Second Story Denise Duhamel, 2021-03-09 When her Florida apartment is damaged by the ferocity of Hurricane Irma, Duhamel turns to Dante and terza rima, reconstructing the form into the long poem “Terza Irma.” Throughout the book she investigates our near-catastrophic ecological and political moment, hyperaware of her own complicity, resistance, and agency. She writes odes to her favorite uncle—who was “green” before it was a hashtag—and Mother Nature via a retro margarine commercial. She writes letters to her failing memory as well as to America’s amnesia. With fear of the water below and a burglar who enters through her second story window, she bravely faces the story under the story, the second story we often neglect to tell.

Confessions of a Second Story Man Allen M.

Hornblum, 2013-10-07 Author Allen Hornblum tells the strange but true story of Junior Kripplebauer and his Philadelphia-based crew known as the Kripplebauer Gang. Up and down the East Coast, they robbed wealthy suburban residences with assembly line skills of breaking, entering, and bagging the loot. Hornblum describes the transformation of the K&A Gang from a group of blue collar thieves to their work in conjunction with numerous organized crime families and their help to make Philadelphia the meth capital of the nation. It is a compelling read about a fascinating bunch of hoodlums.

Scotia. Ashley sees his sadness, and Uncle tells her of the day years ago when he and the other children from their community were told to board the train before being taken to residential school where their lives were changed forever. They weren't allowed to speak Mi'gmaq and were punished if they did. There was no one to give them love and hugs and comfort. Uncle also tells Ashley how happy she and her sister make him. They are what give him hope. Ashley promises to wait with her uncle by the train tracks, in remembrance of what was lost.

Second Story Man Charles Salzberg, 2018-03-26 Francis Hoyt, arrogant, athletic, brilliant, manipulative and ruthless, is a master burglar. He specializes in stealing high-end silver, breaking into homes that seem impenetrable. He's never been caught in the act, although he has spent some time in prison on a related charge, time he used to hone his craft and make valuable connections. (Hoyt is based on two real-life master burglars: the so-called Dinnertime Bandit, who only stole when his victims were home, and The Silver Thief, who was only interested in high-end silver). Hoyt follows the money. In the winter, he works down south, primarily in southern Florida and Georgia, around the Atlanta area. Summers, he moves back up north, where he plies his trade in New York, New Jersey, Connecticut and Massachusetts. One day, Charlie Floyd, brilliant, stubborn, an experienced investigator, who has recently retired from his job with the attorney general's department for the state of Connecticut, receives a phone call from Manny Perez, a Cuban-American Miami police detective. Perez, who's worked with Floyd previously, wants to enlist the former investigator in his efforts to put an end to Francis Hoyt's criminal career. Floyd accepts the offer and they team up to bring Hoyt to justice. Told in alternating chapters representing Hoyt's, Floyd's and Perez's points-of-view, the story develops into a contest between the two lawmen and this master burglar. As Floyd and Perez get closer to their prey, Hoyt finds out they're after him and rather than backing down, he

taunts them, daring them to bring him in. The stakes get higher and higher, and Hoyt, who is always concerned about proving he's the best at what he does, even resorts to murder. Eventually, the story climaxes in a confrontation between the three men.

Praise for *SECOND STORY MAN*: "Second Story Man is a down and dirty game of cat and mouse, only this time there are two cats and the mouse hasn't yet seen the trap that can touch him. Are two cats better than one? Read it and see." —Reed Farrel Coleman, New York Times bestselling author of *What You Break*

"Salzberg is a superb wordsmith, with an honest ear for dialogue, and a delight in plot twists. If you're not already a Salzberg fan, read this book; you will become one." —Michael Sears, Edgar Award nominee and Shamus Award winner for *Black Fridays*

"With *Second Story Man*, Charles Salzberg works his magic on the old cat-and-mouse game: he adds an extra cat, a (Michael J) foxy mouse, and a mousetrap you won't see coming until it snaps shut." —Tim O'Mara, Barry Award-nominated author of the Raymond Donne mysteries

"Traversing my old stomping grounds, from Connecticut to South Beach, I loved the local touches and flavors. But what hit me hardest is how much this plays like a re-envisioned Michael Mann's *Heat*. The terse dialogue, two men on opposite sides of the law but oh-so-much alike, the chess match. I would've liked to see that movie." —Joe Clifford, author of the Jay Porter thriller series

"Terrific. And the riveting *Second Story Man* is also a master class in voice and dialogue and storytelling. This caper about three men—two cops and a burglar—reinventing themselves for the second stories of their lives is unique, textured and even hilarious. Charles Salzberg has perfected the existential crime novel—and this one will break your heart." —Hank Phillippi Ryan, Anthony, Agatha and Mary Higgins Clark Award-winning author

"Charlie Floyd and Manny Perez are a new and most welcome team on the investigative scene. Now that they've dispensed with master burglar Francis Hoyt—or have they?—I'm expecting, and looking forward to, more of their unique take on

how to bring down evil-doers.” —SJ Rozan, Edgar Award-winning author of *Ghost Hero*

Second Ascent Alison Osius, 1991 Describes how a talented rock climber survived a double amputation at seventeen to return to his chosen sport.

The Second Book of Lost Swords Fred Saberhagen, 2020-03-20 Long ago, the gods forged Twelve Swords of Power and threw them on the gameboard of life to watch men scramble. But they had forged too well: the Swords could kill the gods themselves. Now, the gods gone, the Swords are scattered across the land, some held by those of good heart, and some by evildoers. One is held by Arnfinn, a country boy who knows nothing of Sightblinder’s power: to make the viewer see that which he most desires—or most fears. Sightblinder must be used, if Ben of Purkinje is to rescue Prince Mark from the hell in which he lies captive, prisoner of the horrifying ageless Ancient One.

Second Story Work Josh Cybulski, 2020-09-18 Josh Cybulski's debut novel explores a generation who were told they could do anything. Some did, and without a doubt still are, and some became disillusioned at the first signs of adversity. Meet Sarge, Messy, Hecky and R-Luv, four media school grads who head towards the booming film industry in Vancouver. Art is a distant memory as they pursue North Hollywood lights and their

spoils of sex, drugs, and, let's face it, more drugs. But, good luck turns bad in *Second Story Work* as these young men scramble to sustain whetted appetites that they could never satisfy. Cybulski's gritty tale is one of crime, betrayal, and moral apathy, where the difference between friend and foe is blurred line after line.

When We Were Shadows Janet Wees, 2018-04-03 Walter is a young child when his parents decide to leave their home in Germany and start a new life in the Netherlands. As Jews, they know they are not safe under the Nazi regime. Walter is at first too young to appreciate the danger that he is in, and everything seems like a great adventure. But as his family is forced to move again and again, from city to countryside to, eventually, a hidden village deep in the Dutch woods, Walter's eyes are opened to the threat that surrounds them every day and to the network of people who are risking their lives to help them stay hidden. Based on a true story, the novel shines a light on a little-known part of WWII history and the heroes of the Dutch resistance—particularly those involved in the hidden village—without whose protection, Walter, his family, and hundreds of others would not have survived.

Second Shift: The Inside Story of the Keep GM Movement David Hollister, Ray Tadgerson, David Closs, G. Tomas M. Hult, 2016-08-26 The dynamic, collaborative management model that saved a U.S. manufacturing city When car-making giant General Motors decided to close its plant in Lansing, Michigan, in 1996, one person—the city's newly elected mayor—stood up and said “no.” Initially, it was the cry of a man in the wilderness. Not once in its century-long history had GM reversed a decision to close a plant. But Mayor David Hollister

quietly went to work building the Lansing Works! Keep GM! movement and succeeded in defying all the odds. Lansing remains GM's Oldsmobile headquarters. Hollister's collaborative problem-solving approach—the Second Shift model—succeeded in bringing together state and regional politicians, economic developers, private sector firms, labor unions, educators, and residents of the region. Powerful, persuasive, and well-organized, this coalition implemented a strategic, six-dimensional framework to achieve the seemingly impossible: • Identifying: Name the challenge and its impact • Partnering: Develop meaningful relationships • Building: Construct your strategy as you go • Solving: Engage in constant problem solving • Celebrating: Mark successful milestones • Persevering: Adapt and endure The Lansing Works! Keep GM! movement was a victory of people over bureaucracy, of a can-do attitude over cynicism—a story rarely told in today's complex, technological, and often dehumanizing world of large business and out-of-control government. And the best part was that, in the end, both sides came away winners. It's proof positive that when the public and private sectors work together as equal partners, amazing things can happen. One of the great business sagas of modern times, Second Shift provides a proven, practical design for problem solving that anyone can apply in any business, large or small.

Second Story Man Eric Ugland, 2019-10-17 Has your life here been so difficult? You seem to fail upward at every opportunity. So says Careena, the hag teaching Clyde Hatchett how to use magic. It certainly doesn't feel like that to Clyde, who's still got a day job scraping mud (at least he hopes it's mud) out of monster pits, and whose thieves' guild is more concerned with baking cookies than with protecting him against a rival gang. He keeps accumulating roommates - like a freed sex slave and a retired paladin - who make him nervous, but for very different reasons. And let's not get started on the mimic that's taken up residence by Clyde's shower, or the supposedly-tame grimeling in

his closet... And yet even with all the annoyances, distractions, and occasional death threats, Clyde's found himself at the center of a massive conspiracy to kill the Emperor. He's the only one with proof that could save the man, and take down an entire network of corrupt nobles, evil slavers, and power-hungry despots. Clyde really hopes Careena is right about him - the fate of the entire Empire depends on it.

Hana's Suitcase Karen Levine, 2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, Hana's Suitcase takes the

reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. Hana's Suitcase is part of the award-winning Holocaust Remembrance Series for Young Readers.
