Against all odds, Tommy Ward survived the Darkest Storm and its aftermath but his biggest challenge announces itself with the blare of a siren. Now, the team is in a race against time to destroy the planet-threatening ray responsible for the deaths of billions of people before the Protectorate can use it to eliminate the Gifted once and for all. To save humanity, Tommy and his team of outcasts must travel the Earth from Cairo to San Francisco, Boston to Tokyo, and fight the Brotherhood, the Syndicate, and the Reclaimers for control of the weapon that could end life on Earth. Bonds will break, alliances will be tested, and secrets will be revealed as the fate of Tommy and everyone he loves hangs in the balance. Storm Shattered is the explosive conclusion to The Darkest Storm trilogy that began with the award-winning Storm Forged. The Darkest Storm Trilogy: Storm Forged Unbreakable Storm Storm Shattered

Nacl: Eye of the Storm Allegra Pescatore, E. Sands, 2020-09-13 Lani should never have trusted any plan that started with the words, So, I have an idea, but first you need a drink. When a crazy Precog handed Lani the coordinates to a stretch of ocean just off the Salt Spire, she should have thrown them overboard. Going there would be a horrible idea. Lani, though, was a pro at making bad decisions. A not-so-chance encounter with escaped salt slave Adavera launches them on a path to forsake all that they know and dare to take on the cruel Corporation that controls every grain of salt on their planet. With the help of old friends, new friends, and people they are pretty sure might be enemies, Adavera and Lani travel outside the protective reef that keeps the worst of the Storms off the Islands and venture into a world of piracy, astonishing powers, and unexpected love. The odds might be against them, but with a little planning and a lot of brass, this team of misfits intends to do the impossible. They have very little in common, except for two things: They all want to blow the Crystal Corporation into oblivion... And are willing to sacrifice anything to see it done. NACL: Eye of the Storm is a high-octane, non-stop, foul mouthed and steamy roller-coaster of a novel.

When a student at Perry's new job at a nearby university winds up dead with no sign of attack other than sand scattered around the body, Ash finds the perfect distraction. Only, he can barely get answers on the first victim before another student is killed in the same way somewhere else on campus. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
