Shirts, Shorts and Spurs Roy Reyland, 2011-07-04 This hilarious romp charts the dramatic ups and downs of Tottenham Hotspur, as seen through the eyes of one of its most unlikely heroes: Roy Reyland, the loyal kit man who has served Spurs for thirty years. Outlasting no less than 18 managers, Roy has seen it all and worked with some of White Hart Lane's biggest stars -- from Ardiles and Gazza to Klinsmann and Ginola. As the club's unofficial agony aunt, Roy has seen the tears and the triumphs, the dressing-room pranks, and has a unique insight into the inner-workings of the legendary Premiership side. He has visited Wembley more times than many top players have, and his story is one of total devotion to the club. A revelatory and heart-warming book, Shirts, Shorts and Spurs is a highly original, alternative account of the amazing history of Tottenham Hotspur FC.

The Designer's Guide to Color Combinations Leslie Cabarga,1999-03-15 If you're from the I don't know zip about color - but I know what I like school of color theory, this book's for you. You won't find color wheels or lectures on color harmony here . . . just 500+ tried-and-true color combinations derived from actual design work - posters, packages, even giftware - created over the past century by designers, artists and color experts. You'll find historical color combinations from the Victorian period, Art Deco era, Far-out Sixties, Rave craze - plus current color combinations, such as limited color, bad color and much more. Even if you don't know what you're looking for, you'll know it when you see it here. It's not just what colors you use, but how you use them. That's why the color

combinations in this book are arranged in simple, sample layouts rather than pages of out-of-context swatches. Complete with color formulas in CMYK, these layouts show you which colors work for backgrounds, borders, type, outlines, panels and small text, so you can easily adapt them to your designs.

The Aloha Shirt Dale Hope, Gregory Tozian, 2002
Beautifully illustrated with more than 700 images, *The Aloha Shirt: Spirit of the Islands* tells the colourful stories behind the marvellous Hawaiian shirts: as cultural icons, evocative of the mystery and the allure of the Islands; as collectibles, valued by professional collectors and by the millions of tourists who still cherish the shirts hanging in their wardrobes; and as a lifestyle - casual, relaxed and fun. Drawing from hundreds of interviews, newspaper and magazine archives, and personal memorabilia, the author evokes the world of the designers, seamstresses, manufacturers and retailers of the Golden Age of the Aloha shirt (from the 1930s to the end of the 1950s), who created the industry and nurtured it from its single-sewing-machine shop beginnings to an enterprise of international scope and importance. Here are the fun-loving 1960s; interviews with collectors who preserve these shirts as fine works of art; and insights into the roles of coconut buttons, matched pockets, woven labels and exotic fabrics in the evolution of the Aloha shirt.

Murakami T Haruki Murakami,2021-11-23 The international literary icon opens his eclectic closet: Here are photographs of Murakami's extensive and personal T-shirt collection, accompanied by essays that reveal a side of the writer rarely seen by the public. Many of Haruki Murakami's fans know about his massive vinyl record collection (10,000 albums!) and his obsession with running, but few have heard about a more intimate passion: his T-shirt collecting. In *Murakami T*, the famously reclusive novelist shows us his T-shirts—from concert shirts to never-worn whiskey-themed Ts, and from beloved bookstore swag to the shirt that inspired the iconic short story *Tony Takitani*. These photographs are paired with short, frank essays that include Murakami's musings on the joy of drinking Guinness in local pubs across Ireland, the pleasure of eating a burger upon arrival in the United States, and Hawaiian surf culture in the 1980s. Together, these photographs and reflections reveal much about Murakami's multifaceted and wonderfully eccentric persona.
