immigrant poverty to social prominence. They immigrated to America from Germany in the nineteenth century with names like Loeb, Sachs, Seligman, Lehman, Guggenheim, and Goldman. From tenements on the Lower East Side to Park Avenue mansions, this handful of Jewish families turned small businesses into imposing enterprises and amassed spectacular fortunes. But despite possessing breathtaking wealth that rivaled the Astors and Rockefellers, they were barred by the gentile establishment from the lofty realm of "the 400," a register of New York's most elite, because of their religion and humble backgrounds. In response, they created their own elite "100," a privileged society as opulent and exclusive as the one that had refused them entry. "Our Crowd" is the fascinating story of this rarefied society. Based on letters, documents, diary entries, and intimate personal remembrances of family lore by members of these most illustrious clans, it is an engrossing portrait of upper-class Jewish life over two centuries; a riveting story of the bankers, brokers, financiers, philanthropists, and business tycoons who started with nothing and turned their family names into American institutions.

Investigation of Railroads, Holding Companies, and Affiliated Companies. Preliminary Report: 1930-32 United States. Congress. Senate. Committee on Interstate Commerce, 1940

Van Gogh's Room at Arles Stanley Elkin, 2010-10-26 DIV DIV Three witty and poignant novellas from a twentieth-century literary master at the peak of his craft DIV /div/div DIV Van Gogh's Room at Arles is Stanley Elkin's second collection of novellas, a razor-sharp exploration of three characters suffering under the weight of intellectual, physical, and social burdens. In the collection's title story, Elkin writes of an insecure professor's scholarly retreat with the most accomplished members of his field. "Her Sense of Timing" is a story of a man who, though confined to a wheelchair, attempts to throw a party without the help of his absent wife. And in "Confessions of a Princess Manque," Elkin writes of the Prince of Wales's love affair with a common woman in a parody of a sensationalist tabloid story. /div DIV /div DIV This ebook features rare photos and never-before-seen documents from the author's estate and from the Stanley Elkin archives at Washington University in St. Louis. /div /div

The Jews in America Trilogy Stephen Birmingham, 2016-06-28 Three New York Times bestsellers chronicle the rise of America's most influential Jewish families as they transition from poor immigrants to household names. In his acclaimed trilogy, author Stephen Birmingham paints an engrossing portrait of Jewish American life from the colonial era through the twentieth century with fascinating narrative and meticulous research. The collection's best-known book, "Our Crowd" follows nineteenth-century German immigrants with recognizable names like Loeb, Sachs, Lehman, Guggenheim, and Goldman. Turning small family businesses into institutions of finance, banking, and philanthropy, they elevated themselves from Lower East Side tenements to Park Avenue mansions. Barred from New York's gentile elite because of their religion and humble backgrounds, they created their own exclusive group, as affluent and selective as the one that had refused them entry. The *Grande*es travels farther back in history to 1654, when twenty-three Sephardic Jews arrived in New York. Members of this small and insulated group—considered the first Jewish community in America—soon established themselves as wealthy businessmen and financiers. With descendants including poet Emma Lazarus, Barnard College founder Annie Nathan Meyer, and Supreme Court Justice Benjamin N. Cardozo, these families were—and still are—hugely influential in the nation's culture, politics, and economics. In "The Rest of Us," Birmingham documents the third major wave of Jewish immigration: Eastern Europeans who swept through Ellis Island between 1880 and 1924. These refugees from czarist Russia and Polish shtetls were considered barbaric, uneducated, and too steeped in the traditions of the "old country" to be accepted by the well-established German American Jews. But the new arrivals were tough, passionate, and determined. Their incredible rags to riches stories include those of the lives of Hollywood tycoon Samuel Goldwyn, Broadway composer Irving Berlin, makeup mogul Helena Rubenstein, and mobster Meyer Lansky. This unforgettable collection comprises a comprehensive account of the Jewish American upper class, their opulent world, and their lasting mark on American society.

The Tweets of President Donald J. Trump Forefront Books, 2020-07-28 Love them or hate them, the tweets of President Donald J. Trump rule the Twitterverse. Until our last presidential campaign, television, particularly campaign ads, dominated the political landscape. But with the rise of Donald J. Trump came a new political tool: the internet. Trump used this to communicate instantly and very effectively with the American people. And it worked. Establishing his political positions by tweeting numerous times a day, Trump pulled a major upset by defeating Hillary Rodham Clinton to become the 45th president of the United States. Once in office, Trump did not abandon his penchant for using Twitter as his populist platform. Instead, he doubled down on it, making it his primary means of communicating with the American people. Knowing how effective a tweet can be, Trump once wrote, "Boom. I press it and within two seconds we have breaking news." With a massive Twitter following of 78 million by the spring of 2020, Trump's direct impact upon Americans cannot be dismissed, nor can the value of his tweets as an essential part of the historical record be denied. To put the enormous impact of his tweets into perspective, Trump won the White House with 63 million votes—a number significantly lower than his massive Twitter following. Now you can read the collected tweets of wisdom—or ridiculousness—from President Donald J. Trump, from his inauguration through February 2020 in this historically significant collection.

The Jews of Capitol Hill Kurt F. Stone, 2010-12-29 This volume includes entries on every Jewish member of Congress. Each entry identifies the member's political party and the years of service, provides a biographical

sketch, often numbering several pages, and includes references for further study. This is the most comprehensive and extensive resource on the legacy of Jewish representation and influence in the United States Congress. [New York Supreme Court](#) ,

Schiff&sorty Introduction

Schiff&sorty Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Schiff&sorty Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Schiff&sorty : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Schiff&sorty : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Schiff&sorty Offers a diverse range of free eBooks across various genres. Schiff&sorty Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Schiff&sorty Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Schiff&sorty, especially related to Schiff&sorty, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Schiff&sorty, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Schiff&sorty books or magazines might include. Look for these in online stores or libraries. Remember that while Schiff&sorty, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library

Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Schiff&sorty eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Schiff&sorty full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Schiff&sorty eBooks, including some popular titles.

FAQs About Schiff&sorty Books

1. Where can I buy Schiff&sorty books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Schiff&sorty book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Schiff&sorty books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Schiff&sorty audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Schiff&sorty books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
