La Tormenta Vera Colon,2018-05-13 As the unprecedented category 5 storm, Hurricane Isaac, barrels across towards the Sunshine State, storm clouds of another kind roil beneath the roof of the Tenorio home. Philandering husband, Vicente Tenorio, surprises his wife by arriving home with his mistress and their children in tow to ride out the dangerous storm. Mariangela Tenorio knew about the affair, of course, but looked the other way like a good wife. Her mother insists it's her penance for getting knocked up and married instead of finishing high school but residing under the same roof as the other woman? If puerca de Juan Bobo is still alive at the end of their 72 hours together, Mari will write the Vatican personally to demand sainthood! Alexis Tenorio knows about the affair as well. Hell, the blind, deaf and dead would know about it with all the yelling and tears in that house and the youngest daughter can't move out fast enough! But the teen is full of her own secrets with no one to confide in. Retiring freelance photographer and

eldest brother, Efraim Tenorio, also has a secret or two he hasn't divulged to the family but the powder keg atmosphere of the household may finally make him crack. The entire situation is news to Dr. Sandra Tenorio, accomplished but still single NY doctor who discovers while visiting for Abuela's 85th birthday that she's been drummed out of the family as penalty for focusing on her career and wonders what happened to the loving, close-knit family she grew up with. When Isaac finally dies down, will the devastation be worst inside the house or outside?

La flor del desierto/Una sola tierra Margaret Way, 2009-11-01 La flor del desierto. Para lady Francesca de Lyle no había duda: entre los lujos de una mansión inglesa y los peligros del desértico interior de Australia, elegía lo segundo. Estaba enamorada del rudo Grant Cameron y junto a él encontraría todo lo que deseaba y necesitaba. Grant se sentía confuso. Quería a Francesca, pero temía que ésta no soportara la dureza del medio y decidiera un día regresar a su mundo privilegiado en Europa. Aunque parecía dispuesta a aprender y demostraba ser valiente, no estaba seguro de si debía arriesgarse a pedirle que fuera su mujer. Libro autor 70-2_x000D_ Una sola tierra. Storm McFarlane le había declarado la guerra a su rival, Luke Branagan, que además era el hijo adoptivo de su padre. Luke estaba preparándose para hacerse cargo del vasto imperio ganadero que poseía la familia; y eso era precisamente lo que había desatado la furia de Storm y había provocado que ésta se marchara de Winding River. Había decidido empezar una nueva vida en la ciudad. Sin embargo, seguía añorando la vida en el salvaje interior australiano, por eso cuando Luke insistió en que fuera a visitar a su padre, accedió enseguida... Allí descubrió que el enconado rencor que había sentido por aquel usurpador se había convertido en un irrefrenable deseo...

The Storm - Spanish Joseph Hradisky, 2013-09-26 Buena poesía se reduce, ya que se siente y se expresa en la cruda pasión del momento. ¿Qué es capturado para que el lector sienta la emoción pura que fluye del verso.

Breve historia de siete asesinatos Marlon James, 2016-04-04 Construida sobre los testimonios ficticios de quienes participaron en aquellos acontecimientos (sicarios, mafiosos, políticos o espías; víctimas y verdugos; simples espectadores e, incluso, algún fantasma), Breve historia de siete asesinatos nos lleva al corazón de las tinieblas jamaicanas recorriendo tres décadas turbulentas e infinidad de episodios estremecedores (no exentos, pese a todo, de un elemento cómico). Manejada con increíble pericia, la estructura coral permite a Marlon James plasmar los hechos desde múltiples perspectivas y texturas verbales. Ese aspecto esencial del relato, la volcánica trama del habla, era un auténtico desafío literario que los escritores Javier Calvo y Wendy Guerra han logrado superar de forma brillante en su espléndida traducción.
