King Lear William Shakespeare, Samuel Johnson, 1785
Seeing with Different Eyes Patrick Curry, Angela Voss

,2009-05-05 Seeing with Different Eyes: Essays in Astrology and Divination represents the cutting-edge of contemporary thought and research on divination. The thirteen authors come from a variety of academic disciplines, ranging from anthropology and classics to English literature and religious studies, and all address the question of divination, astrology and oracles in a spirit of critical but sympathetic inquiry. The emphasis is on a participatory and reflexive approach which is firmly post-positivist, seeking to understand the divinatory act on its own terms within widely varying contexts - ancient Greek and Chaldean philosophy and theurgy, Theravadan Buddhism, Biblical studies, Elizabethan Hermeticism, Jacobean drama, Heideggerian philosophy, Medieval scholasticism, 19th century occultism, contemporary Guatemalan divination and Western medical practice. The authors are all teachers or researchers in the area of divination and symbolism, which is a new disciplinary focus developing at the University of Kent, Canterbury under the aegis of the MA programme in the Cultural Study of Cosmology and Divination. The essays in this volume originally contributed to an international conference of the same name held there in April 2006.

The Classical Mythology of Milton's English Poems Charles Grosvenor Osgood, 2010-03 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Alone Together Lawrence Roman, 1985 In the hilarious Broadway comedy, *Alone Together*, Mom and Dad have spent the last thirty years raising three active sons. How they looked forward to the peace, the quiet and the privacy of an empty nest. After considerable comic turmoil and revelation of deep feelings, the nest is finally emptied. Peace now? Quiet? Not for long. The empty nest fills up again by the sudden, unexpected arrival of their parents, each with a problem which is dumped on Mom and Dad. How to empty the nest once again so Mom and Dad can be alone together. Cleverly comic, witty and wise. *Alone Together* Again has delighted audiences in Europe as well as the U.S.-- Publisher's website.

The Derveni Papyrus Theokritos Kouremenos, George M. Parássoglou, K. Tsantsanoglou, 2006

Yours Presently Michael Seth Stewart, 2020-12-01 Boston born and bred, John Wieners was a queer self-styled poète maudit who was renowned among his contemporaries but ignored by mainstream critics. Twenty-first-century readers are correcting this elision, placing Wieners back alongside his better-known peers, including Allen Ginsberg, Charles Olson, Denise Levertov, and Amiri Baraka. Wieners was a voluble letter writer, maintaining friendships with these contemporaries that spanned decades and tackling a range of complex issues that resonate today, including drug use, homosexuality, subcultures of the East and West Coasts, and the differing treatment of mental patients based on their economic class. The letters collected in this volume are greatly enhanced by Eileen Myles's preface and Stewart's thorough introduction, notes, and brief bios of the poets, writers, artists, and editors with whom Wieners corresponded. The result is more than the letters of a poet—it is a history that explores the world at large in the mid-twentieth century.

The Palgrave Handbook of Screen Production Craig Batty, Marsha Berry, Kath Dooley, Bettina Frankham, Susan

Kerrigan,2019-11-15 This handbook is an essential creative, critical and practical guide for students and educators of screen production internationally. It covers all aspects of screen production—from conceptualizing ideas and developing them, to realizing and then distributing them—across all forms and formats, including fiction and non-fiction for cinema, television, gallery spaces and the web. With chapters by practitioners, scholars and educators from around the world, the book provides a comprehensive collection of approaches for those studying and teaching the development and production of screen content. With college and university students in mind, the volume purposely combines theory and practice to offer a critically informed and intellectually rich guide to screen production, shaped by the needs of those working in education environments where ‘doing’ and ‘thinking’ must co-exist. The Palgrave Handbook of Screen Production fills an important gap in creative-critical knowledge of screen production, while also providing practical tools and approaches for future practitioners.

Mixanthrôpoi Emma Aston,2017-10-25 Many of the beings in this book – Cheiron, Pan, Acheloos, the Sirens and others – will be familiar from the narratives of Greek mythology, in which fabulous anatomies abound. However, they have never previously been studied together from a religious perspective, as recipients of cult and as members of the ancient pantheon. This book is the first major treatment of the use of part-animal – mixanthropic – form in the representation and visual imagination of Greek gods and goddesses, and of its significance with regard to divine character and function. What did it mean to depict deities in a form so strongly associated in the ancient imagination with monstrous adversaries? How did iconography, myth and ritual interact in particular sites of worship? Drawing together literary and visual material, this study establishes the themes dominant in the worship of divine mixanthropes, and argues that, so far from being insignificant curiosities, they make possible a greater

understanding of the fabric of ancient religious practice, in particular the tense and challenging relationship between divinity and visual representation.

Scars, Marks & Tattoos Jacqueline Caruso,2021-03-31 I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to catch my breath and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.
