103 Crafts & Activities for Preschoolers & Toddlers Katherine Smiley, 2015-09-12 Toddlers and preschoolers can be difficult to keep busy because their attention spans tend to be short lived. Yet, they are curious and imaginative and so much fun to spend time with. Furthermore, most young children just want to be entertained throughout the hours of the day and are eager to learn anything they can. Now, you too can collaborate with your little one on art masterpieces and decorative crafts, as well as play educational games. Whether you're a parent, nanny, day care provider, or preschool teacher, you can benefit from this long list of activities to stimulate

children's minds and keep their hands busy for hours. In this book you will find a wealth of ideas to share with your young child. Some of the activities require your close supervision. Many of the arts and crafts projects will result in beautiful seasonal decorations to display in your home. You will be astounded by the creations you can make with your preschooler, who will, alternatively, be enthusiastic about tapping their imagination, enhancing their knowledge, and most of all, spending valuable time with you. The 103 activities are split into four main categories that correspond to the four seasons. Many of the projects can be done during any season, but the subcategories are themed. Here are what the subcategories look like:

Introduction The Best Way to Use This Book I. Spring Let's Go Fishing Pirates and Princesses Easter II. Summer Let's Go on a Safari Gnomes and Fairies Fourth of July III. Fall Let's Be Detectives Cowboys and Native Americans Halloween IV. Winter Let's Make Music Snowmen and Penguins Christmas

Boasting bright and hilarious photographs, along with a story written from the point of view of an older, wiser sibling, Refe and Susan Tuma's picture book documents a very messy adventure that shows just what the dinosaurs did last night.

Low-Mess Crafts for Kids Debbie Chapman, 2018-06-26 Messy crafts have met their match with these 72 creations that keep out the clutter and mess but pack in the fun and creativity When craft time rolls around, parents usually cringe at the thought of a creativity storm's aftermath. Glue, glitter, globs of paint—it all adds up to Mom and Dad assisting (let's be honest, doing everything) with cleanup. But Debbie Chapman—the supermom behind One Little Project —keeps that freshly cleaned kitchen table in mind with tips to keep these tutorials as mess-free as possible. With tricks like twisting pipe cleaners into fun shapes to avoid glue and using brightly colored cups and patterned paper to avoid paint, Debbie shows that keeping it simple doesn't mean play time has to be less fun. Low-Mess Crafts for Kids brings parents and caretakers solutions to the craft time conundrum. As well as being low-mess, all 72 of these

awesome projects feature everyday items like pipe cleaners, pom poms and clothespins, which make playtime a cinch. And with step-by-step pictures, kids of any age can create something they can be proud of. Watch as little ones create their own enchanting worlds—whether they want to explore outer space with a Paper Plate Flying Saucer, race cars on a Poster Board Road Track, or create a whimsical fairy city with Paper Roll Fairy Houses, each craft promises to spark your child's imagination while leaving you stress free and ready to play along.

Rhino Who Swallowed a Storm LeVar Burton, Susan

Schaefer Bernardo, Courtenay Fletcher, 2014-10-07 Actor and longtime educational advocate LeVar Burton has had more than 30 years' experience speaking directly to children about grown-up situations, and *The Rhino Who Swallowed a Storm* is a story that helps ease the fears and worries of a young child. Mica Mouse lost her house in a terrible storm, and now she trembles when the weather turns rough. She's not so different from other children

who've experienced something very disturbing in their life or heard about tragic or frightening events in the news. Mica's father tells her the story of a brave blue rhinoceros who learns how to get through rough times with friendship, helpers, love, and by feeling your feelings. LeVar Burton has poured a lifetime of experience storytelling to children into *The Rhino Who Swallowed a Storm*, and the result is more than a book—it's a manual for finding the light in the midst of dark times.
