📖 [SHE](#) Kobi Yamada,2017-03 Who is she? She is someone who is simply extraordinary. She touches hearts and minds as she goes about her daily lifeSometimes not even knowing the difference she makes.

📖 [THE SHE BOOK](#) Tanya Markul,2019-06-04 Crafting together the power of words and womanhood, writer Tanya Markul has written a completely unique poetry collection fit for the phenomenal readers of today. In Tanya’s words, May we raise the bar for how we live our lives. May we ridiculously increase the amount of peace, play, creativity, beauty, love, and joy in everything we do. May we all sip from the wisdom of our suffering. And awaken with the courage to share our stories that can heal our inner and outer worlds.

📖 [KATE SPADE NEW YORK: SHE](#) Kate Spade New York,2017-10-10 The fourth book in Kate Spade New York’s successful series, SHE: Muses, Visionaries and Madcap Heroines invites readers back into a way of living that is singularly joyous, distinctly feminine, and wildly interesting. To the New York-based brand, the most exciting and vibrant women in America are the ones who stand out from the crowd. Paying tribute to revered activists like Gloria Steinem and Shirley Chisholm, classic fictional characters like Mary Richards and Carrie Bradshaw, treasured icons like Marilyn Monroe and Nina Simone, and contemporary firebirds like Chimamanda Ngozi Adichie and Dolly Parton, this much-anticipated book celebrates the women whose bold personalities and styles play an important role in the lives of women across the country. With rich photography, spirited quotes and profiles, amusing anecdotes, words of wisdom, personal essays, and signature Kate Spade New York she statements, every page of SHE: Muses, Visionaries and Madcap Heroines will inspire you to live your own interesting life to the fullest, every single day.

📖 [SHE THE PEOPLE](#) Jen Deaderick,2019-03-05 A sweeping, smart, and smart-ass graphic history of women’s ongoing quest for equality In March 2017, Nevada surprised the rest of America by suddenly ratifying the Equal Rights Amendment--thirty-five years after the deadline had passed. Hey, better late than never, right? Then, lo and behold, a few months later, Illinois followed suit. Hurrah for the Land of Lincoln! That left the ERA just one state short of the congressional minimum for ratification. One state--and a legacy of shame--are what stand between American women and full equality. She the People takes on the campaign for change by offering a cheekily illustrated, sometimes sarcastic, and all-too-true account of women’s evolving rights and citizenship. Divided into twelve historical periods between 1776 and today, journalist, historian, and activist Jen Deaderick takes readers on a walk down the ERA’s rocky road to become part of our Constitution by highlighting changes in the legal status of women alongside the significant cultural and social influences of the time, so women’s history is revealed as an integral part of U.S. history, and not a tangential sideline. Clever and dynamic, She the People is informative, entertaining, and a vital reminder that women still aren’t fully accepted as equal citizens in America.

📖 [SHE’S STILL THERE](#) Chrystal Evans Hurst,2017-08-08 Have you wandered from the life you want to live? Chrystal Evans Hurst shares raw and vulnerable stories from her own life to let you know how you too can find your way back after a few missteps. Over 100,000 copies sold! What happens when a woman looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from all her original hopes, dreams, or plans? Speaker, blogger, and writer Chrystal Evans Hurst wrote this book because she was that woman. One day she realized that she had somehow wandered from the life she was meant to live. Chrystal since discovered that this moment of awareness happens to lots of women at different seasons of their lives. Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb. And she just needs encouragement. This woman simply needs someone to hold her hand, cheer her on, and believe with her that she is still capable of being the person she intended to be. Chrystal uses her poignant story of an early and unexpected pregnancy, as well as other raw and vulnerable moments in her life, to let readers know she understands what it’s like to try and find your way after some missteps or decisions you didn’t plan on. In She’s Still There Chrystal emphasizes the importance of the personal process and the beauty of authentically sharing your journey one girlfriend to another. It’s a book of me toos, reminders of the hoped for, and challenges for the path ahead--to find direction, purpose, and true satisfaction. Also available: She’s Still There DVD series and study guide.

📖 [THE BOOK OF SHE](#) Sara Avant Stover,2015-09-15 Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy, leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as “curses” and sought to present a new model that reflected the power and wisdom unique to the feminine path. The Book of She celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment, and, ultimately, full feminine spiritual awakening. Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life.

📖 [HE, SHE AND IT](#) Marge Piercy,2010-11-24 A triumph of the imagination. Shira Shipman’s marriage has broken up, and her young son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish free town where she grew up. There, she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions—and the ability to kill. . . . From the imagination of Marge Piercy comes yet another stunning novel of morality and courage, a bold adventure of women, men, and the world of tomorrow.

📖 [SHE’S COME UNDONE](#) Wally Lamb,2012-12-11 Meet Dolores Price. She’s thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she’s determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

📖 [SHE’S IN CTRL](#) Anne-Marie Imafidon,2022-09-08 ‘A practical and positive guide to using tech to change women’s lives for the better’ - Caroline Criado Perez, author of Invisible Women: Exposing data bias in a world designed for men ‘A powerful and inspiring call to action from one of Britain’s brightest minds’- Yomi Adegoke, award-winning journalist, author of Slay in Your Lane etc. Why are women so under-represented in the tech world? Why does this matter? What can we do about it? A book that asks essential questions and provides long-overdue practical solutions. Perfect for readers of Invisible Women. Why do so many of us - particularly women - feel the tech world is beyond reach? Women are woefully under-represented in tech - they represent roughly a mere quarter of the UK STEM workforce. This means an ever-increasing series of big decisions are made by a small number of people, mainly men. So what are the challenges for all of us who want to wrest back control? How do we get past the gatekeepers? When we do, what are the opportunities that will open up - for us in our individual roles, and for the future of tech?. Dr Imafidon shows we have more agency than we think, drawing on her own experience and the stories of other pioneers and innovators to provide examples, exercises and practical guidance for how to get started and take control. There will always be problems. But, as we know, women are problem-solvers.

🔍 *She’s Promised to Him, But I Have Her Heart* Vivian Blue, 2018-12-13 Relationships can be tricky when there is a certain dynamic of power shifted in one person’s favor. Nika owns a two-family flat in the Ville neighborhood and rents her bottom apartment to Usian, who grew up in the area. Their relationship is one of mutual respect and understanding, but they always butt heads, which is what contributed to the uptight personality that Nika always displays. Usian is much older than Nika and thinks she’s an entitled brat, while Nika thinks that Usian is a hood rat that will eventually end up back in prison. Amanika, aka Nika, has her entire life ahead of her, but for some reason, she can’t figure it out. She went to college and graduated with honors from Washington University, with a degree in education; however, that’s not really what she wants to do. Since Nika was a teenager, she worked at her aunt’s African hair braiding shop, where all of her family works. They’ve been applying pressure for Nika to get married, and before her father died, he arranged her to be wed. She wants to be able to pick the man she marries, and her mother doesn’t seem to have a problem with it because she wants her daughter to be happy. However, the elders in the family are against it, and with her mother being Muslim, it makes things even more complicated. Jasper Simpson Jr., aka Usian Shakur, is an ex-convict trying to keep his life on track. He used to be a big-time drug dealer until he was locked up and served ten years in prison for drug trafficking and money laundering. He chose not to go back to the life, but a lot of his friends are still deeply involved and trying to get Usian to get back into the game. He found Islam while he was locked up and changed his way of living to better his life, but living in a neighborhood where drugs and violence dominate, there’s a fine line between doing the right thing and succumbing to the pressures of your environment.

🔍 *Rania Matar: She*, 2021-11-16 Portraits of American and Middle Eastern young women entering adulthood from Rania Matar, author of *L’Enfant-Femme* As a Lebanese-born American artist and mother, Rania Matar’s (born 1964) cross-cultural experiences inform her art. She has dedicated her work to exploring issues of personal and collective identity through photographs of female adolescence and womanhood--both in the United States where she lives, and in the Middle East where she is from. Rania Matar: She focuses on young women in their late teens and early twenties, who are leaving the cocoon of home, entering adulthood and facing a new reality. Depicting women in the United States and the Middle East, this project highlights how female subjectivity develops in parallel forms across cultural lines. Each young woman becomes an active participant in the image-making process, presiding over the environment and making it her own. Matar portrays the raw beauty of her subjects--their age, individuality, physicality and mystery--and photographs them the way she, a woman and a mother, sees them: beautiful, alive.
