She's ready to dive back into the dating world but hasn't found anyone who sparks her interest. Remy accepted an impressive sports marketing job in Atlanta, but settled in sleepy Savannah for one reason—Adalyn. She was the one who got away, or as he now realizes, the one he gave away. When Remy joins Adalyn's gym, it doesn't take long for them to pick up where they left off years ago. While they both try to overcome the mistakes of their shared past, their intense passion ignites and strengthens their bond. Can their rekindled love survive one more hurdle, or will their hearts remain broken forever?

**Civil Procedure** Allan Ides,Christopher N. May,Simona Grossi,2016-02-29 *Civil Procedure: Cases and Problems*, Fifth Edition covers all topics in the first-year canon of civil procedure, and some topics in advanced litigation classes (e.g., class actions, appeals). The casebook is organized with the reality and complexities of civil litigation in mind, and follows the litigation sequence, from pleading through preclusion. Each chapter takes a practical as well as analytical approach, through (a) a series of Supreme Court and lower court opinions, (b) notes preceding and following those opinions intended to explain the underlying doctrines and principles behind them, and (c) problems intended to assess and refine students understanding of doctrines and their rationales. Ultimately, this casebook demands that students read carefully and at a detailed level, analyze critically, and apply the law from the perspective of the theories underlying the various doctrines. It provides an effective vehicle through which to teach legal analysis and to gently nudge students forward and deeper into the materials.

*Blurred* Kristin MacQueen,2023-04-26 She's been the center of my world since the moment we met... but as friends because that's all we are. Best friends. Co-workers. The most important person in each other's lives. From day one I knew I could never walk away from her, I could never survive life without her. But when she shows up on my front porch with tears in her eyes, everything changes. I'm tired of being the friend, I want more. I spend practically every second of my life with Cole. Not because I have secret

feelings for him, but because he's my best friend... who I work for... and now live with. Our friends constantly say we're more of a couple than most couples, but they're crazy! Right? Maybe I want more, but what if he doesn't? I'm terrified I'll lose everything if I take a chance and it doesn't work. Tropes: Best friends to lovers, roommates, boss romance, workplace romance, love triangle, shared past, small town romance, shared past,

**Shifting Gears** Mari Pintkowski, 2011-06-20 A four-thousand-mile bicycle trip gives you plenty of time to contemplate the universe, life, and love. For Lou, turning fifty meant it was time to re-evaluate everything. So the ex-ski bum from Vail has a custom bike built, and he heads off from Steamboat Springs, Colorado, on the trip of a lifetime. At this time, Lou has no ties to a job or family and his relationship needs time to settle. It was time to embark on the bike tour he had always dreamed of. As cooler fall air teases gold from the quaking aspens, he looks north, toward the national parks of the West, across the Cascades to the Pacific Northwest, and down the California coast. Three months later, he's in Palm Springs, California. With countless hours spent pedaling his Jamison Coda, he has plenty of time to review his past. His is a life story peppered with hilarious escapades from the early days of Vail and Aspen, when those colorful pioneers created their own folklore along the way. For Lou, whose future was uncertain when he pulled out of Steam-boat, his time on the road brings it all into focus. Solo cycling gives way to a journey of romance. Ten years after his epic journey, Lou returns to the Pacific Northwest, this time with his wife, Mari/Moe. Together, they reflect on how they have boldly shaped their dreams into reality and reinvented their lives as inn-keepers in Tulum, Mexico.

**Clara and 'The No I Didn't Lady'** Clare Theresa Nightingale, 2013-10-07 Clara is based on me as a child, I was a bit naughty and always had a vivid imagination. 'The No I Didn't Lady' is a real person to me, she is not just cardboard! I did visit a Snow Hill Horsey, as in my book, the creature did indeed come out of the snow sea! Roger is a real person, I have seen him several times..... Henry Nightingale and Dennis Ryan are ancestors, as is Delila Druit, based on our Great Nan: Agnes Boughtwood, she was a wizzard in the kitchen! Sas is my sister Sarah, she often made games up with me and the cardboard lady. The book is spiritual in nature, in a mild way so not to scare. The stories introduce us to the angels and Fairy Kingdom. There is an emphasis on supporting Mother Earth and her 'Bee' population as well as all other creatures.

**Discovering the Narrow Path** N. Graham Standish, 2002-01-01 In a time when competing and often irreconcilable belief systems seem to dominate all religious conversation in Christianity, N. Graham Standish offers an alternative for leading a spiritual and faithful life. Providing models that embrace elements of many spiritual traditions within Christianity, *Discovering the Narrow Path* seeks to hold all extremist positions in perfect tension, by integrating their essential truths yet also recognizing their flaws. In doing so, Standish surveys the wisdom of the mystics, the practice of forming a Trinitarian faith, the

openness of healing traditions, and the value of balancing prayer and action, as well as spirituality, theology, and religion. Complete with two appendices, one a guide for group study and one an introduction to spiritual reading, *Discovering the Narrow Path* is an essential resource for those seeking spiritual fulfillment.
