*The Silhouette* Georges Vigarello,2016 From bone-crushing corsets to modern 'slimming' creams, our preoccupation with the silhouette has shaped centuries of fashion and culture. The contours of the body can convey everything from physical health and beauty to social class - and both men and women have long sought to mold and reshape them, often with alarming and even dangerous results. Tracing the history of the silhouette from its birth in 18th century portrait sketches, this book takes the reader on a journey through 250 years of a cultural obsession. From Hogarth's 'line of beauty' to the advent of nude photography, from the crinoline to the Dior suit and the early bathing costume, The Silhouette reveals how the shape of the body has become an eloquent symbol of status, sexuality and the aspirational quest for physical and moral 'perfection'. Drawing on numerous textual and visual resources, leading scholar Georges Vigarello anatomizes a fixation with the human form which has shaped not just our bodies but our very identities. With over 120 color images, The Silhouette is a remarkable resource for scholars, students and fashion-lovers alike. -- Publisher's description.

**Silhouettes in the Garden** T. O. Stallings,2015-04-30 They call New Orleans the Big Easy. The moniker comes, in part, from the French saying laissez les bons temps rouler. Let the good times roll. The name is a misnomer. There is nothing easy about living and growing up in New Orleans's Eighth Ward. My mother told me God created the world as a garden. A peek and a promise of what is to be seen in heaven. She also taught me that God allowed the devil access to the garden. Access and permission to tempt earth's mortals. My mother told me we should all try to hide from the devil. To do so she believed we should pass through life as much a shadow, a silhouette to the devil's eye, as possible. That is a difficult task for the pious. It is even more difficult in New Orleans, a city made famous by its history and traditions. Traditions and history that include temptations, vices, corruption, Mardi Gras, and voodoo. My name is Jehan Henri. This is the story of my silhouette in the garden we call earth.
