Smash It! Francina Simone,2020-09-22 Refreshingly authentic and bold... Don't miss this smashing novel from Francina Simone, filled with heart, humor and a heroine to root for! Olivia "Liv" James is done with letting her insecurities get the best of her. So she does what any self-

respecting hot mess of a girl who wants to SMASH junior year does... After Liv shows up to a Halloween party in khaki shorts—why, God, why?—she decides to set aside her wack AF ways. She makes a list—a F*ck-It list. 1. Be bold—do the thing that scares me. 2. Learn to take a compliment. 3. Stand out instead of back. She kicks it off by trying out for the school musical, saying yes to a date and making new friends. Life is great when you stop punking yourself! However, with change comes a lot of missteps, and being bold means following her heart. So what happens when Liv’s heart is interested in three different guys—and two of them are her best friends? What is she supposed to do when she gets dumped by a guy she’s not even dating? How does one Smash It! after the humiliation of being friend-zoned? In Liv’s own words, “F*ck it. What’s the worst that can happen?” A lot, apparently. #SMASHIT “Smash It! smashed it.—New York Times bestselling author Christine Riccio

The Perfect Find Tia Williams, 2021-03-30 Soon to be a Netflix movie starring Gabrielle Union! Will a forty-year-old woman with everything on the line – her high-stakes career, ticking biological clock, bank account – risk it all for a secret romance with the one person who could destroy her comeback, for good? Jenna Jones, former It-girl fashion editor, is forty, broke and desperate for a second chance. When she’s dumped by her longtime fiancé and fired from Darling magazine, she begs for a job from her arch nemesis, Darcy Vale. Darcy, the beyond-bitchy publisher of StyleZine.com, agrees to hire her rival – only because her fashion site needs a jolt from Jenna’s old school cred. But Jenna soon realizes she’s in over her head. Jenna’s working with digital-savvy millennials half her age, has never even “Twittered,” and pretends to still be a Fashion Somebody while living a style lie (she sold her designer wardrobe to afford her sketched-out studio, and now quietly wears Walmart’s finest). What’s worse is that the twenty-two-year-old videographer assigned to shoot her web series is driving her crazy. Wildly sexy with a smile Jenna feels in her thighs, Eric

Combs is way off-limits - but almost too delicious to resist.

Astro Boy Volume 14 Osamu Tezuka, 2020-08-18 Fifty years after his creation, Astro Boy continues to lead the manga and anime charge, his adventures still as fresh and exciting as when first crafted by master storyteller/cartoonist/ animator Osamu Tezuka. Perhaps the most endearing, and enduring, creation to emerge from Tezuka's volcanic imagination, Astro Boy is packed with action, laughs, and genuine emotion, interlacing fantastic situations and creatures with timeless themes and wry observances of technology, war, and the human condition. In this volume: The White Hot Human; Uran; Hachi, the Devil; The Tenma Family's Fortress; Gernica.

Sons of Sikkim Jigme N. Kazi, 2020-10-20 This book, Sons of Sikkim: The Rise and Fall of the Namgyal Dynasty of Sikkim, is not a comprehensive history of Sikkim; it is only a brief history of Sikkim's Namgyal Dynasty, which ruled the former Kingdom of Sikkim for more than 300 years

(1642-1975). The main purpose of writing this book is to give the ordinary people – in Sikkim and elsewhere – a glimpse of Sikkim's history: its origin in the 13th century, advent of the Namgyal Dynasty in mid-17th century, invasion of neighbouring countries in the 18th and 19th centuries, and finally, the emergence of the kingdom as a democracy in the 20th century, leading ultimately to its present status – the 22nd State of India. There are very few books dealing on the above subjects in great detail in one book. Most books on Sikkim's history and politics are either one-sided or fail to present a holistic view of Sikkim. A book such as this is perhaps written for the first time by a Sikkimese and from the Sikkimese perspective. History is not always written by the victors; at times, as in this case, it is written by its victims. Empires fall, civilizations crumble but the human spirit, which fights against all kinds of oppression and exploitation, cannot be extinguished so easily. More than anything else, the story of the Sons of Sikkim is a story worth telling; a story of a small Himalayan kingdom and its people's struggle to survive in the face of great odds.

Hurricane! Anne Rooney, 2015-01-01 Written in British English, Hurricane! describes how and where hurricanes, cyclones and typhoons happen.

Not Quite Nirvana Rachel Neumann, 2012-09-18 The book is a memoir of how a skeptical, fast-talking New Yorker became Thich Nhat Hanh's editor, turned forty, realized she was aging, and slowly and reluctantly started to absorb mindfulness practice and grow up. Scenes with Thich Nhat Hanh and the author's two vividly exuberant older parents, illustrate how the author adapts mindfulness techniques for the busyness of her life, without losing her edge. With honest and vivid stories about dealing with difficult relationships with family members, death, illness, vanity, exhaustion, and creating a safety net of joy, the author explores and offers guidance for three key mindfulness practices: Knowing When You're Available and When You're Not; Full-Attachment

Living; and Interbeing (Other People are Not a Hobby). This book is designed for adults who are new to mindfulness practice, Buddhism, curious skeptics, people familiar with the practice who want a personal story, and those interested in memoir.

That Time I Got Drunk and Saved a Demon Kimberly Lemming, 2023-05-23 Spice trader Cinnamon's quiet life is turned upside down when she ends up on a quest with a fiery demon, in this irreverently quirky rom-com fantasy that is sweet, steamy, and funny as hell. All she wanted to do was live her life in peace—maybe get a cat, expand the family spice farm. Really, anything that didn't involve going on an adventure where an orc might rip her face off. But they say the goddess has favorites, and if so, Cin is clearly not one of them. After Cin saves the demon Fallon in a wine-drunk stupor, Fallon reveals that all he really wants to do is kill an evil witch enslaving his people. And who can blame him? But now he's dragging Cinnamon along for the ride whether she likes it or not. On the bright side, at least he keeps burning off his shirt....

An Alternative Medical Perspective on Ancient History Philip Anthony Norrie, 2023-09-07 This book tells the story of the world's first documented pandemic, based on ancient Sumerian cuneiform tablets and ancient DNA from skeletons. This pandemic eventually involved all of Eurasia and spread to India and Russia. Ancient historians have suggested many theories for the demise of Sumer and the Indus Valley civilisations; but none have ever proposed the possibility of an infectious disease - a

pandemic. Hence, this book rewrites ancient history and asks people to consider the possibility of an infectious disease pandemic being the cause of the eradication of a civilisation.
