

Ship

Robin Hobb

Ship It Britta Lundin, 2018-05-01 CLAIRE is a sixteen-year-old fangirl obsessed with the show Demon Heart. FOREST is an actor on Demon Heart who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for Demon Heart, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? *Ship It* is a funny, tender, and honest look at all the feels that come with being a fan.

Ship of Magic Robin Hobb, 2003-12-30 The first book in a seafaring fantasy trilogy that George R. R. Martin has described as “even better than the *Farseer Trilogy*—I didn’t think that was possible.” Bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveships—rare vessels carved from wizardwood, which ripens magically into sentient awareness. Now the fortunes of one of Bingtown’s oldest families rest on the newly awakened liveship *Vivacia*. For Althea Vestrit, the ship is her rightful legacy. For Althea’s young nephew, wrenched from his religious studies and forced to serve aboard the *Vivacia*, the ship is a life sentence. But the fate of the ship—and the Vestrits—may ultimately lie in the hands of an outsider: the ruthless buccaneer captain Kennit, who plans to seize power over the Pirate Isles by capturing a liveship and bending it to his will. Don’t miss the magic of the *Liveship Traders Trilogy*: **SHIP OF MAGIC • MAD SHIP • SHIP OF DESTINY**

The Death Ship Bruno Traven, 2006-09 Stateless with no passport and not a nickel in his pocket, an American sailor is chased by police across Europe. He finally finds a job shoveling coal on a steamer headed for destruction. As you read this story of desperation you will know that this is truly a death ship. Reading this novel as your first Traven experience will propell you into reading all of his novels. Traven readers share a unique experience that automatically opens the door to conversation.

Traven's novels have sold over 35 million copies in more than 15 languages. A Collector's Edition.

The Liberty Ships of World War II Greg H. Williams, 2014-07-15 This book details the Liberty ships and the Emergency Shipbuilding Program during World War II. For the first time, comprehensive information is provided about the builders, the namesakes, and the operators under one cover. Included is a list of all 2,710 Liberty ships delivered by U.S. shipyards, giving each ship's namesake and detailed descriptions of the companies that built the ships and the steamship companies that operated them during the war. This book also details the formation of two shipyards in South Portland, Maine, the Todd-Bath Iron Shipbuilding Co. and the South Portland Shipbuilding Corp. South Portland's shady operations were investigated by the U.S. Congress and resulted in the merger of both companies into the New England Shipbuilding Corporation in April 1943. Also featured is the Jeremiah O'Brien. Built by New England Ship in 1943 and one of only two operational Liberty ships left in the world, its service history and crew information are given along with its postwar restoration and return to Normandy in 1994.

Mad Ship Robin Hobb, 2003-12-30 The second book in a seafaring fantasy trilogy that George R. R. Martin has described as "even better than the Farseer Trilogy—I didn't think that was possible." As the ancient tradition of Bingtown's Old Traders slowly erodes under the cold new order of a corrupt ruler, the Vestrits anxiously await the return of their liveship—a rare magic ship carved from sentient wizardwood, which bonds the ships mystically with those who sail them. And Althea Vestrit waits even more avidly, living only to reclaim the ship as her lost inheritance and captain her on the high seas. But the Vivacia has been seized by the ruthless pirate captain Kennit, who holds Althea's nephew and his father hostage. Althea and her onetime sea mate Brashen resolve to liberate the liveship—but their plan may prove more dangerous than leaving the Vivacia in Kennit's ambitious grasp. Don't miss the magic of the Liveship Traders Trilogy: SHIP OF MAGIC • MAD SHIP • SHIP OF DESTINY

The USS Ward Richard P. Klobuchar, 2015-05-20 In 1940, the threat of war in the Pacific forced the United States to expand its fleet quickly. This effort included reconditioning and recommissioning "four stackers" from the navy's reserve fleet. Built in 1918 to fight German submarines, the USS Ward earned at Pearl Harbor the distinction of firing the first shot in America's war against Japan. In the three years that followed, it was bombed, shelled, strafed, and finally sunk (on December 7, 1944), yet none of her crew of 125 men ever lost a life in combat. Information is drawn from naval records as well as from interviews with surviving crewmen. Appendices provide Ward technical data, a chronology of major events, listings of citations earned in World War II and of amphibious landings, and a roster of

personnel.

The Life of a Ship R. M. Ballantyne, 2023-02-23 'The Life of a Ship' is a classic adventure tale about a young boy named Davy who has always dreamt about going to sea and living the life of an fearless fisherman. A perfect escape from the drudgery of everyday life. After years of watching ships being built at the docks and going on short excursions with his father and grandfather, he finally gets the chance to go on a great fishing expedition. But is Davy up for the challenge? A perfect fit for fans of exciting 19th century adventure stories complete with a potent take on morality. Recommended for fans of Daniel Defoe's adventure novel 'Robinson Crusoe' and Walt Disney's 1960 movie 'Swiss Family Robinson' starring John Mills, Dorothy McGuire, James MacArthur and Janet Munro. Nobel-Prize winning author William Golding also drew inspiration from Ballantyne's seafaring and adventure prose for his cult novel 'The Lord of The Flies'. R. M. Ballantyne was a Scottish writer specialising in the juvenile fiction genre. He was born as Robert Michael Ballantyne into a family of well-known printers and publishers in Edinburgh. At age 16 he travelled to Canada where he served with the Hudson's Bay Company for six years. He returned to Scotland in 1847 and published his first book the next year, 'Hudson's Bay: or Life in the Wilds of North America'. For several years he was employed by the publishing house Messrs Constable. But in 1856 he decided to leave the literature business. Instead he began writing a series of adventure stories for young readers.

The Romance of the Ship Edward Keble Chatterton, 1921

Report - Naval Ship Research and Development Center David W. Taylor Naval Ship Research and Development Center, 1944

Looking for a Ship John McPhee, 2011-04-01 This is an extraordinary tale of life on the high seas aboard one of the last American merchant ships, the S.S. Stella Lykes, on a forty-two-day journey from Charleston down the Pacific coast of South America. As the crew of the Stella Lykes makes their ocean voyage, they tell stories of other runs and other ships, tales of disaster, stupidity, greed, generosity, and courage.

Ghost Ship of Diamond Shoals Bland Simpson, 2002 The extraordinary wreck of a majestic ship, a mysteriously missing crew, a message in a bottle, the lost captain's determined daughter - these are all elements of a great sea yarn, and one that happens to be true. Bland Simpson weaves them together in this nonfiction novel, his reconstruction of a ghost ship's final voyage and its baffling aftermath. Using contemporary sources including newspapers, FBI reports, ship's logs, and personal and official correspondence, Simpson dramatizes the ghost ship's final voyage, in the same style he

employed so successfully in the award-winning nonfiction novel *The Mystery of Beautiful Nell Cropsey*. Interwoven with the historical narrative are the voices of three key participants in the drama: Lula Wormell, the nervy and sturdy young Maine girl who inspired the investigation; Christopher Columbus Gray, the fisherman whose discovery caused a sensational panic; and W. O. Saunders, the well-known Elizabeth City, N.C., newspaper editor who was also featured in *Nell Cropsey*. To this day, the fate of the *Carroll A. Deering* is considered one of the greatest mysteries of maritime history. Bland Simpson's haunting chronicle keeps the story alive, an apt memorial to the ghost ship and its lost crew.

Cruise Ships The Small Scale Fleet Peter C Smith,2014-03-31 Peter C. Smith presents us here with the second release in his visually splendid *Cruise Ships* series. Whilst his first book concerned itself with the large-scale ships currently cruising through our seas (those weighing 40,000 GT and more) this volume focusses on the other end of the market; the ships that weigh in at less than 40,000 GT, but which are often much more stylish and aesthetically pleasing than their larger-scale counterparts. The elegant interiors and luxurious features on display in today's vast fleet of cruise liners remain unrecorded in all but holiday brochures. This book carries on in the tradition of Peter's last release, giving a complete overview of the best of these ships, the cream of the crop, so to speak.??Each colour profile includes external and interior views of the featured ship. Details of the design, building and service history of each vessel are provided with vital statistics of the ship and its facilities.??This is a book of reference for maritime enthusiasts, would-be holiday cruisers and those who have been passengers. It serves as an impressive visual tribute to the best of the smaller scale fleet currently cruising globally.??As seen in the *Bedford Times & Citizen*.

The Ship's Company and Other Sea People James Douglas Jerrold Kelley,1897

The Old Merchant Marine Ralph Delahaye Paine,1919

Ghost Ship Mary Higgins Clark,2012-10-01 Thomas loves his summer visits to his grandmother's on Cape Cod. He spends his days wondering about the sailing ships of the past and imagining their stories. One afternoon, after a night of terrible thunderstorms, Thomas finds, deep in the sands, a weathered old-fashioned belt buckle. When he picks it up, a boy his own age appears before him. His name is Silas Rich, a cabin boy from a ship called the *Monomoy* that sailed almost 250 years ago. As Silas tells his tale, suddenly the world of sailing ships is very near indeed.

It's Your Ship Captain D. Michael Abrashoff,2007-10-15 The legendary New York Times bestselling tale of top-down change for anyone trying to navigate today's uncertain business seas.

When Captain Abrashoff took over as commander of USS Benfold, it was like a business that had all the latest technology but only some of the productivity. Knowing that responsibility for improving performance rested with him, he realized he had to improve his own leadership skills before he could improve his ship. Within months, he created a crew of confident and inspired problem-solvers eager to take the initiative and responsibility for their actions. The slogan on board became It's your ship, and Benfold was soon recognized far and wide as a model of naval efficiency. How did Abrashoff do it? Against the backdrop of today's United States Navy, Abrashoff shares his secrets of successful management including: See the ship through the eyes of the crew: By soliciting a sailor's suggestions, Abrashoff drastically reduced tedious chores that provided little additional value. Communicate, communicate, communicate: The more Abrashoff communicated the plan, the better the crew's performance. His crew eventually started calling him Megaphone Mike, since they heard from him so often. Create discipline by focusing on purpose: Discipline skyrocketed when Abrashoff's crew believed that what they were doing was important. Listen aggressively: After learning that many sailors wanted to use the GI Bill, Abrashoff brought a test official aboard the ship-and held the SATs forty miles off the Iraqi coast. From achieving amazing cost savings to winning the highest gunnery score in the Pacific Fleet, Captain Abrashoff's extraordinary campaign sent shock waves through the U.S. Navy. It can help you change the course of your ship, no matter where your business battles are fought.

The Freedom Ship of Robert Smalls Louise Meriwether,2018-02-15 The true story of an enslaved African American man who escaped to freedom and became a military and political leader Robert Smalls, born a slave in 1839 in Beaufort, South Carolina, gained fame as an African American hero of the American Civil War. The Freedom Ship of Robert Smalls tells the inspirational story of Small's life as a slave, his boyhood dream of freedom, and his bold and daring plan as a young man to commandeer a Confederate gunboat from Charleston Harbor and escape with fifteen fellow slaves and family members. Smalls joined the Union Navy and rose to the rank of captain and became the first African American to command a U.S. service ship. After the war Smalls returned to Beaufort, bought the home of his former master, and began a long career in state and national politics. This new edition of The Freedom Ship of Robert Smalls, originally published in 1971, features Louise Meriwether's original narrative, now illustrated by the colorful paintings of renowned Southern artist Jonathan Green.

Ships of the American Revolutionary Navy Mark Lardas,2012-01-20 Mark Lardas explores the origins of American warships, primarily light and medium frigates, built for the Continental Navy during the years 1776–1783. This was the first navy of the United States and much of the fleet was

comprised of ships that had been modified from existing vessels, converted into warships to provide a crucial service during the American Revolutionary War. Despite having no real funding, this unique fleet had a surprising amount of success against the might of the Royal Navy, and this title discusses the strengths and weaknesses of each design, and the differences between European and American warships of the time. With a close look at how these ships performed in key battles, as well as the exploits of John Paul Jones – the founding father of the United States Navy – this is a complete, illustrated overview of the ships' service and development until France's entry into the war and the subsequent decline in importance of the Continental Navy.

The Phantom Ship Frederick Marryat, 1889

Plague Ship (SF Classic) Andre Norton, 2019-12-18 This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. Plague Ship follows the adventures of Dane Thorson, a Cargo-master-apprentice on the Free Trader rocket ship the Solar Queen. Free Traders take on trading contracts on remote and recently discovered planets, which can be dangerous and unpredictable. The Solar Queen has recently obtained a valuable trading contract on the planet Sargol and are building a relationship with one of the races on the planet, the cat-like Salariki. The process goes slowly till the Salariki discover that the Solar Queen is carrying catnip and other plants from Terra that are unknown on Sargol. The traders exchange what little of the plants they have for the rare and valuable Koros stones and collect a native red-colored wood to exchange at home. A few days after leaving the planet, several members of the crew suffer from attacks, which start with severe headaches and end in a semi-coma state. Only 4 of the younger members of the crew are unaffected, including Dane Thorson. Upon exiting hyperspace on return to the vicinity of Terra, the crew discovers that they are pariah and have been declared a plague ship.

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, Tender Moments: **Ship** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms. Archive for Ship : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Ship Offers a diverse range of free eBooks across various genres. Ship Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Ship Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Ship, especially related to Ship, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Ship, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Ship books or

magazines might include. Look for these in online stores or libraries. Remember that while Ship, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ship eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ship full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-

Ship Introduction

Ship Offers over 60,000 free eBooks, including many classics that are in the public domain.

Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Ship Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain.

Ship : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet

based access to a wide range of Ship eBooks, including some popular titles.

FAQs About Ship Books

What is a Ship PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ship PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ship PDF?** Editing a PDF can be done with software like Adobe Acrobat,

which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ship PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ship PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives

for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal
