Jump Shot Tiki Barber,Ronde Barber,2013-11-05 The Barber brothers know their way around a football field—but can they succeed on the basketball court? Find out in this slam dunk with “lively basketball action and life lessons aplenty (Kirkus Reviews)” from NFL superstars and bestselling authors Tiki and Ronde Barber. As Tiki and Ronde count the days until the start of football season, the basketball coach approaches them looking for new recruits, and Tiki and Ronde sign on. While Hidden Valley Junior High has always been a powerhouse in football, the school has never done as well in basketball. Ronde is a good passer, but he needs Tiki to get free to sink his shots. Tiki doesn't feel the inner confidence he felt on the football field: it's one thing to play in the driveway, but it's another to sink one on the court, when so much is on the line. The brothers need a winning attitude—and they need to bring everyone together to win. That is their only way to victory. Can they do it?

Fair Shot Chris Hughes, 2018-02-20 ...deeply felt and cogently argued...Hughes makes a powerful case that deserves a respectful hearing. -The Financial Times Facebook co-founder Chris Hughes argues that the best way to fight income inequality is with a radically simple idea: a guaranteed income for working people, paid for by the one percent. The first half of Chris Hughes's life played like a movie reel right out of the "American Dream." He grew up in a small town in North Carolina. His parents were people of modest means, but he was accepted into an elite boarding school and then Harvard, both on scholarship. There, he met Mark Zuckerberg and Dustin Moskovitz and became one of the co-founders of Facebook. In telling his story, Hughes demonstrates the powerful role fortune and luck play in today's economy. Through the rocket ship rise of Facebook, Hughes came to understand how a select few can become ultra-wealthy nearly overnight. He believes the same forces that made Facebook possible have made it harder for everyone else in America to make ends meet. To help people who are struggling, Hughes proposes a simple, bold solution: a guaranteed income for working people, including unpaid caregivers and students, paid for by the one percent. The way Hughes sees it, a guaranteed income is the most powerful tool we have to combat poverty and stabilize America's middle class. Money—cold hard cash with no strings attached—gives people freedom, dignity, and the ability to climb the economic ladder. A guaranteed income for working people is the big idea that's missing in the national conversation. This book, grounded in Hughes's personal experience, will start a frank conversation about how we earn in modern America, how we can combat income inequality, and ultimately, how we can give everyone a fair shot.

But if he comes forward, will the real killer try for another perfect shot—this time against Brian?

Block Shot Kennedy Ryan, 2023-09-19 From award-winning author Kennedy Ryan comes the steamy, powerful second installment of the Hoops trilogy. If Jared Foster had a dollar for every time Banner Morales made his heart skip a beat--the heart everyone assumes is frozen over--he'd be richer than he already is. He's found success as a sports agent by always assuming no means I'll think about it. And he knows Banner's thinking about him. Her simmering anger? The way she puts him in his place? Foreplay. She thinks she's won the game, but they're just getting started. If Banner had a dollar for every time Jared broke her heart, she'd have exactly one dollar. One epic failure of a night. After parting on such bad terms, Banner has no intention of ever giving Jared a second chance. She's found success in a field ruled by men like him. She's learned to call the shots and block them when she has to. So she'll ignore the way he makes her heart pound. Sure, he seems carved from her most private fantasies, but she can get past that. She's got her one dollar, and Jared won't have her.

Shot in the Dark Tracy Solheim, 2023-03-15 Fans of Julie Garwood and Marie Force will eat up this steamy romantic suspense from USA Today bestselling author Tracy Solheim ... If there's anything zoologist Josslyn Adams abhors more than guns, it's poachers. She's made it her life's mission to eliminate the animal thieves from existence. But when an African "fact-finding" mission with a wildlife conservationist group results in one of their members being shot, the entire team must escape for their lives through the jungle. In order to obtain sanctuary from the local government, Josslyn calls in a favor from her older half-sister, the First Lady of the United States. After suffering a serious concussion in the line of duty, Adam Lockett, commander of the Secret Service's elite team of snipers, is forced to work on a boring protective detail. Making matters worse, he's assigned to guard the First Lady's wild-child younger sister, a woman hell bent on ditching her detail every opportunity she gets. Still, Adam is determined to bide his time until he is cleared by the doctors to return to the job he's best at, even if the tree-hugging pacifist with the smoky eyes makes his job difficult. Josslyn is back in Washington D.C. hot on the trail of a major importer of illegal animal products. The last thing she needs is a gun-toting, tower of testosterone dogging her every move. But when the poachers discover who is on to them, it's suddenly Josslyn's skin that needs saving. As the chase heats

up, so does the passion between the two. Can these two opposites find happiness? Or is it just a shot in the dark?

Shot Range Determination Karl Sellier, 1991-09-09 The range at which a weapon has been fired is an important measurement for the reconstruction of firearms offenses (murder, suicide, accident). All changes caused by a shot and which vary according to the distance from the weapon are suitable in principle for determining this distance. However, some procedures are very elegant in theory but hardly applicable in practice. The constructions of ammunition and the sequence of events during a shot are dealt with first as this knowledge forms a basis for understanding the various methods. \ The individual zones (classes) of firing distances (contact shot, intermediate shot, distance shot) are described. In this connection, the morphological methods for determining the firing distance are discussed. From the shape and size of the powder residue distribution (soot stains, powder tattooing) and with the knowledge of the weapon and ammunition, the distance from the target can be elucidated. In this chapter, the methods of making an invisible distribution visible are also dealt with. In order to determine the range of the shot from the appearance of the wound no complicated apparatus is necessary. One can judge with the naked eye. These procedures have a great advantage over the methods discussed in the following chapter in that they give stronger proof. They are more vivid and convincing for the uninitiated (judge or jury) than abstract measurements obtained by scientific devices.

A Single Shot Matthew F Jones, 2013-12-10 After the loss of his family farm, John Moon is a desperate man. A master hunter, his ability to poach game in-season or out is the only thing that stands between him and the soup kitchen line. Until Moon trespasses on the wrong land, hears a rustle in the brush, and fires a single fateful shot. Following the bloody trail, he comes upon a shocking scene: an illegal, deep woods campground filled with drugs, bundles of cash and the body of a dead young woman, killed by Moon's stray bullet. Faced with an ultimate dilemma, Moon has to make a choice: does he take the money and ignore his responsibility for the girl's death? Or confess? But before he has a chance to decide, Moon finds himself on the run, pursued by those who think the money is theirs. Men who don't care about right and wrong and who want only one thing from John Moon: his body, face down in a ditch. Matthew F. Jones' *A Single Shot* is a rare, visionary thriller reminiscent of the work of Tom Franklin, Ron Rash, Daniel Woodrell, and Cormac McCarthy.
