The Man in the Rockefeller Suit Mark Seal, 2011-06-02 A real-life Talented Mr. Ripley, the unbelievable thirty-year run of a shape-shifting con man. The story of Clark Rockefeller is a stranger-than-fiction twist on the classic American success story of the self-made man—because Clark Rockefeller was totally made up. The career con man who convincingly passed himself off as Rockefeller was born in a small village in Germany. At seventeen, obsessed with getting to America, he flew into the country on dubious student visa documents and his journey of deception began. Over the next thirty years, boldly assuming a series of false identities, he moved up the social ladder through exclusive enclaves on both coasts—culminating in a stunning twelve-year marriage to a rising star businesswoman with a Harvard MBA who believed she'd wed a Rockefeller. The imposter charmed his way into exclusive clubs and financial institutions—working on Wall Street, showing off an extraordinary art collection—until his marriage ended and he was arrested for kidnapping his daughter, which exposed his past of astounding deceptions as well as a connection to the bizarre disappearance of a California couple in the mid-1980s. The story of *The Man in the Rockefeller Suit* is a probing and cinematic exploration of an audacious imposer—and a man determined to live the American dream by any means necessary.

First Seal Roy Boehm, Charles W. Sasser, 2003-04 He's the godfather of the U.S. Navy SEALs -- the founder of the boldest, brightest, baddest bunch of commandos on the face of the planet. Now Roy Boehm tells how he mastered survival as a warrior -- and changed the course of twentieth-century warfare. Roy Boehm was fated for heroism from the moment he shipped out with the U.S. Navy, eight months before Pearl Harbor. His brilliant fighting career would lead him from the sea battles of the South Pacific to the killing fields of Vietnam. As World War II came to a close and the Cold War began, Boehm saw the need for an unconventional warrior. Drawing on his expertise as a diver and member of the Navy's Underwater Demolition Teams, he created a force capable of attack from sea, air, or land. This unique dedicated and ruthless unit would become the legendary Navy SEALs. With the impact of a depth charge, First Seal delivers a no-holds-barred look at what it takes to be one of that rare breed of men who live for war...or die for their country.

These words, spoken by a Navy SEAL, ended Osama bin Laden's reign of terror. SEAL Target Geronimo is the story of Neptune's Spear from the men who were there. After talking to members of the SEAL team involved in the raid, Pfarrer shares never-before-revealed details in an exclusive account of what happened as he takes readers inside the walls of Bin Laden's compound penetrating deep into the terrorist's lair to reach the exact spot where the Al Qaeda leader was cowering when the bullet entered his head. The Ghost SEAL Roger Grubbs, 2013-05-28 Right before their very eyes, the blazing firestorm yielded up the Ghost! With jaws dropped, the men stood in awe as the creature slowly approached them. No one could have survived that roaring fire set in motion by their own devices. Yet, there he stood larger than life. It was none other than Navy SEAL Commander Bart Nelson. Not believing her eyes, Captain Chelsea Steele wrapped her arms around him and

felt of the flesh to make certain it was not an illusion. Still not convinced his men inquired as to how this could be possible. From this day forward the commander was known by both friend and foe as the Ghost. Yes, he had survived but this was only the beginning. The mighty warrior seemed to be invincible and thus the legend grew. Before long the enemy became fearful of the one that simply would not die. At every turn this creature showed up, plaguing their efforts, leaving behind lifeless rebels amid destruction. Alas, there was one thing the Ghost was incapable of, and that set in motion the stories that would follow his departure from the Navy SEALs! If you are a fan of the popular SEALs Series, beginning with *The Twelve SEALs*, you will want to read this book! Please allow me to introduce this larger-than-life hero, Commander Bart Nelson, The Ghost SEAL!
