*Sharp* Michelle Dean,2018-04-10 A “deeply researched and uncommonly engrossing” book profiling ten trailblazing literary women, including Dorothy Parker and Joan Didion (Paris Review). In *Sharp*, Michelle Dean explores the lives of ten women of vastly different backgrounds and points of view who all made a significant contribution to the cultural and intellectual history of America. These women—Dorothy Parker, Rebecca West, Hannah Arendt, Mary McCarthy, Susan Sontag, Pauline Kael, Joan Didion, Nora Ephron, Renata Adler, and Janet Malcolm—are united by what Dean calls “sharpness,” the ability to cut to the quick with precision of thought and wit. *Sharp* is a vibrant depiction of the intellectual beau monde of twentieth-century New York, where gossip-filled parties gave out to literary slugging-matches in the pages of the *Partisan Review* or the *New York Review of Books*. It is also a passionate portrayal of how these women asserted themselves through their writing despite the extreme condescension of the male-dominated cultural establishment. Mixing biography, literary criticism, and cultural history, *Sharp* is a celebration of this group of extraordinary women, an engaging introduction to their works, and a testament to how anyone who feels powerless can claim the mantle of writer, and, perhaps, change the world.

**William Sharp--"Fiona Macleod," 1855-1905** Flavia Alaya,1970 William Sharp (12 September 1855 – 12 December 1905) was a Scottish writer, of poetry and literary biography in particular, who from 1893 wrote also as Fiona MacLeod, a pseudonym kept almost secret during his lifetime. He was introduced to Dante Gabriel Rossetti by Sir Noel Paton, and joined the Rossetti literary group; which included Hall Caine, Philip Bourke Marston and Swinburne. He married his cousin Elizabeth in 1884, and devoted himself to writing full time from 1891, travelling widely. Also about this time, he developed an intensely romantic but perhaps asexual attachment to Edith Wingate Rinder, another writer of the consciously Celtic Edinburgh circle surrounding Patrick Geddes and The Evergreen.

**Sharp** Alex Hughes,2013-04-02 HISTORY HAS A WAY OF REPEATING ITSELF, EVEN FOR TELEPATHS.... As a Level Eight telepath, I am the best police interrogator in the department. But I’m not a cop—I never will be—and my only friend on the force, Homicide Detective Isabella Cherabino, is avoiding me because of a telepathic link I created by accident. And I might not even be an interrogator for much longer. Our boss says unless I pull out a miracle, I’ll be gone before Christmas. I need this job, damn it. It’s the only thing keeping me sane. Parts for illegal Tech—the same parts used to bring the world to its knees in the Tech Wars sixty years ago—are being hijacked all over the city. Plus Cherbino’s longtime nemesis, a cop killer, has resurfaced with a vengeance. If I can stay alive long enough, I just might be able to prove my worth, once and for all...

**Sharp Teeth** Toby Barlow,2009-10-13 “Barlow’s imagery is magnificent . . . [A] kooky combo of grit, goofiness, and gusto . . . demonstrates that fantasy . . . may just be the place to find true exuberance and stylistic innovation.” — Los Angeles Times Book Review An ancient race of lycanthropes has survived to the present day, and its numbers are growing as the initiated convince L.A.’s down and out to join their pack. Caught in the middle are Anthony, a kind-hearted, besotted dogcatcher, and the girl he loves, a female werewolf who has abandoned her pack. Blending dark humor and epic themes with card-playing dogs, crystal meth labs, surfing, and carne asada tacos, *Sharp Teeth* captures the pace and feel of a graphic novel while remaining “as ambitious as any literary novel, because underneath all that fur, it’s about identity, community, love, death, and all the things we want our books to be about” [Nick Hornby, *The Believer*].

*I'm Most Anxious for My Death* J. Carlton Sharp,2022-03-07 *I'm Most Anxious for My Death* By: J. Carlton Sharp In his autobiography, J. Carlton Sharp describes his life’s greatest triumphs and trials, sharing the benefit of his experiences with the reader. For the context surrounding his life’s journey, he describes his family’s ancestry; his upbringing by his loving and sometimes strict parents; and his formative childhood memories at the YMCA. Adulthood takes him on the wonderful journey of meeting his devoted wife of five decades, Louise, and raising a family together. Professionally, he learned much from his time in the Army as well as working of the National Security Agency, a position that led him to a special assignment leading the evidence analysis team during the Iran-Contra Investigation in President Ronald Reagan’s White House. Now 79 years old, Sharp looks back on these memories from a vantage point of failing health to offer his reflections on the meaning of life.

*In Community of Inquiry with Ann Margaret Sharp* Maughn Rollins Gregory,Megan Jane Laverty,2017-08-09 In close collaboration with the late Matthew Lipman, Ann Margaret Sharp pioneered the theory and practice of ‘the community of philosophical inquiry’ (CPI) as a way of practicing ‘Philosophy for Children’ and prepared thousands of philosophers and teachers throughout the world in this practice. In Community of Inquiry with Ann Margaret Sharp represents a long-awaited and much-needed anthology of Sharp’s insightful and influential scholarship, bringing her enduring legacy to new generations of academics, postgraduate students and researchers in the fields of education, philosophy, philosophy of education, Philosophy for Children and philosophy of childhood. Sharp developed a unique perspective on the interdependence of education, philosophy, personhood and community that remains influential in many parts of the world. This perspective was shaped not only by Sharp’s work in philosophy and education, but also by her avid studies in literature, feminism, aesthetic theory and ecumenical spirituality. Containing valuable contributions from senior figures in the fields in which Sharp produced her most focused scholarship, the chapters in this book present a critical overview of how Sharp’s ideas relate to education, philosophy of education, and the Philosophy for Children movement as a whole. The historical and philosophical nature of this collection means that it will be a vital resource for philosophers and educators. It should also be of great interest to teacher educators and those involved in the study of pragmatism and feminism, as well as the history of education across the globe, particularly in the United States of America.

Granville Sharp's Canon and Its Kin Daniel B. Wallace,2009 Granville Sharp s Canon and Its Kin explains that the semantics of the article-substantive-KAI-substantive construction (TSKS) have been largely misunderstood and that this misunderstanding has adversely impacted the exegesis of several theologically significant texts. This issue is addressed from three angles: historical investigation, linguistic-phenomenological analysis of the construction, and exegetical implications. The reasons for the misunderstanding are traced historically; a better comprehension of the semantics of the construction is established by an examination of primary literature in the light of linguistic theory; and the implications of this analysis are applied to a number of passages in the New Testament. Historically, the treatment begins with a clear grammatical principle articulated by Granville Sharp, and it ends with the present-day confusion. This book includes a detailed examination of the New Testament data and other Ancient Greek literature, which reveals that Sharp s rule has a general validity in the language. Lastly, a number of exegetically significant texts that are affected by the linguistic-phenomenological investigation are discussed in detail. This enlightening text is a valuable resource for undergraduate and graduate students of religion, linguistics, history, and Greek.
