The Storm Is Upon Us Mike Rothschild,2021-06-22 I hope everyone reads this book. It has become such a crucial thing for all of us to understand. —Erin Burnett, CNN An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon. It even shows you a glimmer of light at the exit. —Cullen Hoback, director of HBO's Q: Into the Storm Its messaging can seem cryptic, even nonsensical, yet for tens of thousands of people, it explains everything: What is QAnon, where did it come from, and is the Capitol insurgency a sign of where it's going next? On October 5th, 2017, President Trump made a cryptic remark in the State Dining Room at a gathering of military officials. He said it felt like “the calm before the storm”—then refused to elaborate as puzzled journalists asked him to explain. But on the infamous message boards of 4chan, a mysterious poster going by “Q Clearance Patriot,” who claimed to be in “military intelligence,” began the elaboration on their own. In the days that followed, Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies

of a Tom Clancy novel, while satisfying the deepest desires of MAGA-America. But did any of what Q predicted come to pass? No. Did that stop people from clinging to every word they were reading, expanding its mythology, and promoting it wider and wider? No. Why not? Who were these rapt listeners? How do they reconcile their worldview with the America they see around them? Why do their numbers keep growing? Mike Rothschild, a journalist specializing in conspiracy theories, has been collecting their stories for years, and through interviews with QAnon converts, apostates, and victims, as well as psychologists, sociologists, and academics, he is uniquely equipped to explain the movement and its followers. In *The Storm Is Upon Us*, he takes readers from the background conspiracies and cults that fed the Q phenomenon, to its embrace by right-wing media and Donald Trump, through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric, to the storming of the Capitol, and on. And as the phenomenon shows no sign of calming despite Trump's loss of the presidency—with everyone from Baby Boomers to Millennial moms proving susceptible to its messaging—and politicians starting to openly espouse its ideology, Rothschild makes a compelling case that mocking the seeming madness of QAnon will get us nowhere. Rather, his impassioned reportage makes clear it's time to figure out what QAnon really is — because QAnon and its relentlessly dark theory of everything isn't done yet.

QAnon and Other Conspiracy Theories Kathryn Roberts, 2021-12-15 Anthology of curated essays addressing QAnon and conspiracy theories--why they begin, how they catch fire, and how they affect politics and society--

QAnon Wwg1wga, 2018-02-26 Only small secrets need to be protected. The large ones are kept secret by the public's incredulity. - Marshall McLuhan The media's favorite hoax is the Q Anon movement. Is it a joke? Is it dangerous? Who's involved and how did it begin? Q Anon, An Invitation to

The Great Awakening, explains the phenomena with the help of 12 citizen journalists-from the very first Q post right up until present day.

Bent Heavens Daniel Kraus, 2020-02-25 “Kraus gets under your skin with brutal, elegant efficiency. Necessarily horrifying, devastatingly timely.”—Kiersten White, New York Times-bestselling author of *The Dark Descent of Elizabeth Frankenstein* and *Slayer* From New York Times-bestselling author Daniel Kraus comes a breakneck, genre-defying YA thriller perfect for fans of Kiersten White, Neal Shusterman, and M. T. Anderson. Liv Fleming’s father went missing more than two years ago, not long after he claimed to have been abducted by aliens. Liv has long accepted that he’s dead, though that doesn’t mean she has given up their traditions. Every Sunday, she and her lifelong friend Doug Monk trudge through the woods to check the traps Lee left behind, traps he set to catch the aliens he so desperately believed were after him. But Liv is done with childhood fantasies. Done pretending she believes her father’s absurd theories. Done going through the motions for Doug’s sake. However, on the very day she chooses to destroy the traps, she discovers in one of them a creature so inhuman it can only be one thing. In that moment, she’s faced with a painful realization: her dad was telling the truth. And no one believed him. Now, she and Doug have a choice to make. They can turn the alien over to the authorities...or they can take matters into their own hands. On the heels of the worldwide success of *The Shape of Water*, Daniel Kraus returns with a horrifying and heartbreaking thriller about the lengths people go to find justice and the painful reality of grief. “*Bent Heavens* is the darkest, angriest alien horror story that I’ve ever encountered. Hell. Yes.”—Stephanie

Perkins, New York Times-bestselling author of *There's Someone Inside Your House*

All they had to do was find a place to set up their criminal enterprise, and all of their financial problems would be solved. But now, night is falling, and with the darkness comes something else. Drawings on a Bus Ellsworth Kelly, 2007 This reproduction of Ellsworth Kelly's 1954 Sketchbook 23 offers a rare glimpse into the celebrated artist's rigorous exploration of line, form and composition. Drawn into a blank book and forming a single continuous gesture over 25 pages as the artist saw and captured the changing fall of shadows while riding on a bus in Paris, Kelly's line pursues a path of

eccentric discovery and distillation through subtle variations and bold transformations.

The Annotated Alice Lewis Carroll, 2000-01 The Annotated Alice combines the notes of Gardner's 1960 edition with his 1990 update, More Annotated Alice (not published in the UK), as well as additional discoveries drawn from Gardner's knowledge of the texts. Illustrated with John Tenniel's classic art - along with many recently discovered Tenniel pencil sketches - The Annotated Alice will be Martin Gardner's further tribute to Lewis Carroll's masterpieces.

Empire Beneath the Ice Stephen Quayle, 2017 In Empire Beneath the Ice, author Stephen Quayle reveals why most of what you learned about World War II and the defeat of Nazi Germany is wrong. You'll discover: Why the suppressed evidence proves Adolf Hitler didn't die before Germany surrendered during WWII, and how he eluded capture. How Nazi SS members, scientists, and soldiers escaped with Hitler to create colonies in other parts of the world to continue their monstrous research. Why in 1947 Admiral Richard E. Byrd warned that the US should adopt measures to protect against an invasion by hi-tech aircraft coming from the polar regions, adding, The time has ended when we were able to take refuge in our isolation and rely on the certainty that the distances, the oceans, and the poles were a guarantee of safety. How, using advanced technology, Nazi saucers defeated the US military - long after WWII was supposedly over. Why the US space program was mostly a sham, and why the UFOs that started appearing around the world in the late 1940s were (and still are) most likely flown by Nazi pilots. How key government, manufacturing, pharmaceutical, financial leaders, and institutions helped Hitler come into power, and facilitated the preservation of Nazi wealth and power after WWII. Why today's world is secretly controlled by a malevolent shadow government and entire populations are being surreptitiously brainwashed. How ancient stargates have been duplicated to open portals into spiritual and demonic universes. Why those controlling our

planet have laid the groundwork for a takeover by a dictator who could best be described as the Antichrist of the Bible. Empire Beneath the Ice exposes the dangers our world faces, and will arm you with the tools you need to counter these unspeakable, secret evils. --Publisher description.
