The Book of Skulls Robert Silverberg, 2018-05-08 How far will four friends go for immortality? This novel is Hugo and Nebula Award-winning author "Robert Silverberg at his very best" (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there's Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they'll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as "one of my favorite nightmare novels." This ebook features an illustrated biography of Robert Silverberg including rare images from the author's personal collection.

Quest for the Crystal Skull David Ciambrone, 2010-09 A crystal skull with a deadly secret leads two women on an adventure across two continents. Virginia Davies-Clark is on special assignment for the Smithsonian, helping to secure archaeological artifacts confiscated from smugglers-treasures worth millions. Since she's prone to dangerous situations, it's no surprise when Texas is hit by a raging hurricane and she's trapped on St. John's Island. What does surprise Virginia is running into her long time friend Donna Boletti. As the women prepare to ride out the storm at the beach front resort, they stumble on Virginia's murdered partner-and a mysterious crystal skull. It doesn't take long for the killers to come after them but Donna and Virginia turn the tables and get information about the skull. After the storm passes they escape the island, then go up against a strange cast of characters as they're pulled into the world of Voodoo in New Orleans. The body count climbs as everyone fights to get their hands on the treasure. When Virginia and Donna learn the people behind the murders are headquartered in Rome, their quest continues, in Italy. The women must infiltrate a fake antiques business, and deal with a lecherous porn producer in his mansion overlooking the Mediterranean Sea. Will they expose the secret of the crystal skull without having to star in one of his art films?

Dark Messiah Shane O'Neill,2015-04-10 The story is centred on revenge; two men separated by completely different backgrounds, but forced together into fatal violence; their lives becoming entwined with the destiny of the kingdom. As the search for the thief Hemlock who brutally murdered Storm's wife intensifies, both men change. Storm is a sailor by trade, a simple man ignorant of swordplay and killing. Hemlock knows no other life not dominated by violence and greed. Hemlock, a man driven close to insanity by the endless killing, is finally pushed over the edge as his search for absolute power destroys everything in his wake. The kingdom and its people will bear witness to their struggle and their fate will be decided by the winner. Shane O'Neill lives in Waterford, Ireland. He is the author of four books. Shane has 8,428 followers on Wattpad (the foremost website for published and unpublished authors to showcase their work), over 1,000 votes of recommendation and a readership of a quarter of a million.
