**The Hero: How The Story of God Shapes Our Life Together** Steve Kroeker, 2011-10-31 Who's your hero? We each have this propensity to view our life as our own independent story, with ourselves in the starring role. We live as our own saviour, overcoming our challenges and living for our glory. How's this working out for us? The Gospel of Jesus calls us to flip the script and find our place in the story of God. We are minor characters in his grand and glorious story. We find true meaning, forgiveness, purpose and joy as we find our place in God's story, shaped by the gospel of Jesus. Whether you have never opened a Bible or have been a Christian your entire life, The Hero calls us to truly know and be defined by the gospel story, and to

experience life as God intended it to be.

**Story-Shaped Worship** Robbie F. Castleman,2013-04-03 In Story-Shaped Worship Robbie Castleman attempts nothing less than to uncover the fundamental shape of worship. Right worship doesn't require a traditionalist return to earlier forms of church, she argues, but a fresh response to God in light of the revealed patterns of worship we find in the Bible and church history.

**Shaped by the Story** Michael Novelli,2010-02-02 A good story draws students in, engaging their hearts and minds---leaving them wanting more. God's story is like this...a captivating epic that stretches from the beginning of time, across our lives and into the future...calling us to find ourselves in it. We can help students to be captured by this amazing story, rather than seeing the Bible as confusing, boring or irrelevant. After ten years in youth ministry, Michael Novelli felt like he had tried everything to help his students connect with the Bible. Then, a missionary introduced him to a unique, ancient way to engage people with the Bible through story. Michael learned the art of 'Storying,' a sequential telling of Bible stories followed by a time of creative retelling and in-depth dialogue. God used this process to completely transform his youth group as they found themselves experiencing God in a whole new way. Take a journey into the amazing process of Storying, and discover how it can change your life and ministry. This new approach to learning builds a lasting theological foundation while challenging students to discover their unique identity and calling in God's story. Shaped by the Story helps you understand why Storying connects with students today, and provides all you need to introduce Storying to your group, including sample narratives and an interactive training DVD.

**The Shape Story 2** Anna Miss,2020-10-23

*The Story-Shaped World* Brian Wicker,2014-01-13 Story-telling, since its earliest beginnings, has drawn its power not simply from the intrinsic fascination of a skilful narrative but from the fact that human beings are compelled to make 'fictions' if they are to explain and come to terms with the world they experience. This holds true, as Mr Wicker shows in the course of a profound and wide-ranging enquiry, for the complex and often

sophisticated novels and anti-novels of our own day just as much as for such traditional forms as myth and fairy-tale. The world remains 'story-shaped'.
